**The Brumby Wars** Anthony Sharwood, 2021-09-01 It's not just a war over horses It's a battle for the soul of Australia This is a book about the intense culture war raging around Australia's wild horses known as brumbies It pits a vision of the legendary Man from Snowy River and the iconic ANZAC Light Horse against the spectre of ecosystems destroyed by feral pests The debate involves powerful politicians and media commentators and stars an animal mythologised in Australian poetry and prose But in essence this is about us The Brumby Wars is about Australians at war with each other over their vision of an ideal Australia To ecologists and people who ski walk and fish in the High Country and other areas where the brumbies proliferate they are a feral menace which must be removed to save delicate alpine landscapes To the descendants of cattle families and many Australians in urban and regional areas brumbies are untouchable a symbol of wildness and freedom Something has to give But what The land or the horses This war is set to escalate dramatically before we have an answer Featuring interviews with characters from all sides of the debate The Brumby Wars is the riveting account of a major national issue and the very human passions it inspires It is also a journey a quest to understand what makes us tick in our increasingly polarised country Praise for Anthony Sharwood's From Snow to Ash Makes for inspirational reading West Australian A distinctive charming narrative a thinking caring man's trek Canberra Times A joyous read with personality in spades A book for the adventurer in us all Australian Geographic Fires of Fortune Patricia Shaw, 2011-10-27 River of the Sun revealed the indomitable spirit of former slave girl Diamond Now her intrepid son faces his own struggle for survival Patricia Shaw's Fires of Fortune is the thought provoking sequel to the unforgettable saga River

of the Sun The perfect read for fans of Tricia McGill and Fleur McDonald As a boy Ben Beckman is sheltered from the harsher aspects of life by his Aborigine mother Diamond who is all too familiar with the prejudice rife within Brisbane society He is unaware that his father is the ruthless Ben Buchanan a prominent figure in the state political scene Then one appalling night Diamond's life comes to an end Crazed with grief Ben vandalises his neighbour Dr Thurlwell's mansion as the doctor refused to tend his mother Ben's actions are to have tragic consequences Over hard years Ben's hatred for Dr Thurlwell deepens The girl next door is Phoebe Thurlwell whom Ben has known all his life When she offers the hand of friendship he is still motivated by a bitter feud with her parents Phoebe is sent away to a friend's cattle station to remove her from Ben's influence but he follows There he comes face to face with his own father a far more dangerous adversary than he ever thought possible What readers are saying about Fires of Fortune An imaginative and compelling account of what life was really like for early pioneers of Australia The characters come alive and keep the reader gripped from first page to last As always Patricia Shaw writes a great story with great historical care Cassell's Picturesque Australasia Edward Ellis Morris,1888 **Brumby** Kathryn Massey,Mae Lee Sun,2013-08-31 The Brumby holds a special place in the Australian psyche Immortalised in films such as The Man from Snowy River and books like the Silver Brumby series Brumbies epitomise the spirit of freedom and courage beloved by most Australians Today however they face an uncertain future Considered by some to be feral pests and increasingly marginalised in lands that have been their home for over a century Brumbies need our support more than ever before if they are to be protected for the enjoyment of future generations Bringing together breathtaking photographs of Brumbies in the wild as well as often thought provoking and entertaining stories from people privileged enough to have encountered or worked with them personally Brumby celebrates the beauty strength and indomitable spirit of these amazing animals The Boys of Calwynyardah C. S. Barnard,2024-11-29 Before the splash there was the clash of teeth on the spinal column then the struggle of hooves against the dirt of the banks The young cowboys could not believe their eyes Lurching from the billabong a 12 foot saltwater crocodile grabbed a horse by its neck and pulled it under **The Lure of Unknown Lands** Frederick George Jackson,1935 *Big Mobs* Glen McLaren,2014-07-01 Previously overshadowed in the public imagination by notions of American cowboys and the wild west Australian stockmen are given the place they so richly deserve in pastoral and Australian history in this insightful study From the lonely months on a long cattle drive to the boots they wore and the places they lived in the stockmen and their unique way of life is intelligently explored in this comprehensive work My Australian Girlhood, Sketches and Impressions of Bush Life Mrs. Campbell Praed,1904 **My Australian Girlhood, Sketches and Impressions of Bush Life** Rosa Caroline Murray-Prior "Mrs. Campbell Praed. creek beds under the endless southern sky In A SWAG OF MEMORIES Brian Taylor shares with us these stories of the people he has met the places he has been and the moments long gone that define the traditions of the Australian bush Like those bush poets and storytellers of days past Taylor brings to life the characters and the creatures of the bush men like Dangerous Dan Smith a hard self reliant man who had a gentler talent Father Peter a parish priest and occasional hero Charlie Gibson an Aboriginal stockman who knew the land better than anyone and Banjo the ever alert dingo watchdog These colourful and evocative bush tales delightfully capture a slight of Australian life that many of us will never get to see Luckily with this collection you can sit back with a billy of tea and read all about it **The Wild Australia Stories** Jennifer
