John S. Harrel

Russian Hussar A Story Of The Imperial Cavalry 1911-1920:

Russian Hussar Vladimir S. Littauer, 1966 Captain Vladimir Littauer served in the Russian Imperial Cavalry from 1911 to 1920 After the revolution he escaped via Siberia and Japan to the United States This book is his autobiography from his experiences as a cadet at the Nicholas Cavalry School in St Petersburg to his commissioning in the Sumsky Hussars who celebrated their 250th anniversary in 1901 through the hard struggles of the First World War and the harder times of the revolution *Russian Hussar - a Story of the Imperial Cavalry, 1911-1920* Vladimir Littauer, 2007-05 Captain Littauer served in the Russian Imperial Cavalry from 1911 to 1920 fighting on horseback in both the First World War and the Russian Revolution With quiet humour he vividly describes a now forgotten world leaving the readers feeling as if they had lived laughed and fought alongside the author This book is indispensable for anyone interested in or studying Russia horses cavalry warfare life under the Tsar and European military history *The Imperial Russian Army in Peace, War, and Revolution, 1856-1917* Roger R. Reese, 2019-11-21 In December 1917 nine months after the disintegration of the Russian monarchy the army officer corps one of the dynasty's prime pillars finally fell a collapse that in light of World War I and the Bolshevik Revolution historians often treat as inevitable *The Imperial Russian Army in Peace War and Revolution 1856-1917* contests this assumption By expanding our view of the Imperial Russian Army to include the experience of the enlisted ranks Roger R Reese reveals that the soldiers' revolt in 1917 was more social revolution than anti-war movement and a revolution based on social distinctions within the officer corps as well as between the ranks Reese's account begins in the aftermath of the Crimean War when the emancipation of the serfs and consequent introduction of universal military service altered the composition of the officer corps as well as the relationship between officers and soldiers More catalyst than cause World War I exacerbated a pervasive discontent among soldiers at their ill treatment by officers a condition that reached all the way back to the founding of the Russian army by Peter I It was the officers' refusal to change their behavior toward the soldiers and each other over a fifty-year period Reese argues capped by their attack on the Provisional Government in 1917 that fatally weakened the officer corps in advance of the Bolshevik seizure of power As he details the evolution of Russian Imperial Army over that period Reese explains its concrete workings from the conscription and discipline of soldiers to the recruitment and education of officers to the operation of unit economies honor courts and wartime reserves Marshaling newly available materials his book corrects distortions in both Soviet and Western views of the events of 1917 and adds welcome nuance and depth to our understanding of a critical turning point in Russian history **Soviet Cavalry Operations During the Second World War** John S. Harrel, 2019-09-30 The author of *The Nisibis War* analyzes the Red Army's usage of horse-mounted units along the Soviet-German Eastern Front during World War II While the development of tanks had largely led to the replacement of cavalry in most armies by 1939 the Soviets retained a strong mounted arm In the terrain and conditions of the Eastern Front they were able to play an important role denied them elsewhere John Harrel

shows how the Soviets developed a doctrine of deep penetration using cavalry formations to strike into the Axis rear disrupting logistics and lines of communication encircling and isolating units Interestingly he also shows that this doctrine did not stem from the native cavalry tradition of the steppe but from the example of the American Civil War The American approach was copied by the Russians in WWI and the Russian Civil War refined by the Soviets in the early stages of World War Two and perfected during the last two years of the war The Soviet experience demonstrated that deep operations cavalry raids against enemy rear echelons set the conditions for victory Although the last horse mounted units disappeared in the 1950s their influence led directly to the formation of the Operational Manoeuvre Groups that ironically faced U S forces in the Cold War An expansive analysis of the technical tactical and operational employment of Soviet cavalry against the Germans and their Axis allies For practitioners who want to understand the history and development the book is a goldmine of overlooked campaigns and actions The book s dense and detailed presentation makes it valuable to operational planners and those interested in the Soviet German war ARMOR Magazine

The Great War in Russian Memory Karen Petrone,2011-07-14 Karen Petrone shatters the notion that World War I was a forgotten war in the Soviet Union Although never officially commemorated the Great War was the subject of a lively discourse about religion heroism violence and patriotism during the interwar period Using memoirs literature films military histories and archival materials Petrone reconstructs Soviet ideas regarding the motivations for fighting the justification for killing the nature of the enemy and the qualities of a hero She reveals how some of these ideas undermined Soviet notions of military honor and patriotism while others reinforced them As the political culture changed and war with Germany loomed during the Stalinist 1930s internationalist voices were silenced and a nationalist view of Russian military heroism and patriotism prevailed **Riders**

of the Apocalypse David R Dorondo,2012-05-15 Despite the enduring popular image of the blitzkrieg of World War II the German Army always depended on horses It could not have waged war without them While the Army s reliance on draft horses to pull artillery supply wagons and field kitchens is now generally acknowledged D R Dorondo s Riders of the Apocalypse examines the history of the German cavalry a combat arm that not only survived World War I but also rode to war again in 1939 Though concentrating on the period between 1939 and 1945 the book places that history firmly within the larger context of the mounted arm s development from the Franco Prussian War of 1870 to the Third Reich s surrender Driven by both internal and external constraints to retain mounted forces after 1918 the German Army effectively did nothing to reduce much less eliminate the preponderance of non mechanized formations during its breakneck expansion under the Nazis after 1933 Instead politicized command decisions technical insufficiency industrial bottlenecks and finally wartime attrition meant that Army leaders were compelled to rely on a steadily growing number of combat horsemen throughout World War II These horsemen were best represented by the 1st Cavalry Brigade later Division which saw combat in Poland the Netherlands France Russia and Hungary Their service however came to be cruelly dishonored by the horsemen of the 8th

Waffen SS Cavalry Division a unit whose troopers spent more time killing civilians than fighting enemy soldiers Throughout the story of these formations and drawing extensively on both primary and secondary sources Dorondo shows how the cavalry's tradition carried on in a German and European world undergoing rapid military industrialization after the mid nineteenth century And though Riders of the Apocalypse focuses on the German element of this tradition it also notes other countries continuing and in the case of Russia much more extensive use of combat horsemen after 1900 However precisely because the Nazi regime devoted so much effort to portray Germany's armed forces as fully modern and mechanized the combat effectiveness of so many German horsemen on the battlefields of Europe until 1945 remains a story that deserves to be more widely known Dorondo's work does much to tell that story **Grand Duke Nikolai Nikolaevich** Paul

Robinson,2014-08-15 Grand Duke Nikolai Nikolaevich Romanov 1856 1929 was a key figure in late Imperial Russia and one of its foremost soldiers At the outbreak of World War I his cousin Tsar Nicholas II appointed him Supreme Commander of the Russian Army From 1914 to 1915 and then again briefly in 1917 he was commander of the largest army in the world in the greatest war the world had ever seen His appointment reflected the fact that he was perhaps the man the last Emperor of Russia trusted the most At six foot six the Grand Duke towered over those around him His fierce temper was a matter of legend However as Robinson's vivid account shows he had a more complex personality than either his supporters or detractors believed In a career spanning fifty years the Grand Duke played a vital role in transforming Russia's political system In 1905 the Tsar assigned him the duty of coordinating defense and security planning for the entire Russian empire When the Tsar asked him to assume the mantle of military dictator the Grand Duke instead of accepting persuaded the Tsar to sign a manifesto promising political reforms Less opportunely he also had a role in introducing the Tsar and Tsarina to the infamous Rasputin A few years after the revolution in 1917 the Grand Duke became de facto leader of the Russian migr community Despite his importance the only other biography of the Grand Duke was written by one of his former generals in 1930 a year after his death and it is only available in Russian The result of research in the archives of seven countries this groundbreaking biography the first to appear in English covers the Grand Duke's entire life examining both his private life and his professional career Paul Robinson's engaging account will be of great value to those interested in World War I and military history Russian history and biographies of notable figures Cavalry from Hoof to Track Roman

Jarymowycz,2007-12-30 For centuries mounted cavalry dominated the battlefield through shock and mobility Man maintained a symbiotic relationship with the horse which became particularly sacrosanct on the battlefield and even created a new exalted social class These mounted warriors sought to preserve their prestige despite the advent of new technologies threatening to render them obsolete In Cavalry from Hoof to Track Roman Jarymowycz traces the evolution of the cavalry from the warhorse to the armored tank and demonstrates how its survival is a history of determined and creative responses to the changing dynamics of modern warfare Ultimately he argues the very concept of cavalry exists as its own state of mind

The cavalry and its doctrine are misunderstood and its tactics and operations remain a mystery for many civilians. New technology and the increased integration of the armed forces create the illusion that the cavalry no longer exists as a distinct military entity and philosophy. Jarymowycz clarifies these misconceptions by offering a comprehensible overview while explaining military terminology and outlining basic cavalry principles. The book concludes by suggesting how the cavalry will continue to evolve in response to contemporary third world conflicts, perhaps even reverting to its original tactical role of close quarter combat.

It has a massive library of free downloadable books. Free-eBooks Russian Hussar A Story Of The Imperial Cavalry 19111920 Offers a diverse range of free eBooks across various genres. Russian Hussar A Story Of The Imperial Cavalry 19111920 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russian Hussar A Story Of The Imperial Cavalry 19111920 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russian Hussar A Story Of The Imperial Cavalry 19111920, especially related to Russian Hussar A Story Of The Imperial Cavalry 19111920, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russian Hussar A Story Of The Imperial Cavalry 19111920, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russian Hussar A Story Of The Imperial Cavalry 19111920 books or magazines might include. Look for these in online stores or libraries. Remember that while Russian Hussar A Story Of The Imperial Cavalry 19111920, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russian Hussar A Story Of The Imperial Cavalry 19111920 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russian Hussar A Story Of The Imperial Cavalry 19111920 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Hussar A Story Of The Imperial Cavalry 19111920 eBooks, including some popular titles.

FAQs About Russian Hussar A Story Of The Imperial Cavalry 19111920 Books

What is a Russian Hussar A Story Of The Imperial Cavalry 19111920 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Hussar A Story Of The Imperial Cavalry 19111920 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Hussar A Story Of The Imperial Cavalry 19111920 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Hussar A Story Of The Imperial Cavalry 19111920 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Hussar A Story Of The Imperial Cavalry 19111920 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
