Not everyone has the physiology to run at the highest level, but everyone can benefit from implementing an Olympic approach to training. *Run Like a Champion* shares a big picture view of running, looking at not only the essential training elements but also other key pieces of the puzzle: identifying motivation, finding a proper work-life-family balance, and understanding complementary aspects of training such as stretching, how much to drink, diet, and how to avoid and treat injuries. *Run Like a Champion* reveals all the guidelines, tips, and tricks, workouts, mental training, and nutritional practices that Olympic runners use. By making this Olympic approach part of their running, runners of all levels will make their goals achievable, from 5K to marathon.
