Rural Life In Nineteenth Century Quebec:

A Short History of Quebec John Alexander Dickinson, 2008 Written by two of Quebec's most respected historians A Short History of Quebec offers a concise yet comprehensive overview of the province from the pre contact native period to the present day John A Dickinson and Brian Young bring a refreshing perspective to the history of Quebec focusing on the social and economic development of the region as well as the identity issues of its diverse peoples This revised fourth edition covers Quebec's recent political history and includes an updated bibliography and chronology and new illustrations A Canadian classic A Short History of Quebec now takes into account such issues as the 1995 referendum recent ideological shifts and societal changes considers Quebec's place in North America in the light of NAFTA and offers reflections on the Grand Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008 Engagingly written this expanded and updated fourth edition is an ideal place to learn about the dynamic history of Quebec **Quebec: A History**

1867-1929 Paul-André Linteau, René Durocher, Jean-Claude Robert, 1983-01-01 List of Tables List of Maps List of Figures Preface PART I LAND AND POPULATION 1867 1929 1 The Land An American Land The Settlement of the Land The Shaping of Physical Space 2 **A Short History of Quebec** John A. Dickinson, Brian Young, 2002-10-30 In a new chapter on contemporary Quebec the book examines the 1995 referendum discusses the ideological shifts and societal changes in Quebec under the Bouchard government and considers Quebec's place in North America in the wake of NAFTA A Short History of Quebec offers a concise yet comprehensive overview of the province from the pre contact native period to the death of Pierre Trudeau in 2001 The authors provide an insightful perspective on the history of Quebec focusing on the social economic and political development of the region and its peoples Engagingly written this expanded and updated third edition is an ideal starting place to learn about Quebec Educating the Neglected Majority Richard A. Jarrell, 2016-05-01 Educating the Neglected Majority is Richard Jarrell's pioneering survey of the attempt to develop and diffuse agricultural and technical education in nineteenth century Canada's most populous regions It explores the efforts and achievements of educators legislators and manufacturers as they responded to the rapid changes resulting from the Industrial Revolution Identifying the resources that the state philanthropic organizations private schools moral reform societies and churches harnessed to implement technical education for the rural and industrial working classes Jarrell illuminates the formal and informal learning networks of Upper Canada Ontario and Lower Canada Quebec at this time As these colonial societies moved towards mechanization industrialization and nationhood their educational leaders looked to US and British developments in pedagogy and technology to create academic journals evening classes libraries mechanics institutes museums specialist societies and women's institutes Supervising these varied activities were legislatures and provincial boards where key figures such as E A Barnard J B Meilleur and Egerton Ryerson played dominant roles Portraying the powerful hopes and sometimes unrealistic dreams that motivated energetic and determined reformers Educating the

Neglected Majority presents Ontario and Quebec's response to the powerful industrial and demographic forces that were reshaping the North Atlantic world The Limits of Rural Capitalism Kenneth Michael Sylvester, 2001-01-01 Sylvester challenges the view in prairie historiography that agriculture had commercialized before the west was opened to settlement and that ethnic communities alone resisted the market's potential Canadian History: Beginnings to Confederation Martin Brook Taylor, Doug O'Wram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Rural Life in Nineteenth-century Quebec** Serge Courville, Normand Séguin, 1989

Development of Elites in Acadian New Brunswick, 1861-1881 Sheila Muriel Andrew, 1996 The Development of Elites in Acadian New Brunswick 1861-1881 re-examines the role of Acadian elites in the formation of a nationalist ideology in nineteenth century New Brunswick **How Agriculture Made Canada** Peter A. Russell, 2012 An original and textured analysis of how agricultural developments in Quebec and Ontario had a significant and direct impact on rural settlement in the Prairies Alan Bowker's Canadian Heritage 2-Book Bundle Alan Bowker, 2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unremitting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress *French Canadians, Furs, and Indigenous Women in the Making of the Pacific Northwest* Jean Barman, 2015-02-25 Jean Barman was the recipient of the 2014 George Woodcock Lifetime Achievement Award In French

Canadians Furs and Indigenous Women in the Making of the Pacific Northwest Jean Barman rewrites the history of the Pacific Northwest from the perspective of French Canadians attracted by the fur economy the indigenous women whose presence in their lives encouraged them to stay and their descendants joined in this distant setting by Quebec paternal origins the French language and Catholicism French Canadians comprised Canadiens from Quebec Iroquois from the Montreal area and m tis combining Canadien and indigenous descent For half a century French Canadians were the largest group of newcomers to this region extending from Oregon and Washington east into Montana and north through British Columbia Here they facilitated the early overland crossings drove the fur economy initiated non wholly indigenous agricultural settlement eased relations with indigenous peoples and ensured that when the region was divided in 1846 the northern half would go to Britain giving today s Canada its Pacific shoreline

Families in Transition Peter Gossage,1999 Using a family reconstruction method Gossage history U de Sherbrooke explores how the rise of industrial capitalism transformed the lives of the Quebec town s French speaking Catholic families He draws on local registers and manuscript census schedules to focus on marriage household organization and family size in the context of the social and economic change Among his findings are a growing divergence between bourgeois and proletarian families in regard to marriage and fertility patterns Annotation copyrighted by Book News Inc Portland OR

Power from the North Caroline Desbiens,2013-05-15 In the 1970s Hydro Qu bec declared We Are Hydro Qu b cois The slogan symbolized the intimate ties that had emerged between hydroelectric development in the North and French Canadian aspirations in the South Caroline Desbiens focuses on the first phase of the James Bay hydroelectric project to explore how this culture of hydroelectricity hastened the erasure of Aboriginal homelands and the manipulation of Northern Quebec s material landscape She concludes that truly sustainable resource development will depend on all actors bringing an awareness of their cultural histories and visions of nature North and nation to the negotiating table

Quebec Serge Courville,2009-01-01 In this richly documented work Serge Courville tells the geographical history of Quebec from the appearance of the first humans through to the present day This detailed and erudite book maps major stages of Quebec s development providing a geographical record of the many social relationships that over time created a sense of place Landscape Courville shows is the keeper of memory the record of successive changes and a witness to the genesis of the new Places that were once agricultural then left to waste and ruin are today revived by tourism Areas that now house office buildings were long ago open playgrounds where children ruled Drawing on vast research Courville shows how in spite of the turbulence Quebec often endures or perhaps because of it the land itself may be seen as an important participant in the history of its peoples Quebec A Historical Geography was originally published by Les Presses de l Universit Laval as Le Qu bec Gen ses et mutations du territoire

The Reluctant Land Cole Harris,2009-01-01 The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s It

shows how a deeply indigenous land was reconstituted in European terms and at the same time how European ways were recalibrated in this non European space It also shows how an archipelago of scattered settlement emerged out of an encounter with a parsimonious territory and suggests how deeply this encounter differed from an American relationship with abundance The book begins with a description of land and life in northern North America in 1500 and ends by considering the relationship between the pattern of early Canada and the country as we know it today Intended to illuminate the background of modern Canada The Reluctant Land is an intelligent discussion of people and place that will be welcomed by scholars and lay readers alike *The Cambridge Economic History of the United States* Stanley L. Engerman, Robert E.

Gallman, 1996 This three volume work offers a comprehensive survey of the history of economic activity and economic change in the United States and in those regions whose economies have at certain times been closely allied to that of the US

Body or the Soul? Frank A. Abbott, 2016-05-01 In the two centuries before the Quiet Revolution the people of Quebec exercised a higher degree of independence from the Catholic Church than is often presumed Investigating rural Quebec from the mid eighteenth century to the turn of the twentieth Frank Abbott argues convincingly that the obligations and priorities of the Church did not unswervingly rule the lives of its parishioners The Body or the Soul is a history of religious and cultural life in the parish of St Joseph de Beauce Drawing from their pastors detailed annual reports to the archbishops of Quebec St Joseph s parish registers contemporary accounts government censuses and the largely unexplored oral testimony on rural life and culture found in the Archives de folklore et ethnologie at Universit Laval Abbott assesses the nature and degree of influence and control that the church exerted over the everyday lives of a rural Quebec community He examines the telling details found in church building projects the relationships between clergy and parishioners attendance at Sunday mass and catechism classes reception of communion the persistence of what the Church termed superstition traditional customs of sociability and the degree of control that the Church exerted over the community s social and sexual behaviour Rich with primary sources The Body or the Soul reveals the tensions between Catholicism s place in people s lives and the independent spirit of a vigorous popular culture *The Patriots and the People* Allan Greer, 1993-12-15 The Lower Canadian Rebellion of 1837 has been called the most important event in pre Confederation history Previously it has been explained as a response to economic distress or as the result of manipulation by middle class politicians Lord Durham believed it was an expression of racial conflict emThe Patriots and the People is a fundamental reinterpretation of the Rebellion Allan Greer argues that far being passive victims of events the habitants were actively responding to democratic appeals because the language of popular sovereignty was in harmony with their experience and outlook He finds that a certain form of popular republicanism with roots deep in the French Canadian past drove the anti government campaign Institutions such as the militia and the parish played an important part in giving shape to the movement and the customs of the maypole and charivari provided models for the collective actions against local representatives of the colonial regime In looking closely into the actions

motives and mentality of the rural plebeians who formed a majority of those involved in the insurrection Allan Greer brings to light new causes for the revolutionary role of the normally peaceful French Canadian peasant By doing so he provides a social history with new dimensions A.Y. Jackson Wayne Larsen,2009-09-21 A founding member of the Group of Seven Jackson portrayed the Canadian landscape in a bold and inventive manner illustrating a key chapter in Canadas coming of age *Encyclopedia of Women and Religion in North America, Set* Rosemary Skinner Keller,Rosemary Radford Ruether,Marie Cantlon,2006-04-19 A fundamental and well illustrated reference collection for anyone interested in the role of women in North American religious life
