RUNNING WITH REINDEER

ENCOUNTERS IN RUSSIAN LAPLAND

ROGER TOOK

Running With Reindeer Encounters In Russian Lapland

Arvid Viken, Dieter K. Müller

Running With Reindeer Encounters In Russian Lapland:

Running with Reindeer Roger Took, 2008-11-10 Russian Lapland a region of amazing contrasts Here lies the last true wilderness of Europe a rich and pristine ecosystem teeming with bird and animal life But here too lie the dark satanic mills of the former Soviet Union and the rotting remnants of nuclear submarines *Running with Reindeer* is the first account in over a century to describe life in this harsh but beautiful land Living among remote reindeer herding and hunting families Roger Took spends a decade following the lives and traditions of the indigenous Lapps or Saami He meets pioneering villagers descended from medieval Novgorod fur traders who are now learning to cope with the new economy and the men and women originally forced north to mine Russian Lapland's fabulous mineral wealth but are now unemployed and stranded Avoiding the still vigilant security services he explores the naval bases where nuclear powered submarines are lying dangerously neglected His encounters with the land and its inhabitants are dramatic and comical as well as emotionally disturbing and physically dangerous Moving between the lines of the official histories coping with arduous Arctic conditions he writes compellingly offering a vivid account of a unique part of Europe

Lapland: A Natural History Derek Ratcliffe, 2010-06-30 This stunning new Poyser title looks at the flora and fauna of Lapland that area of northern Europe and northwestern Russia which lies within the Arctic circle After general introductions the book examines the Lapland ecosystems and species by habitat type with one chapter dealing with freshwater habitats another with open tundra and so on The history of natural history study in the region and the conservation issues affecting it today are also discussed The book is illustrated throughout with a wealth of the author's own colour photographs and there are also some line drawings and a number of maps and other figures to illustrate key points This is a wonderfully evocative book which creates a vivid sense of place for one of the planet's last wildernesses and will appeal to anyone who loves wildlife and wild places A rare window onto one of Europe's most unspoiled areas by the outstanding British field naturalist of the late 20th century *The Independent* An informative and easy to read text on a part of the natural world unfamiliar to many It is a fascinating enjoyable book *Wildlife Activist* Summer 2006

Big Oil Playground, Russian Bear Preserve Or European Periphery? Bjørn Brunstad, 2004 Barents Russia is the far northwestern corner of the Russian Federation bordering on the Barents Sea and the affluent Nordic countries It is a region full of natural resources petroleum fish minerals etc much of which is yet to be exploited The region is heavily influenced by the Cold War and 70 years of Soviet central planning with heavy industry concentrated in company towns and with a strong military presence The region also houses some serious threats to a vulnerable Arctic environment The ten past years have brought historic changes in Barents Russia and in the relations between this region and the world around it Yet the next couple of decades may bring even more profound changes the direction of which is hard to predict Much hangs in the balance ranging from the supply of oil and gas to the world market to broader political issues such as the future for democracy and the rule of law the protection of the environment the integration into world trade and the old favourite topic

of the high north the strategic balance This book presents three plausible but provoking scenarios for the future of Barents Russia Big Oil Playground Russian Bear Preserve or European Periphery and will hopefully contribute to increased attention and deeper understanding of the forces and actors that will shape the region The aim is for the scenarios to provoke new insights about change dynamics opportunities and challenges and to serve as a backdrop for public planning corporate strategy making and more Book jacket

The Sámi Peoples of the North Neil Kent, 2019-03-01 There is no single volume that encompasses an integrated social and cultural history of the Sámi people from the Nordic countries and northwestern Russia Neil Kent's book fills this lacuna In the first instance he considers how the Sámi homeland is defined its geography climate and early contact with other peoples He then moves on to its early chronicles and the onset of colonisation which changed Sámi life profoundly over the last millennium Thereafter the nature of Sámi ethnicity is examined in the context of the peoples among whom the Sámi increasingly lived as well as the growing intrusions of the states who claimed sovereignty over them The Soviet gulag the Lapland War and increasing urbanisation all impacted upon Sámi life Religion too played an important role from pre historic times with their pantheon of gods and sacred sites to their Christianisation In the late twentieth century there has been an increasing symbiosis of ancient Sámi spiritual practice with Christianity Recently the intrusions of the logging and nuclear industries as well as tourism have come to redefine Sámi society and culture Even the meaning of who exactly is a Sámi is scrutinised at a time when some intermarry and yet return to Sámi where their children maintain their Sámi identity

Power and the People Yulian Konstantinov, 2023-09-02 This book discusses state periphery relations from the view point of a reindeer husbandry community in the Russian Far North Murmansk Region The time is the current period of Putin led Russia The analysis is based on the premise that the mode of current top power governance can be described as selective de centralization Below a certain level of state power interests conflicts get resolved in favour of local communities That gains support for the supreme leadership and reproduces a Soviet like reality Termed sovkhosism the latter holds the Soviet state farm sovkhos as creating an ideal socio economic environment When issues are of significant interest to superior power selection favours cavalier bypassing of people friendly concerns At this level power acts in an authoritarian mode favouring the interests of state power structures in conjunction with the upper tiers of the loyal oligarchate It is shown how this governing mode contains significant potential for escalating centre vs periphery tensions

Liberating Sápmi Gabriel Kuhn, 2020-03-01 The Sámi who have inhabited Europe's far north for thousands of years are often referred to as the continent's forgotten people With Sápmi their traditional homeland divided between four nation states Norway Sweden Finland and Russia the Sámi have experienced the profound oppression and discrimination that characterize the fate of indigenous people worldwide their lands have been confiscated their beliefs and values attacked their communities and families torn apart Yet the Sámi have shown incredible resilience defending their identity and their territories and retaining an important social and ecological voice even if many progressives and leftists included refuse to

listen Liberating S pmi is a stunning journey through S pmi and includes in depth interviews with S mi artists activists and scholars boldly standing up for the rights of their people In this beautifully illustrated work Gabriel Kuhn author of over a dozen books and our most fascinating interpreter of global social justice movements aims to raise awareness of the ongoing fight of the S mi for justice and self determination The first accessible English language introduction to the history of the S mi people and the first account that focuses on their political resistance this provocative work gives irrefutable evidence of the important role the S mi play in the resistance of indigenous people against an economic and political system whose power to destroy all life on earth has reached a scale unprecedented in the history of humanity The book contains interviews with Mari Boine Harald Gaski Ann Kristin H kansson Aslak Holmberg Maxida M rak Stefan Mikaelsson May Britt hman Synn ve Persen yvind Ravna Niillas Somby Anders Sunna and Suvi West

Nuclear Bodies Robert A. Jacobs,2022-01-01 The Cold War reconsidered as a limited nuclear war A grimly important analysis of the cold war Andrew Robinson Nature Inexorable clarity and care for his fellow humans mark Robert Jacobs s guide to the Cold War as a limited nuclear war whose harms disfigure any possible future Norma Field author of In the Realm of a Dying Emperor Japan at Century s End In the fall of 1961 President Kennedy somberly warned Americans about deadly radioactive fallout clouds extending hundreds of miles from H bomb detonations yet he approved ninety six U S nuclear weapon tests for 1962 Cold War nuclear testing production and disasters like Chernobyl and Fukushima have exposed millions to dangerous radioactive particles these millions are the global hibakusha Many communities continue to be plagued with dire legacies and ongoing risks sickness and early mortality forced displacement uncertainty and anxiety dislocation from ancestors and traditional lifestyles and contamination of food sources and ecosystems Robert A Jacobs re envisions the history of the Cold War as a slow nuclear war fought on remote battlegrounds against populations powerless to prevent the contamination of their lands and bodies His comprehensive account necessitates a profound rethinking of the meaning costs and legacies of our embrace of nuclear weapons and technologies

Old Woman with Berries in Her Lap Vivian Faith Prescott,2022-03-15 Through a single descendant s voice that speaks to the S mi diaspora this collection of poems is a journey through colonialism transgenerational trauma and identity Many have heard of the S mi reindeer herders brought to Alaska by Sheldon Jackson in the 1800s but not much is known about the S mi diaspora experiences in the state and beyond The poems in *Old Woman with Berries in Her Lap* use the North S mi language as well as graphics and various types of poetry to tell these stories of migration and diaspora Vivian Faith Prescott s use of language is both a celebration of the richness of the S mi languages and a mourning of the loss of language that occurs when a population is displaced and forced to exist in a totally foreign language space According to S milinguist professor and politician Ole Henrik Magga the S mi languages have very easily one thousand lexemes with connections to snow ice freezing and melting These lexemes frame many of Prescott s poems introducing ideas and feelings around the loss of language and culture A compelling insight into the S mi culture from a contemporary poet s eye Old

Woman with Berries in Her Lap juxtaposes past and present in an act of reclamation Merchant Adventurers James Evans, 2013-09-12 A Tudor voyage of exploration an extraordinary story of daring discovery tragedy and pioneering achievement In the spring of 1553 three ships sailed north east from London into uncharted waters The scale of their ambition was breathtaking Drawing on the latest navigational science and the new spirit of enterprise and discovery sweeping the Tudor capital they sought a northern passage to Asia and its riches The success of the expedition depended on its two leaders Sir Hugh Willoughby a brave gentleman soldier and Richard Chancellor a brilliant young scientist and practical man of the sea When their ships became separated in a storm each had to fend for himself Their fates were sharply divided One returned to England to recount extraordinary tales of the imperial court of Tsar Ivan the Terrible The tragic mysterious story of the other two ships has to be pieced together through the surviving captain s log book after he and his crew became lost and trapped by the advancing Arctic winter This long neglected endeavour was one of the boldest in British history and its impact was profound Although the merchant adventurers failed to reach China as they had hoped their achievements would lay the foundations for England s expansion on a global stage As James Evans vivid account shows their voyage also makes for a gripping story of daring discovery tragedy and adventure **Tourism and Indigeneity in the Arctic** Arvid Viken, Dieter K. Müller, 2017-05-03 This is the first book to exclusively address tourism and indigenous peoples in the circumpolar North It examines how tourism in indigenous communities is influenced by academic and political discourses and how these communities are influenced by tourism The volume focuses on the ambivalence relating to tourism as a modern force within ethnic groups who are concerned with maintaining indigenous roots and traditional practices It seeks to challenge stereotypical understandings of indigenesness and indigeneity and considers conflicting imaginaries of the Arctic and Arctic indigenous tourism The book contains case studies from Canada Greenland Norway Sweden Finland and Russia and will be of interest to postgraduate students and researchers of tourism geography sociology cultural studies and anthropology **Tudor Adventurers** James Evans, 2014-08-15 In the spring of 1553 three ships sailed north east from London into uncharted waters The scale of their ambition was breathtaking Drawing on the latest navigational science and the new spirit of enterprise and discovery sweeping the Tudor capital they sought a northern passage to Asia and its riches The success of the expedition depended on its two leaders Sir Hugh Willoughby a brave gentleman soldier and Richard Chancellor a brilliant young scientist and practical man of the sea When their ships became separated in a storm each had to fend for himself Their fates were sharply divided One returned to England to recount extraordinary tales of the imperial court of Tsar Ivan the Terrible The tragic mysterious story of the other two ships has had to be pieced together through the surviving captain s log book after he and his crew became lost and trapped by the advancing Arctic winter This exceptional endeavour was one of the boldest in British history and its impact was profound Although the merchant adventurers failed to reach China as they had hoped their achievements would lay the foundations for England s expansion on a global stage As

James Evans vivid account shows their voyage also makes for a moving story of daring discovery tragedy and adventure

Remaking Europe in the Margins Christopher S. Browning, 2019-06-04 Originally published in 2005 This comprehensive volume examines the issue of Europe making related to the post EU NATO enlargement and the post 9 11 situation Dual enlargement and the War on Terrorism are raising important questions for various actors in Europe in particular what these developments will mean for the future of regional cooperation and the development of a regional subjectivity Such concerns have been further compounded by America s distinction between New Europe and Old Europe The volume analyzes at both policy and conceptual levels how the dual enlargement and the War on Terrorism will impact on regional cooperation in northern Europe It examines how events in northern Europe have helped shape the nature of European space borders and governance including how the EU the US and Russia have each highlighted northern Europe as a special case to be utilized and learnt from in dealing with problems elsewhere in Europe and globally Presenting original articles the volume will appeal to scholars of regional politics as well as security international relations theory and geopolitics

From These Bare Bones Alice Choyke, Sonia O'Connor, 2013-12-19 A fundamental component of the study of worked osseous objects is the identification of the raw materials chosen to make them In archaeological contexts many objects become degraded to the point where identification is very difficult and the way in which these materials decay during burial and upon excavation can vary greatly Correct identification is crucial to the investigation of objects their conservation and future curation Above all understanding raw material selection aids our understanding of human animal interaction in the past both on pragmatic and symbolic levels since the choices made by artisans vary by cultural tradition as well as availability The 20 papers presented here explore a wealth of information pertaining to the use of osseous materials over the long period of human craftsmanship and tool manufacture by exploring several key themes Raw material selection and curation within tool types Social aspects of raw material selection New methods of materials identification It is demonstrated that the issue of raw material identification has numerous implications for conservation work reproduction of objects the physical characteristics of the tool or ornament availability of raw materials the materials chosen for procurement and the cultural reasons that lie behind the choice of raw materials from particular species and skeletal elements to produce planned tool and ornament types Together these papers emphasize the need for confident and correct materials identification and demonstrate that functionality is by no means the only nor necessarily the most important factor in the selection of osseous raw materials for the fabrication of tools and other cultural objects

War at the Margins Lin Poyer, 2022-12-31 War at the Margins offers a broad comparative view of the impact of World War II on Indigenous societies Using historical and ethnographic sources Lin Poyer examines how Indigenous communities emerged from the trauma of the wartime era with social forms and cultural ideas that laid the foundations for their twenty first century emergence as players on the world s political stage With a focus on Indigenous voices and agency a global overview reveals the enormous range of wartime

activities and impacts on these groups connecting this work with comparative history Indigenous studies and anthropology The distinctiveness of Indigenous peoples offers a valuable perspective on World War II as those on the margins of Allied and Axis empires and nation states were drawn in as soldiers scouts guides laborers and victims Questions of loyalty and citizenship shaped Indigenous combat roles from integration in national armies to service in separate ethnic units to unofficial use of their special skills where local knowledge tilted the balance in military outcomes Front lines crossed Indigenous territory most consequentially in northern Europe Southeast Asia and the Pacific Islands but the impacts of war go well beyond combat Like others around the world Indigenous civilian men and women suffered bombing and invasion displacement forced labor military occupation and economic and social disruption Infrastructure construction and demand for key resources affected even areas far from front lines World War II dissolved empires and laid the foundation for the postcolonial world Indigenous people in newly independent nations struggled for autonomy while other veterans returned to home fronts still steeped in racism National governments saw military service as evidence that Indigenous peoples wished to assimilate but wartime experiences confirmed many communities commitment to their home cultures and opened new avenues for activism By century s end Indigenous Rights became an international political force offering alternative visions of how the global order might make room for greater local self determination and cultural diversity In examining this transformative era *War at the Margins* adds an important contribution to both World War II history and to the development of global Indigenous identity *A Viking Way of Life* Steven P. Ashby,2014-01-15 An engaging look at life in the Viking Age

Running With Reindeer Encounters In Russian Lapland Introduction

In the digital age, access to information has become easier than ever before. The ability to download Running With Reindeer Encounters In Russian Lapland has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Running With Reindeer Encounters In Russian Lapland has opened up a world of possibilities.

Downloading Running With Reindeer Encounters In Russian Lapland provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Running With Reindeer Encounters In Russian Lapland has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Running With Reindeer Encounters In Russian Lapland. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Running With Reindeer Encounters In Russian Lapland. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Running With Reindeer Encounters In Russian Lapland, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Running With Reindeer Encounters In Russian Lapland has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Running With Reindeer Encounters In Russian Lapland Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
