Their common enemy is the Arra who are orbiting the planet and waiting for their chance to kidnap the human females in order to force the Ruinos to mate with them as a way to increase their numbers Despite the good the Ruinos have done the townspeople want the aliens gone and Mitchel is faced with losing Neeallt or staying with him Maybe it s time they both move on from Tumbril Harbor and find some place safer A place they can call home No one was prepared for the Arra s next move despite all their precautions
