politics how to do business etc Current developments e g recent changes in tax and other laws trends in foreign direct investment latest project tenders Companies and contacts Industries and services Legislation Organisations a listing of agencies and bodies able to provide assistance information and data to business people

Writing at Russia's Borders Katya Hokanson, 2008-09-15 It is often assumed that cultural identity is determined in a country's metropolitan centres Given Russia's long tenure as a geographically and socially diverse empire however there is a certain distillation of peripheral experiences and ideas that contributes just as much to theories of national culture as do urban centred perspectives Writing at Russia's Border argues that Russian literature needs to be reexamined in light of the fact that many of its most important nineteenth century texts are peripheral not in significance but in provenance Katya Hokanson makes the case that the fluid and ever changing cultural and linguistic boundaries of Russia's border regions profoundly influenced the nation's literature posing challenges to stereotypical or territorially based conceptions of Russia's imperial military and cultural identity A highly canonical text such as Pushkin's Eugene Onegin 1831 which is set in European Russia is no less dependent on the perspectives of those living at the edges of the Russian Empire than is Tolstoy's The Cossacks 1863 which is explicitly set on Russia's border and has become central to the Russian canon Hokanson cites the influence of these and other peripheral texts as proof that Russia's national identity was dependent upon the experiences of people living in the border areas of an expanding empire Produced at a cultural moment of contrast and exchange the literature of the periphery represented a negotiation of different views of Russian identity an ingredient that was ultimately essential even to literature produced in the major cities Writing at Russia's Border upends popular ideas of national cultural production and is a fascinating study of the social implications of nineteenth century Russian literature

Return to Putin's Russia Stephen K. Wegren, 2012-10-26 Now in a thoroughly revised expanded and

updated edition this classic text provides the most authoritative and current analysis available of the challenges confronting Putin as he resumes the presidency Leading scholars assess Medvedev s term in office and explore the daunting domestic and international problems facing Russia today Evaluating the regime s continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin had his own approach for dealing with myriad problems facing Russia emphasizing recentralization of power and a strong state His influence remained potent during the Medvedev presidency but he returns to power amidst unresolved policy issues both domestic and international Domestically genuine civil society and grassroots democratic opposition may be emerging Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today Contributions by Alfred B Evans Jr Gregory Gleason Timothy Heleniak Kathryn Hendley Dale R Herspring Maria Lipman Jeffrey Mankoff Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov and Stephen K Wegren Russia Moves Into the Global Economy John M. Letiche,2007-06-28 Written by a world renowned scholar on a topic of enormous interest in the area of international economics this book provides the most comprehensive and up to date review of the important economic and political developments currently taking place in Russia

Russia's Foreign Energy Policy Kenan Aslanli,2023-08-31 This book examines Russia s multidimensional foreign energy policy and the emerging and ongoing conflicts with energy consuming and transit countries Russia s Foreign Energy Policy examines whether the interdependence patterns shaped through various channels such as foreign trade investment finance technology and social interactions between Russia and energy importing countries could prevent energy based conflict Drawing on semi structured expert interviews Kenan Aslanli challenges the one sided conventional wisdom that focusses on foreign policy ambitions and overlooks the peculiarities of the energy dimension Instead Aslanli highlights the complexity of contemporary energy affairs using a holistic approach that goes beyond geopolitics He examines various energy types such as crude oil natural gas and nuclear and considers a diverse range of actors which include energy companies and international organizations Using examples from Europe Asia and the Middle East Aslanli demonstrates how the Russian strategy of using energy resources as a tool or energy weapon for foreign policy goals has a diminishing return in the long run This book will be of great interest to students and scholars of energy policy foreign policy and Russian studies more broadly **Russia** Angela Black,Debbie Nevins,Oleg Torchinsky,2015-07-15 Russia is the world s largest country It has a vast history dating back more than one thousand years During its existence it has seen many wars different leaders and political confrontations Today Russia is an independent nation with many traditions Its people are diverse This book takes an in depth look at Russia and describes how it became the country it is today All books of the critically acclaimed Cultures of the World series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and

interactive activities such as creating an authentic traditional dish from an easy to follow recipe Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of Life Minerals Yearbook ,1999 *Elections during emergencies and crises* Toby S. James,Alistair Clark,Erik Asplund,2023-05-08 Elections often have to be held in emergency situations The Covid 19 pandemic was one of the most serious emergency situations that the world has seen The rapid spread of the virus presented a huge humanitarian threat but also an unparalleled challenge to electoral stakeholders globally seeking to protect electoral integrity during times of uncertainty This volume identifies how the pandemic affected electoral integrity what measures were put in place to protect elections and what worked in defending them It brings together a comprehensive set of 26 country case studies to explore how elections were affected on the ground what measures were put in place and what worked These case studies are of elections which took place in the eye of the storm when practitioners and policymakers were operating under uncertainty and without the benefit of hindsight To learn lessons in a more systematic way this volume also provides a thematic analysis of electoral integrity during the pandemic using crossnational studies This provides the big picture for policymakers practitioners and academics looking back at the crisis The volume therefore seeks to contribute towards the future development of policy and practice However it does so by using academic research methods and concepts which enable greater confidence in the policy lessons as well as contributing directly to the scholarship on democracy democratization and elections The volume includes 11 areas of recommendation based on the evidence collected in this volume to protect electoral integrity in any future emergency situation *Russia and Its Constitution* Gordon B. Smith,Robert Stewart Sharlet,2008 How is the Russian Constitution ratified in 1993 being implemented today A team of distinguished scholars assesses the promise and the realities of Russian constitutionalism in a number of critical areas Struggling Russia ,1919 Can Russia Modernise? Alena V. Ledeneva,2013-02-14 In this original bottom up account of the evolution of contemporary Russia Alena Ledeneva seeks to reveal how informal power operates Concentrating on Vladimir Putin s system of governance referred to as sistema she identifies four key types of networks his inner circle useful friends core contacts and more diffuse ties and connections These networks serve sistema but also serve themselves Reliance on networks enables leaders to mobilise and to control yet they also lock politicians bureaucrats and businessmen into informal deals mediated interests and personalised loyalty This is the modernisation trap of informality one cannot use the potential of informal networks without triggering their negative long term consequences for institutional development Ledeneva s perspective on informal power is based on in depth interviews with sistema insiders and enhanced by evidence of its workings brought to light in court cases enabling her to draw broad conclusions about the prospects for Russia s political institutions **Putin Country** Anne Garrels,2025-06-25 Short listed for the Pushkin House Russian Book Prize From the award winning author of *Naked in Baghdad* comes Anne Garrels s revealing look into the lives of ordinary Russians Putin

Country More than twenty years ago the NPR correspondent Anne Garrels first visited Chelyabinsk a gritty military industrial center a thousand miles east of Moscow The longtime home of the Soviet nuclear program the Chelyabinsk region contained beautiful lakes shuttered factories mysterious closed cities and some of the most polluted places on earth Garrels s goal was to chart the aftershocks of the U S S R s collapse by traveling to Russia s heartland Returning again and again Garrels found that the area s new freedoms and opportunities were exciting but also traumatic As the economic collapse of the early 1990s abated the city of Chelyabinsk became richer and more cosmopolitan even as official corruption and intolerance for minorities grew more entrenched Sushi restaurants proliferated so did shakedowns In the neighboring countryside villages crumbled into the ground Far from the glitz of Moscow the people of Chelyabinsk were working out their country s destiny person by person In *Putin Country* Garrels crafts an intimate portrait of Middle Russia We meet upwardly mobile professionals impassioned activists who champion the rights of orphans and disabled children and ostentatious mafiosi We discover surprising subcultures such as a vibrant underground gay community and a circle of determined Protestant evangelicals And we watch doctors and teachers trying to cope with inescapable payoffs and institutionalized negligence As Vladimir Putin tightens his grip on power and war in Ukraine leads to Western sanctions and a lower standard of living the local population mingles belligerent nationalism with a deep ambivalence about their country s direction Through it all Garrels sympathetically charts an ongoing identity crisis In the aftermath of the Soviet Union what is Russia What kind of pride and cohesion can it offer Drawing on close friendships sustained over many years Garrels explains why Putin commands the loyalty of so many Russians even those who decry the abuses of power they regularly encounter Correcting the misconceptions of Putin s supporters and critics alike Garrels s portrait of Russia s silent majority is both essential and engaging reading at a time when cold war tensions are resurgent

This is likewise one of the factors by obtaining the soft documents of this **Russia Country** by online. You might not require more grow old to spend to go to the books establishment as with ease as search for them. In some cases, you likewise pull off not discover the message Russia Country that you are looking for. It will extremely squander the time.

However below, in imitation of you visit this web page, it will be therefore agreed simple to get as competently as download lead Russia Country

It will not take many period as we accustom before. You can complete it though do something something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we offer below as with ease as review **Russia Country** what you later to read!
