One Hundred Paintings Russell Chatham, Jim Harrison, 1990 **Russell Chatham** Russell Chatham, 1990 **Russell Chatham** Russell Chatham, Etel Adnan, Jim Fergus, Jim Harrison, Hunter S. Thompson, Thomas McGuane, 1984 *Russell Chatham*, 1992 **Russell Chatham** Russell Chatham, 1984 *A River Dream* Jamie Harrison, 2025-11-04 An anthology and tribute to a unique independent publisher Clark City Press In 1987 the painter and author and fly fisherman Russell Chatham renowned for his stunning landscape paintings and his appetite for life decided to take control of his own career by creating a publishing house in Livingston Montana As one does at least if they are Russell Chatham Control was probably the wrong concept for the next five years Clark City Press was the chaotic home of beautifully produced works by an eclectic talented collection of writers and artists many of them given a painting in lieu of a publishing advance What began as an effort to publish Chatham s own work and that of his friends a large and varied group in elegant trade paperbacks morphed into something grander and more wayward Chatham could talk almost anyone into anything and before the press imploded all sorts of people said yes Barry Gifford signed on for *A Good Man to Know* a fictionalized memoir about his gangster father Jim Harrison traded paintings for *The Theory Practice of Rivers* and Just Before Dark and Rick Bass wrote about the first wolves to resettle the continental United States in *The Ninemile Wolves* Clark City Press published Thomas McGuane on fishing and memory Guy de la Valdene on hunting woodcock Richard Hugo s only mystery James Crumley s short stories and Peter Stackpole s Life photos from the golden age of Hollywood In *A River Dream* Clark City s former editor novelist Jamie Harrison has collected some of the best of the press s prose art and poetry in a glorious celebration of a small and lost world

Jimmy Buffett Steve Eng, 1997-10-15 The unique charisma of Jimmy Buffett has entranced his millions of fans for nearly three decades Just what has made this man so beloved and so fanatically revered In this lively in depth portrait of the talented savvy character named Jimmy Buffett Steve Eng reveals the singer the writer the maestro and the raconteur supreme of photos **Dark Waters** Russell Chatham, 2025-07-08 We re thrilled to re release this classic collection by Russell Chatham This collection features a series of essays and stories that reflect Chatham s experiences and interests as a landscape artist and fly fishing enthusiast The narratives often revolve around his friends adventures touching on themes of hunting food wine and significant life changes **Dark Waters** Russell Chatham, 1988 **A Night on the Ground, a Day in the Open** Doug Robinson, 1996 This title is currently available for printing and distribution We would like to cancel that since we are reversing the rights to the author and will no longer want it sold under our account **Songs of the Doomed** Hunter S. Thompson, 2011-09-06 First published in 1990 *Songs of the Doomed* is back in print by popular demand In this third and most extraordinary volume of the *Gonzo Papers* Dr Hunter S Thompson recalls high and hideous moments in his thirty years in the *Passing Lane* and no one is safe from his hilarious remarkably astute social commentary With Thompson s trademark insight and passion about the state of American politics and culture *Songs of the Doomed* charts the long strange

trip from Kennedy to Quayle in Thompson's freewheeling inimitable style. Spanning four decades 1950 to 1990 Thompson is at the top of his form while fleeing New York for Puerto Rico riding with the Hell's Angels investigating Las Vegas sleaze grappling with the Dukakis problem and finally detailing his infamous lifestyle bust trial documents and Fourth Amendment battle with the Law. These tales often sleazy brutal and crude are only the tip of what Jack Nicholson called the most baffling human iceberg of our time. *Songs of the Doomed* is vintage Thompson a brilliant brazen bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years. **Russell Chatham Original Lithographs** Russell Chatham, 1989. **Seasons of the Angler** David Seybold, 1998-04. This anthology brings together 30 stories essays and poems by such authors as P J O'Rourke Richard Ford and Thomas McGuane that celebrate fishing as a sport and a communion with nature. **Simple Fly Fishing** Yvon Chouinard, Craig Mathews, Mauro Mazzo, 2014-04-15. Modern day fly fishing like much in life has become exceedingly complex with high tech gear a confusing array of flies and terminal tackle accompanied by high priced fishing guides. This book reveals that the best way to catch trout is simply with a rod and a fly and not much else. The wisdom in this book comes from a simpler time when the premise was the more you know the less you need. It teaches the reader how to discover where the fish are at what depth and what they are feeding on. Then it describes the techniques needed to present a fly at that depth make it look lifelike and hook the fish. With chapters on wet flies nymphs and dry flies its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases. Illustrated by renowned fish artist James Prosek with inspiring photographs and stories throughout *Simple Fly Fishing* reveals the secrets and the soul of this captivating sport. *Natural State* Steven Gilbar, 1998-04-28. This is the first anthology of nature writing that celebrates California the most geographically diverse state in the union. Readers be they naturalists or armchair explorers will find themselves transported to California's many wild places in the company of forty noted writers whose works span more than a century. Divided into sections on California's mountains hills and valleys deserts coast and elements earth wind and fire the book contains essays diary entries and excerpts from larger works including fiction. As a prelude to the collection editor Steven Gilbar presents two California Indian creation myths one a Cahto narrative and the other an Ajuma'wi story as told by Darryl Babe Wilson. Familiar names appear in these pages John Muir Robert Louis Stevenson John McPhee M F K Fisher Gretel Ehrlich but less familiar writers such as Daniel Duane Margaret Millar and John McKinney are also included. Among the gems in this treasure trove are Jack Kerouac on climbing Mt Matterhorn Barry Lopez on snow geese migration at Tule Lake Edward Abbey on Death Valley Henry Miller on Big Sur and Joan Didion on the Santa Ana winds. Gary Snyder's inspiring Afterword reflects the spirit of environmentalism that runs throughout the book. *Natural State* also reveals the many changes to California's landscape that have occurred in geological time and in human terms. More than a book of nature writing this book is superb writing about nature. **The Shape of the Journey** Jim Harrison, 2012-12-18.
