**Good Times, Bad Times** Harold Evans, 2011-09-20 A renowned journalist s vivid account of his battle with Murdoch after the global media baron bought the Times of London Chicago Tribune In 1981 Harold Evans was the editor of one of Britain s most prestigious publications the Sunday Times which had thrived under his watch When Australian publishing baron Rupert Murdoch bought the daily Times of London he persuaded Evans to become its editor with guarantees of editorial independence But after a year of broken promises and conflict over the paper s direction Evans departed amid an international media firestorm Evans s story is a gripping behind the scenes look at Murdoch s ascension to global media magnate It is Murdoch laid bare an intimate account of a man using the power of his media empire for his own ends Riveting provocative and insightful Good Times Bad Times is as relevant today as when it was first written With details on the scandalous deal between Murdoch and Margaret Thatcher this updated ebook edition includes an extensive new preface by Evans the New York Times bestselling author of Do I Make Myself Clear discussing the Rupert Murdoch phone hacking scandal

**Outfoxed** Alexandra Kitty, 2005-04-01 The director of 2004 s smash hit documentary Outfoxed Rupert Murdoch s War on Journalism teams with journalist Alexandra Kitty in an even more detailed and updated examination of how media empires led by Rupert Murdoch s Fox News have been running a race to the bottom in television news They examine media consolidation by focusing on the Fox News Channel How did Fox gain prominence How did the Fox News Channel gain audiences and influence public debate How does Fox report reality Is the network merely interpreting events or is it pushing propaganda Who are the main players and how do they treat their friends and enemies Why should readers care about how Fox takes liberties with its facts Each chapter blends interviews from Greenwald s documentary transcripts from Fox programs and other research pertaining to Fox News not only to illustrate the Fox

mentality but also to show the factual ethical and structural problems with the news channel Interviews and transcripts are analyzed to give readers a strong sense of what Fox is actually telling its audiences The Murdoch Method Irwin Stelzer,2018-05-01 After having worked with Rupert Murdoch for what the legendary newspaperman describes as thirty five years of great memories Irwin Stelzer is uniquely positioned to evaluate Murdoch s media empire through periods of rapid expansion and acquisitions times of financial and regulatory stress and political battles in Britain and America Stelzer helped plan important company conclaves and assisted with speeches at least one of which was responsible for having News Corp barred by the Chinese regime from doing business in that country Here are the philosophies on how Rupert approaches and values deals whether stalking the Wall Street Journal for decades before pouncing or over paying for everything from Fox Studios to NFL rights how he copes with regulatory constraints how he wins some and loses some must notably MySpace The Murdoch Method is the sum total of the management techniques that grew out of Rupert s attitudes and conceptions taking him from a struggling newspaper in an out of the way town in Australia to running a globe dominating media enterprise

*Rupert Murdoch* Simon Regan,1976 **Rise And Fall Of The Murdoch Empire** John Lisners,2013-07-24 Rupert Murdoch ruthless visionary empire builder and business genius He has created a global media network which has made him one of the most powerful and influential figures in the world So potent was the force of his empire that he was even on first name terms with presidents and prime ministers superpowers were only a telephone call away But just recently rather than controlling the news Murdoch has instead become the front page story as the world had been gripped by the unfolding drama of the News International phone hacking scandal *Murdoch's World* David Folkenflik,2013-10-22 Rupert Murdoch is the most significant media tycoon the English speaking world has ever known No one before him has trafficked in media influence across those nations so effectively nor has anyone else so singularly redefined the culture of news and the rules of journalism In a stretch spanning six decades he built News Corp from a small paper in Adelaide Australia into a multimedia empire capable of challenging national broadcasters rolling governments and swatting aside commercial rivals Then over two years a series of scandals threatened to unravel his entire creation Murdoch s defenders questioned how much he could have known about the bribery and phone hacking undertaken by his journalists in London But to an exceptional degree News Corp was an institution cast in the image of a single man The company s culture was deeply rooted in an Australian buccaneering spirit a brawling British populism and an outsized American libertarian sensibility at least when it suited Murdoch s interests David Folkenflik the media correspondent for NPR News explains how the man behind Britain s take no prisoners tabloids who reinvigorated Roger Ailes by backing his vision for Fox News who gave a new swagger to the New York Post and a new style to the Wall Street Journal survived the scandals and the true cost of this survival He summarily ended his marriage alienated much of his family and split his corporation asunder to protect the source of his vast wealth on the one side and the source of his identity on the other There were moments when the global news chief panicked But as long as Rupert Murdoch

remains the person at the top Murdoch's World will be making news      **What Every American Should Know About Who's Really Running the World** Melissa Rossi, 2005-11-29 Most of us know the big players politically in the United States But ever wonder who's pulling their strings Who the movers and shakers are around the globe In sharp witty prose What Every American Should Know About Who's Really Running the World spells out exactly who to watch and what they've done and are still doing Get the lowdown on Pfizer Monsanto Oprah Winfrey WTO IMF Wal Mart Rupert Murdoch Al Qaeda Filled with hard facts global issues and profiles of the heavy hitters What Every American Should Know About Who's Really Running the World is essential reading for all Americans who want a handle on the movers and shakers behind the headlines

**The Men Who Killed the News** Eric Beecher, 2024-07-31 Crikey owner and ex News Corp and Fairfax editor lifts the lid on the abuse of power by media moguls from William Randolph Hearst to Elon Musk and on his own unique experience of working for and being sued by the Murdochs What's gone wrong with our media The answer its owners From William Randolph Hearst to Elon Musk from the British press barons to colonial upstarts Conrad Black and Rupert Murdoch media proprietors have manipulated the news to accumulate wealth and influence as they meddled with democracy Eric Beecher knows the news business from bottom to top He has been a journalist editor and media proprietor of Text Media and Crikey with the rare distinction of having both worked for and been sued unsuccessfully by the Murdochs This book reveals the distorted role of the media moguls of the past two centuries their techniques strategies behind closed doors machinations and indulgent lifestyles It explains how they have exploited the shield of the freedom of the press to undermine journalism and truth In an era of fake news AI and misinformation this is democracy's chillingly important story how a small coterie of flawed and narcissistic moguls created a shadow of power that has contributed to making the media an agent of mistrust

*Good Times, Bad Times* Harold Evans, 2013-09-17 In Harold Evans's classic memoir he tells the inside story of Rupert Murdoch's takeover of the Times of London and his rise to become a global media power In 1981 Harold Evans was the editor of one of Britain's most prestigious publications the Sunday Times which had thrived under his watch When Australian publishing baron Rupert Murdoch bought the daily Times of London he persuaded Evans to become its editor with guarantees of editorial independence But after a year of broken promises and conflict over the paper's direction Evans departed amid an international media firestorm Evans's story is a gripping behind the scenes look at Murdoch's ascension to global media magnate It is Murdoch laid bare an intimate account of a man using the power of his media empire for his own ends Riveting provocative and insightful Good Times Bad Times is as relevant today as when it was first written This book features a new preface by the author in which he discusses the Rupert Murdoch phone hacking scandal      **The Fall** Michael Wolff, 2023-09-26 New York Times Bestseller All happy families are alike each unhappy family is unhappy in its own way Leo Tolstoy Anna Karenina Michael Wolff's books were my foundation and port of entry for working on Succession Jeremy Strong Kendall Roy Meet the Murdochs and the disastrously dysfunctional family of Fox News Until recently they formed the most

powerful media and political force in the land for better or worse Now their empire is cracking up and crashing down For almost three decades Fox News has not only made political careers see President Donald J Trump but also fundamentally altered the political landscape of the United States It is a truism as Fox goes so goes the nation into further divisiveness and awash in fake news a gleefully polarizing company But just as Fox has pushed America apart now it too is coming apart As is the family dynasty behind it In his irresistible trilogy on the chaotic presidency of Donald Trump Fire and Fury Siege and Landslide the gadfly journalist Michael Wolff led readers deep into the twisted corridors of the White House Now drawing on years of unprecedented access to the Murdoch family and key players in the world of Fox he plunges us behind the scenes of another empire of influence and the result is astonishing and unforgettable Here is Rupert Murdoch the ninety two year old Australian billionaire a fading titan concerned about his legacy but more concerned about profits Here are his contentious progeny jockeying to take over when the old man is gone Here is star anchor Tucker Carlson hiding out in his island homes considering a run for the presidency while his bosses have other plans for him Sean Hannity the richest man in television has his own plans to put the former POTUS back in office against the bosses wishes Meanwhile Laura Ingraham is just trying to survive in the last man s man s world Empires fall Kingdoms come to an end As lawsuits pummel the financial bedrock and reputation of the network anchors scramble and the battling Murdoch heirs make the Roys of TV s Succession seem downright Brady Bunch Michael Wolff documents in riveting and revelatory real time the final days of Fox News

Breaking News Paul Barry,2013-10-01 At the age of 82 Rupert Murdoch is divorcing his third wife Wendi Deng and gearing up for the toughest challenge of his life to hand his empire on to his children But is this the end of the Murdoch dynasty Lachlan doesn t want to succeed him James is in disgrace And Elisabeth is not a serious contender His grip on the group has also been weakened by scandal His British tabloids have been caught hacking phones and bribing officials on an industrial scale At least twenty journalists will soon face trial for hacking and corruption and could be jailed But Rupert thrives on crisis He has recently split News Corp in two doubled his fortune to US 9 billion and is bouncing around like a man in his prime So can he win this one last battle and keep it all in the family      **Rupert's Adventures in China** Bruce Dover,2008 In the mid 1990s amid rumours that he had an agenda to bring down totalitarian regimes Rupert Murdoch was blackballed by the Chinese authorities and a Murdoch File was opened by a member of the Politburo of the Chinese Communist Party Despite this opposition and the fact that from then on every step he made was monitored Murdoch remained committed to establishing a media presence in China But convincing the Chinese authorities that he wasn t a threat was no easy matter When News Corporation eventually announced a deal with the official organ of the Chinese Communist Party the People s Daily to launch China s first joint venture Internet site the world s media interpreted the move as the lifting of the Black Ban on Murdoch This remarkable book details Murdoch s many convoluted money spinning deals and ventures with high profile Chinese figures It is a roller coaster read that reveals exactly what Murdoch s dealings cost and

what they achieved and ultimately asks was it all worth it      **Rupert Murdoch** Rodney Tiffen, 2014-02-01 Tony Abbott thinks that Rupert Murdoch is one of the most influential Australians of all time and that we should support our hometown hero Murdoch who has mainly lived in New York since 1973 and renounced his Australian citizenship in order to move into American TV has aroused much more controversy than most hometown heroes This comprehensive book traces his business career the entrepreneurial strategies that led to his early success and his later exercises of monopoly power It dissects his political ideas the relish with which he approaches political campaigning and the way he leverages political support into policy outcomes that favour his business Some of his news outlets have been responsible for very good journalism but have also been lambasted for outrageous sensationalism and political bias Fox News has reached new lows in the mixing of propaganda and news and his newspapers in Australia have mainly championed conservative governments
