## **Rural Industrialization In China:**

Rural Industrialization in China Jon Sigurdson, 2020-03-17 Small scale industries in rural areas in China are today an essential element of regional development programs This monograph analyzes two main development strategies One involves technology choices in a number of industrial sectors most of which were initiated during the Great Leap Forward in the late fifties The scaling down of modern large scale technology through a product or quality choice combined with changes in the manufacturing processes is discussed at some length for nitrogen chemical fertilizer and cement The other approach is the integrated rural development strategy where a number of activities are integrated within or closely related to the commune system This strategy includes industry as only one component of many instruments where improved public health education and improved agricultural technology contribute to achieving such policy objectives as increased employment and productivity

The Industrialization of Rural China Chris Bramall, 2007 The Industrialization of Rural China highlights the economic social achievements of the Maoist regime Using a constructed dataset covering China's 2000 plus counties complemented by a detailed econometric study of county level industrialization in the provinces of Sichuan Guangdong Jiangsu the author shows that history mattered

**Rural Industrialization in China** Jon Sigurdson, 1975 **China's Rural Industrialization Policy** S. Cheng, 2006-08-03 This book is a comprehensive and positive study of the special pattern of China's industrialization and economic development covering all of the relevant main policies more than one hundred from 1949 to the twenty first century

**Rural Industrialization in China: Development of the "Five Small Industries"** Christine Pui Wah Wong, 1983 Institutional Change And Rural Industrialization In China: The Putting-out System In Handicraft Industry In Late Qing And Early Republic Period Feizhou Zhou, 2018-11-16 This book explores the development of the putting out system in hand woven textile industries in late Qing Dynasty and China's Republican Period In classic sociology theory the putting out system in handcraft production was regarded as traditional and inefficient In the context of Republican China it was believed that this kind of household based production system would have totally failed in competition with the factory system of machinery production However this book exhibits the historical fact that the putting out system was booming in handcraft textile production and subsequently provides an explanation to this phenomenon from the perspectives of institutional analysis and quantitative modeling With rich county level data and comprehensive analysis this book is valuable for both researchers academics and students in economics and social history studies

**Rural Industrialization in China** J. George Waardenburg, 1986 China's Rural Industry World Bank, 1990 This book provides a comprehensive multi faceted analysis of China's booming rural nonstate collective and private industrial sector Based on a collaboration between Chinese and World Bank researchers the 19 papers compiled here offer detailed national and provincial information from four representative counties 63 townships 122 rural industrial firms and 1 174 workers and address such topics as performance and efficiency ownership and institutional structure employment and wage systems

regional structure and related aspects of China's rural industrial sector This study breaks new ground in the scholarly analysis of an increasingly important highly dynamic part of China's economy

**Industrialization and China's Rural Modernization** Dong Fureng, 2016-07-27 This book analyses China's historical experience of industrialization It adopts a critical stance towards China's development strategy and proposes an alternative approach outlining its main features Due to the great importance and special problems of China's rural modernization special attention is devoted to analysis of the rural sector Many of China's rural socio economic problems are similar to those encountered in other developing countries It is intended that the book will increase understanding of China's socio economic development as well as contributing to wider debates in the theory of economic development

**China's Road to Development** N. Maxwell, 2014-06-28 China's Road to Development is a collection of papers by specialists on aspects of China's economy and society It covers a wide range of subjects from development strategy to the specifics of small scale energy exploitation from the role of women in China's development to the greening of China through great efforts in afforestation Commenting on the limited issue original edition a special issue of the journal World Development from which this volume has been greatly expanded Dr Knowles President of the Rockefeller Foundation wrote A magnificent collection of essays by very astute and experienced observers covering everything from population control health economic planning trade city planning and rural development to Chinese aid in building the Tanzania Zambia railway If I could only afford two books on modern China I would get this one

**Rural Industrialization in Post-reform China** G. K. Chadha, 1996 Aims to understand the process of rural industrialization in China during the post reform period after 1978 and brings out lessons for developing countries of Asia from the experience of the rapid growth of Chinese rural industries during the 1980s

**Industrialization and China's Rural Modernization** Fureng Dong, 1992-01-01 *Rural Industrialization in China* Erik Baumann, 1991 *Rural China Takes Off* Jean C. Oi, 1999-05-17 In this incisive analysis of one of the most spectacular economic breakthroughs in the Deng era Jean C Oi shows how and why Chinese rural based industry has become the fastest growing economic sector not just in China but in the world Oi argues that decollectivization and fiscal decentralization provided party officials of the localities counties townships and villages with the incentives to act as entrepreneurs and to promote rural industrialization in many areas of the Chinese countryside As a result the corporatism practiced by local officials has become effective enough to challenge the centrality of the national state Dealing not only with the political setting of rural industrial development Oi's original and strongly argued study also makes a broader contribution to conceptualizations of corporatism in political theory Oi writes provocatively about property rights and principal agent relationships and shows the complex financial incentives that underpin and strengthen the growth in local state corporatism and shape its evolution This book will be essential for those interested in Chinese politics comparative politics and

communist and post communist systems      **China's Agricultural Modernization** On Kit Tam,2023-08-01 Originally published in 1985 this study investigates the actual experience in mechanization during the Fourth Five Year Plan period a period which represented in many ways a new stage in China s rural development It examines the historical perspective and the development approach under which mechanization efforts were exerted during this 5 year period and the mechanism outcomes and problems these entailed The book addresses the issues involved in agricultural development and mechanization through a more integral analysis of the way technological transformation has been linked to China s quest for social and economic development      **Manager Empowerment in China** Ray Yep,2003-12-08 Institutional changes in rural China caused by the economic reforms of the post Mao era have led to a new pattern of state society interaction in the rural polity Central to this is the spectacular rise of a group of managerial elites Contrary to economic predictors this has been accompanied by the development of an interdependence between these managers and the state This book provides an analysis of the new state society relationship and demonstrates the complexity and fluidity involved in institutional development and market transformation      **Practicum Report [microform] : Rural Industrialization in China** Xiaojian Wang,2001
