Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 Presents comprehensive guidance to the international field of sports history as it has developed as an academic area of study This book guides readers through the development of the field across a range of thematic and geographical contexts It is suitable for researchers and students in and entering the sports history field

The Making of Sporting Cultures John Hughson, 2013-09-13 The Making of Sporting Cultures presents an analysis of western sport by examining how the collective passions and feelings of people have contributed to the making of sport as a way of life The popularity of sport is so pronounced in some cases that we speak of certain sports as national pastimes Baseball in the United States soccer in Britain and cricket in the Caribbean are among the relevant examples discussed Rather than regarding the historical development of sport as the outcome of passive spectator reception this work is interested in how sporting cultures have been made and developed over time through the active engagement of its enthusiasts This is to study the history of sport not only from below but also from within as a means to understanding the deep relationship between sport and people within class contexts the middle class as well as the working class Contestation over the making of sport along axes of race gender and class are discussed where relevant A range of cultural writers and theorists are examined in regard to both how their writing can help us understand the making of sport and as to how sport might be located within an overall cultural context in different places and times The book will appeal to students and academics within humanities disciplines such as cultural studies history and sociology and to those in sport studies programmes interested in the historical cultural and social aspects of sport This book was published as a special issue of Sport in Society

The Visual in Sport Mike Huggins, Mike O'Mahony, 2013-10-18 This comprehensive novel and exciting interdisciplinary collection brings together leading international authorities from the history of sport social history art history film history design history cultural studies and related fields to explore the ways in which visual culture has shaped and continues to impact upon our understanding of sport as an integral element within popular culture Visual representations of sport have previously been little examined and under exploited by historians with little focused and rigorous scrutiny of these vital historical documents This study seeks to redress this balance by engaging with a wide variety of cultural products ranging from sports stadia and monuments in the public arena to paintings prints photographs posters stamps design artefacts films and political cartoons By examining the contexts of both the production and reception of this historical evidence and highlighting the multiple meanings and social significance of this body of work the collection provides original powerful and stimulating insights into the ways in which visual material assists our knowledge and understanding of sport This collection will facilitate researchers publishers and others with an interest in

sport to move beyond traditional text based scholarship and appreciate the powerful imagery of sport in new ways This book was previously published as a special issue of the International Journal of the History of Sport Encoding the Olympics Luo Qing, Giuseppe Richeri, 2013-09-13 Encoding the Olympics assembles a uniquely representative international team of media experts to provide a comprehensive review of the global impact of media and cultural communications associated with the Beijing 2008 Olympics Commissioned by the IOC this pioneering comparative study the largest in Olympic Games research provides a ground breaking panoramic cross cultural perspective on media responses to the leading sports event of the modern world The representative team that undertook the study includes media commentators and political analysts sport and media journalists Sinologists and observers of the Asian Pacific Rim academics in Olympic Studies and media and communication studies scholars of the cultural and sociology studies of sport and festival and events managers Encoding the Olympics provides a unique encyclopaedic study that will serve as a versatile resource at several levels as a textbook or source reference for academic institutions media public relations agencies that facilitate the work of inter cultural exchange organisations and international communication departments of multinational enterprises and international NGOs This volume analyses global media responses to a mega sport event on a scale never before attempted This book was previously published as a special issue of the International Journal of the History of Sport **Sport and Nationalism in Asia** Fan

Hong, Zhouxiang Lu, 2016-04-14 Written by a team of international scholars Sport and Nationalism in Asia Power Politics and Identity is a collection of original research which addresses a number of issues central to notions of nationalism and identity in sport including how the Olympics and other international and regional sports events have fostered an active interweaving of sport politics and nationalism the role of traditional sport in the building of national consciousness and national identity the way modern sport creates and reflects nationalism thereby giving it a voice and a focus The book covers eight case studies on countries regions across West Asia Central Asia and East Asia It is one of the few works that examines the relationships between sport politics and nationalism from Asian perspective This book was published as a special issue of the International Journal of the History of Sport Sport Past and Present in South Africa Scarlett Cornelissen, Albert Grundlingh, 2013-09-13 This book provides an interpretation of sport in contemporary South Africa through an historical account of the evolution and social ramifications of sport in the twentieth century It comprises chapters which trace the growth of sports such as football cricket surfing boxing and rugby and considers their relationship to aspects of racial identity masculinity femininity political and social development in the country The book also draws out the wider geo political significance of South African sport placing it in the context of the development of sport both elsewhere on the African continent and internationally The history of sport has seen significant international growth over the past few decades For the most part however the history of sport in Africa has remained largely untraced By detailing the way in which sport s development in South Africa overlapped with major socio political processes on the wider African continent this volume seeks

to narrow the gap This book was previously published as a special issue of the International Journal of the History of Sport

Rule Britannia: Nationalism, Identity and the Modern Olympic Games Matthew P. Llewellyn, 2014-06-11 On 6 July 2005 the International Olympic Committee awarded the 2012 summer Olympic Games to the city of London opening a new chapter in Great Britain's rich Olympic history Despite the prospect of hosting the summer Games for the third time since Pierre de Coubertin's 1894 revival of the Olympic movement the historical roots of British Olympism have received limited scholarly attention With the conclusion of the 2008 Beijing Olympics and the passing of the baton to London Rule Britannia remedies that oversight This book uncovers Britain's early Olympic involvement revealing how the British public media and leading governmental officials were strongly opposed to international Olympic competition It explores how the British Olympic Association focused on three main factors in the midst of widespread national opposition it embraced early Olympian spectacles as a platform for maintaining a sporting union with Ireland it fostered a greater sense of imperial identity with Britain's white dominions and it undertook an ambitious policy of athletic specialization designed to reverse the nation's waning fortunes in international sport This book was previously published as a special issue of International Journal of the History of Sport

London, Europe and the Olympic Games Thierry Terret, 2015-10-14 London hosted the Olympic Games for the third time in 2012 a mega event where the political economic and social expectations could hardly be compared with the previous London Games of 1908 and 1948 In addition the Olympic Games went back to Europe in 2012 after a long period where apart from Athens in 2004 they were held by cities in other continents In London the world watched the Games Continental Europe however generated a particular attitude based on the special relations it had developed historically with England At the crossing point of history cultural studies and geopolitics this book provides new insights on the significance of the Olympic Games It considers that the Games are the right window to look at both the past and the current relations between England and its closest continental neighbours It will be ideal for students and academics working in sport sciences cultural history political science and European studies amateur and professional sports historians Olympic followers and experts in Olympic studies This book was published as a special issue of the International Journal of the History of Sport

Soft Power Politics - Football and Baseball on the Western Pacific Rim Rob Hess, 2017-07-05 Soft Power Politics Past and Present Football and Baseball on the Western Pacific Rim illustrates the momentous expanse and moment of sport in the Asia Pacific region and through these essays dealing with two of the most prodigious global team sports confronts various cultural clashes that Samuel Huntington would ensure the end of civilisation They also demonstrate the power sport has to change the world and to inspire and unite people globally All who sail under the flag of Sport as ingenuous as it may seem to the host of cynics that abounds believe that dialogues that emerge from arguments included in this text represent communication of the highest order and have the potential to produce the cohesion that can close some of those cracks that Huntington said would open up along what he called the fault lines between civilisations This book was

published as a special issue of the International Journal of the History of Sport *Post-Beijing 2008: Geopolitics, Sport and the Pacific Rim* J. A. Mangan, Fan Hong, 2013-10-18 In 2008 as few in the world are unaware China was host to the world via the Beijing Olympics The world watched the metamorphosis of Beijing from insecure capital to confident metropolis but aware of it or not the world was also watching the symbolic assertion via the Games of a rising superpower The Pacific Rim will be the stage on which China initially displays its new hegemonic intentions aspirations and ambitions Thus in Post Beijing 2008 the political economic and cultural impact of Beijing 2008 on the geopolitical future of the Pacific Rim will be discussed This perspective analysed by some of the most distinguished academic commentators from some of the world's leading universities who are closely associated with the Pacific Rim East and West is original in focus and the analysis is pregnant with political possibilities This book was previously published as a special issue of the International Journal of the History of Sport *Sport and the Emancipation of European Women* Gigliola Gori, J.A. Mangan, 2016-03-23 Sport and the Emancipation of European Women the Struggle for Self fulfilment explores the contributions of European women to the emancipation of women worldwide It expands understanding of the need for their attitudes and actions and celebrates their achievements in freeing the female body from unwarranted political cultural and social restraint in the courageous pursuit of the Enlightenment's secular value system the unity of mankind and basic personal freedoms and a world of tolerance knowledge education and opportunity from Roy Porter Enlightenment Britain and the Creation of the Modern World 2004 The Collection records the pulling down of European barriers via sport to women's realisation of ability and release of talent and their conquest of crushing inhibitions inexcusable irrationality intolerable prejudice and denial of opportunity no barriers came down without confrontation The struggle to overthrow prejudice set for the first time in the context of recent European history and the recent evolution of European sport is described in this pioneering Collection It is the first publication to focus specifically on European women and their struggle for emancipation via sport This book was published as a special issue of the International Journal of the History of Sport Boys, Bodies, and Physical Education Göran Gerdin, 2017-01-12 Using visual ethnography this book explores the many forms of pleasures that boys derive in and through the spaces and their bodies in physical education Employing the works of Michel Foucault and Judith Butler Gerdin examines how pleasure is connected to identity schooling and power relations and demonstrates how discourses of sport fitness health and masculinity work together to produce a variety of pleasurable experiences At the same time the book provides a critique of such pleasurable experiences within physical education by illustrating how these pleasures can still for some boys quickly turn into displeasures and can be associated with exclusion humiliation bullying and homophobia Boys Bodies and Physical Education argues that pleasure can both be seen as an educational and productive practice in physical education but also a constraint that both engenders and privileges some boys over others as well as reproducing narrow and limited conceptions of masculinity and pleasures for all boys This book works to problematize these pleasures and their articulations with gender

bodies and spaces The New Geopolitics of Sport in East Asia William Kelly,J.A. Mangan,2015-09-07 The global geopolitics of sport is being transformed in and by East Asia Sport in recent decades has been avidly embraced by East Asian nations with implications both for their image on the international stage and their domestic national identities The three post war East Asian Olympic Games the glittering Guangzhou Asian Games in 2010 and the march of Asia into the global sport market illustrate the fact that a new global sports order has emerged This collection uniquely discerns the tectonic shift of global power in the geopolitical economic cultural and social dynamics of sport from West to East It also reveals that the global empire of commerce is similarly shifting eastwards The chapters written by leading authorities on East Asia widens the focus advances the knowledge and sharpens the appreciation of both global sport and regional current transformation in the making and in doing so contributes to an understanding of profound changes in global sport This book was originally published as a special issue of The International Journal of the History of Sport **The Politicisation of Sport in Modern China** Fan Hong,Lu Zhouxiang,2015-07-16 The Politicisation of Sport in Modern China Communist and Champions is the first book in English which examines in chronological order key issues in sport in the People s Republic of China from 1949 to 2012 in the context of Chinese history politics and society It explores the complexity of Chinese sport including the sovietisation of Chinese sports policy and practice the emergence of the two Chinas issue the Cold War the Cultural Revolution sports diplomacy and sports militarism China s turbulent journey of participation in the Asian Games and in the Olympics the politics and policy of doping and anti doping in Chinese sport and China s sport in the post Beijing Olympics era By analysing the relationships between sport diplomacy politics and social transformation in China the book examines how sport has played an important role in China s rise in the 20th and 21st centuries and how China embraced the Olympic Movement and also influenced the world through the Olympic Games Featuring major events original documents and interviews with a wide breadth of insiders from sports policy makers Olympic medallists and ordinary Chinese this book for the first time provides a comprehensive guide to the history of sport in the People s Republic of China It is a fascinating book for academic researchers general readers and students This book was published as a special issue of the International Journal of the History of Sport *Football Fans Around the World* Sean Brown,2013-09-13 This volume investigates the way in which football supporters around the world express themselves as followers of teams whether they be professional amateur or national The diverse geographical and cultural array of contributions to this volume highlights not only the variety of how fans express themselves but their commonalities as well The collection brings together scholars of North and South America Europe Asia and Africa to present a global picture of fan culture The collection shows that while every group of fans around the world has its own characteristics the role of a football fan is laced with commonalities irrespective of geography or culture This book was previously published as a special issue of Soccer and Society Mapping an Empire of American Sport Mark Dyreson,J.A. Mangan,Roberta J. Park,2013-09-13 Since the mid nineteenth century the United States

has used sport as a vehicle for spreading its influence and extending its power especially in the Western Hemisphere and around the Pacific Rim but also in every corner of the rest of the world Through modern sport in general and through American pastimes such as baseball basketball and the American variant of football in particular the U S has sought to Americanize the globe s masses in a long series of both domestic and foreign campaigns Sport played roles in American programs of cultural economic and political expansion Sport also contributed to American efforts to assimilate immigrant populations Even in American games such as baseball and football sport has also served as an agent of resistance to American imperial designs among the nations of the Western hemisphere and the Pacific Rim As the twenty first century begins sport continues to shape American visions of a global empire as well as framing resistance to American imperial designs Mapping an Empire of American Sport chronicles the dynamic tensions in the role of sport as an element in both the expansion of and the resistance to American power and in sport s dual role as an instrument for assimilation and adaptation This book was published as a special issue of the International Journal of the History of Sport *Sport, Literature, Society* Alexis Tadié,J.A. Mangan,Supriya Chaudhuri,2016-04-08 Sport studies and sports history have witnessed a recent substantial increase in publications However the relationship between literature and sport has been little explored Sport Literature Society looks at a wide variety of case studies ranging from Japan to England from India to Australia and covers sports as diverse as cycling football wrestling and boxing It concentrates on historical perspectives The contributors are all academics of international reputation and include historians of sport and literary scholars Literature may shape our perceptions and reactions to sport as much as sport may inform our reading As mimetic practice as aesthetic object as imaginative release sport is analogous to literature and the other arts at the same time it can become the subject of literary visual or musical elaborations Literature often conceptualises the place and role of sport in culture and society Indeed sport inhabits literature in ways that have not been adequately studied Sport studies have investigated the relationships between sport and society education gender nation and class To look again at these relationships through the prism of literature enables us to change our focus and to assess the centrality of sport in culture This book was published as a special issue of the International Journal of the History of Sport **American National Pastimes - A History** Mark Dyreson,Jaime Schultz,2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and

culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport **Sport in the Middle East** Fan Hong, 2017-07-05 This collection provides interdisciplinary study of sport in the Middle East in the context of history politics policies gender religion ideology and international relations The chapters examine the role of the Pan Arab Games in strengthening the bonds of Arab identity in Qatar the contribution of sport to the building of nationhood and cultural image in Lebanon and Turkey female involvement in the Olympic movement in Middle Eastern countries how sport has facilitated the promotion of gender equality and how sport has served the social and cultural transformation of the Islamic world Study of the role and functions of sport in the Middle East in its historical political and cultural context is long overdue Based on recent research conducted by prominent young scholars in this field this collection will inspire and stimulate the future development of research in the Islamic world This book was originally published as a special issue of The International Journal of the History of Sport
