Running Deer:

Wild Adventures of Running Deer Len Sunchild, 2017-07-25 The Wild Adventures of Running Deer is brought to you by an adventurous adolescent boy named Running Deer and his friends Skeeter Weasel Beaver and Buzzard It s about a clique of boys who play in the woods and along a river with frogs and turtles build forts and rafts and get into all kinds of mischief Running Deer is a curious young naturalist coming of age in a time and place gone by He was fortunate to be raised in a loving home surrounded by nature and seldom restrained by watchful eyes unreasonable rules and fickle warnings nor dissuaded from his interests and activities By the time Running Deer reached six years he had nurtured several species of wild orphaned animals explored the green environment around him and gained an understanding about the natural world By the time he was eight he befriended several kindred boys and together they pursued many wild escapades The book is a testament to a simpler time when children spent their leisure time in the great outdoors before all our present day technologies conveniences and comforts enticed people to stay inside and at home The stories take place in the mid 1950s and 60s before most of the wild woods where young Running Deer played as a child were bulldozed paved and developed into ribbons of roads and suburban sprawl These are true tales real life adventures more exciting than fiction remembered for a lifetime and recorded for posterity They re nostalgic humorous thought provoking written in the first person and narrated in a New Jersey dialect The book ends with lessons about nature and how to live with and love nature and help heal the Earth It is intended to entertain its readers with the wild antics of adventurous children and leave us with a greater appreciation for Mother Earth and all her creations and for a simpler life and time gone by **Wanamea** RACHEL WATERS, 2007-05-30 AUTHOR S NOTE I AM THANKFUL FOR THE STRENGTH COURAGE AND TENACITY OF MY ANCESTORS AND MY GREAT GRANDMOTHER WANAMEA THE CHOCTAW NATION OF OKLAHOMA IS A TESTAMENT OF THEIR SURVIVAL Don t miss the sequel RETURN OF WHITE DOVE Due to be released in the Fall of 2007 Wrath of the Mountain Man William W. Johnstone, 2017-07-25 Shoot A Mountain Man In The Back On the frontier a man s word is his bond and only fast guns and good friends can save your life So when Smoke Jensen trusts his gravely injured comrade to the care of a small town doctor the last thing he expects is an act of betrayal and a call for revenge And Get Ready To Look Him In The Eye Somewhere in his past Smoke crossed paths with a lowlife who has now built a little kingdom as a frontier sheriff For the corrupt lawman holding Smoke s friend hostage is the perfect way to lure Smoke into a deathtrap Now there s no choice for the mountain man He knows how many guns are waiting up ahead But he won t ever leave a brother behind And this time there won t be an enemy left standing or a bullet left in Smoke s gun Over 10 Million Johnstone Books In Print **Historical Dictionary of the Olympic Movement** Ian Buchanan, Bill Mallon, 2005-11-15 The Olympic Games brings together thousands of athletes competing in over 40 sports and representing over 200 nations But that is just the surface for none of this would be possible without the constant efforts of an incredible organization consisting of tens of thousands of sports lovers united in sports

associations National Olympic Committees and the International Olympic Committee The third edition of this fascinating book deals with both levels of the competition the competitive side and the administrative side The dictionary includes hundreds of entries on the major sports more outstanding athletes participating countries and numerous bodies in the organization as well as successive generations of officials starting with the founder Pierre de Coubertin But that is not all Two chronologies trace the history of the Olympic movement back to the Ancient Olympiad first celebrated in Greece in 776 B C as well as all of the modern Games up to Athens in 2004 The appendixes then provide elusive facts on the Games the officials the torchbearers and the top Olympic medal winners A bibliography is included to allow further research Reviews of the Previous Edition Buchanan and Mallon provide comprehensive clearly written and well organized historical information about the Olympic movement Highly recommended Choice most useful for quick lookups and is the only one to have most information on individual athletes Reference Books Bulletin

Homeless Hero Mike Tapscott, 2013-07 Homeless Hero Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences When pain and emptiness show up in life only those who undertake the hero s journey grow into a place of understanding where they can then flourish Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book The movie workshop at Lodestar Day Resource Center in Phoenix Arizona teaches life s lessons through the magic of cinema The lessons manifest through a series of dramatic events hearing a call to adventure refusing the call crossing a threshold encountering tests allies and enemies being unable to turn back soul searching finding reward returning with the story and experiencing resurrection These events are what life is all about The hero s journey through homelessness just one symptom of the challenge of overcoming emotional pain is one way to help change individuals and then change tracks patterns and less than constructive behaviors Here is a compilation of experiences from Tapscott s 36 hour experimental journey into life on the streets his own volunteer work and through interviews with employees in the social service system other volunteers and homeless individuals Homeless Hero is a case study an experiment an adventure and a multi layered examination of American society that seeks to help you understand the moving picture of your own hero s journey

The American Rifle Townsend Whelen, 1918 Spirit of the Buffalo Stan Mirel, 2010-12-03 When I started writing my first western I began without a story a title but with two unwashed characters that hated each other at first in the dark filthy cluttered log cabin so remotely embedded in the Canadian snow covered woods that escape on foot was impossible After two murders occurred our heroine Marie is alone raised without affection or a smile with only a fur trapper father escaped from prison She finds herself alone until Peter Mark with a broken leg is fished out of the river with his horse and wagon After months of fighting and distrust in the filthy hovel they find love and Peter begins the trek to his home in Nevada in a wagon with Marie They come to a Nez Perce village where Peter trades with Chief Joseph for three white women and continues south through Flathead land and into Shoshoni Territory where Chief Running Deer learns the buffalo follow Peter and thinks

he controls them and calls him the Spirit of The Buffalo With two scouts from the Nez Perce two from the Flathead and two from Chief Running Deer they continue south and the scouts leave them at Fort Bryant Peter thinks hell take Marie to his house but Running Deer decides to burn the fort and sends word to the Spirit of The Buffalo Take everyone out of the fort and all that ride with you are safe Col Williams decides to stay and defend but Peter takes the women and children to Fort Halleck as Running Deer attacks Fort Bryant Peter and Marie adopt Linda the youngest of the three captive females they traded for with Chief Joseph of the Nez Perce Thats not half of the story but youll dry your eyes before turning the last page of the Spirit of The Buffalo and when the sequel War Chief comes out youll cry again and better understand our Native American brothers

Historical Dictionary of the Olympic Movement John Grasso,Bill Mallon,Jeroen Heijmans,2015-05-14 The Olympic Movement began with the Ancient Olympic Games which were held in Greece on the Peloponnesus peninsula at Olympia Greece It is not clear why the Greeks instituted this quadrennial celebration in the form of an athletic festival The recorded history of the Ancient Olympic Games begins in 776 B C although it is suspected that the Games had been held for several centuries by that time The Games were conducted as religious celebrations in honor of the god Zeus and it is known that Olympia was a shrine to Zeus from about 1000 B C In modern time The Olympic Movement attempts to bring all the nations of the world together in a series of multisport festivals the Olympic Games seeking to use sport as a means to promote internationalism and peace This fifth edition of Historical Dictionary of The Olympic Movement covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on the history philosophy and politics of the Olympics major organizations the various sports the participating countries and especially the athletes This book is an excellent access point for students researchers and anyone wanting to know more about The Olympic Movement

Ancient Roots, Many Branches Darlena L'Orange,Gary Dolowich,2002 Join us on a fascinating journey across cultures and through time from Mesopotamia to India from China to Egypt to Greece and on to the Americas to discover the ancient roots of human thought concerning health and healing Over the ages dealing with illness has been an essential aspect of culture and people everywhere have come up with unique solutions to this fundamental problem Drawing upon an intimate relationship with a particular environment treatments have evolved that range from herbs and foods to acupuncture needles In this book remedies that can be quite effective for acute conditions will be examined You will also explore models of healing that allow the whole person to be treated while addressing the underlying pattern of dis ease These energetic systems of medicine are especially appropriate in treating chronic illness where focusing on the symptom fails to address the deeper cause

The 1920 Olympic Games Bill Mallon,Anthony Th. Bijkerk,2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if

any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world Field & Stream ,2004-08 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **The Strongest Buck** Thomas K. Devereaux,2021-11-19 The Strongest Buck By Thomas K Devereaux Eager for adventure Mark Madison leaves his brother and sister in law to maintain the family farm and strikes out for the wild West by working for a wagon train outfit There he meets Dan the grizzled foulmouthed wagon master who takes Mark under his wing Thus begins Mark s education about surviving in this new world so different from quiet farm life In The Strongest Buck follow Mark as he faces the adventure he sought embraces a different culture makes friends faces danger makes enemies finds love and discovers where his home and heart truly lie **Demon in the Woods** Charles Edwin Price,1992 The monster fish sighted in Watauga and Boone Lakes the so called Wampas Cat and a witchy horse that found a little lost girl wandering on Embreeville Mountain these are but a few of the stories retold in this book of East Tennessee tales Other stories include the Cherokee legends of creation and fire a witch who drove people mad a personal account of a miraculous cure lost civilizations in the middle of Cherokee National Forest and a host of death and burial superstitions

The 1908 Olympic Games Bill Mallon,Ian Buchanan,2015-07-11 The 1908 Olympic Games were controversial There was almost constant bickering among the American team and the British officials Because of the controversies the 1908 Olympics have been termed The Battle of Shepherd s Bush referring to the site of the Olympic Stadium Reports of the 1908 Olympics have been rare and do not for instance contain full results for archery track and field athletics football soccer gymnastics motorboating and shooting A great deal of new information has been discovered by the authors and this work gives complete results for all events The information presented is based primarily on 1908 sources For the first time definitive word on the sites dates events competitors and nations as well as the event results are available for all of the 1908 Olympic events including boxing cycling diving fencing field hockey lacrosse polo raquets swimming lawn tennis tug of war weightlifting wrestling and yachting among other sports A series of appendices include rarely seen information about the many controversies surrounding the Games **A Light from a Distant Fire** M.
