Walter G. Moss

Russian Pulp The Detektiv And The Way Of Russian Crime:

Russian Pulp Anthony Olcott, 2001-10-09 The detektiv Russia's version of the murder mystery has conquered what in Soviet days loved to call itself the most reading nation on earth. Most Russians don't read much Tolstoy but they devour the lurid covers and cheap paper of the detektivs by the millions. Serials based on the works of two of the most popular authors, Andrei Kivinov and Aleksandra Marinina, have been hits of the last few TV seasons; their characters now a part of Russian everyday life. The ubiquity of the detektiv may puzzle Westerners who may conclude that this is a post-Soviet import like McDonalds. Not so: Russia sprouted its own versions of penny dreadfuls as soon as peasants came off the land and learned to read. The guardians of Russia's high culture, however, were enraged by this pulpy popular genre and so contrived under the Soviets to suppress it, making everyone read improving and uplifting literature instead. Russia's junk readers hung on, though, snatching up the few detektivs that made their way through censorship until, in the Gorbachev era, the genre blossomed as the perfect vehicle for social criticism: the detektiv talked about social problems in a way that was exciting enough that people wanted to read it. When the Soviet Union finally collapsed, one of the few things left standing in the rubble was the detektiv, which now is sold on every street corner and read on every bus. The first full-length study of the genre, *Russian Pulp* demonstrates that the detektiv is no knock-off. Summarizing and quoting extensively from scores of novels, this study shows that Russians understand law-breaking and crime, policemen and criminals in ways wholly different from those of the West. After explaining why solving a crime is always a social function in Russia, *Russian Pulp* examines the staples of crime fiction: sex, theft, and murder, to demonstrate that Russians see police officer and criminal, thief and victim as part of a single continuum. To the Russians

Russian Pulp Anthony Olcott, 2001 The detektiv Russia's version of the murder mystery has conquered what in Soviet days loved to call itself the most reading nation on earth. Most Russians don't read much Tolstoy but they devour the lurid covers and cheap paper of the detektivs by the millions. Serials based on the works of two of the most popular authors, Andrei Kivinov and Aleksandra Marinina, have been hits of the last few TV seasons; their characters now a part of Russian everyday life. The ubiquity of the detektiv may puzzle Westerners who may conclude that this is a post-Soviet import like McDonalds. Not so: Russia sprouted its own versions of penny dreadfuls as soon as peasants came off the land and learned to read. The guardians of Russia's high culture, however, were enraged by this pulpy popular genre and so contrived under the Soviets to suppress it, making everyone read improving and uplifting literature instead. Russia's junk readers hung on, though, snatching up the few detektivs that made their way through censorship until, in the Gorbachev era, the genre blossomed as the perfect vehicle for social criticism: the detektiv talked about social problems in a way that was exciting enough that people wanted to read it. When the Soviet Union finally collapsed, one of the few things left standing in the rubble was the detektiv, which now is sold on every street corner and read on every bus. The first full-length study of the genre, *Russian Pulp* demonstrates that the detektiv is no knock-off. Summarizing and quoting extensively from scores of novels

this study shows that Russians understand law breaking and crime policemen and criminals in ways wholly different from those of the West After explaining why solving a crime is always a social function in Russia Russian Pulp examines the staples of crime fiction sex theft and murder to demonstrate that Russians see police officer and criminal thief and victim as part of a single continuum To the Russians both chased and chaser are products of human imperfection separated from one another only by the imperfect laws of human creation What both criminal and policeman seek but seldom find is the much rarer quality of justice Russian Pulp is intended for all students of Russia from those making first acquaintance to those who have worked for years to understand this puzzling country and its people Using the detektiv and its counterpart the many mysteries and thrillers set in Russia but written by Westerners as evidence Russian Pulp demonstrates that Russians and Westerners view the basic issues of crime guilt justice law and redemption in such fundamentally different ways as to make each people incomprehensible to the other At the same time however Russian Pulp also demonstrates that Westerners and Russians alike share a passion for literary gore pulp fiction thrills and the deep furtive pleasures of junk fiction

Russian Literary Culture in the Camera Age Stephen Hutchings, 2004-06-02 This book explores how one of the world's most literary oriented societies entered the modern visual era beginning with the advent of photography in the nineteenth century focusing then on literature's role in helping to shape cinema as a tool of official totalitarian culture during the Soviet period and concluding with an examination of post Soviet Russia's encounter with global television As well as pioneering the exploration of this important new area in Slavic Studies the book illuminates aspects of cultural theory by investigating how the Russian case affects general notions of literature's fate within post literate culture the ramifications of communism's fall for media globalization and the applicability of text image models to problems of intercultural change

[Encyclopaedia of Contemporary Russian](#) Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 The Encyclopedia is an invaluable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

[Western Crime Fiction Goes East](#) Boris Dralyuk, 2012-09-06 This book examines the staggering popularity of early twentieth century Russian detective serials Traditionally maligned as Pinkertonovshchina these appropriations of American and British detective stories featuring Nat Pinkerton Nick Carter Sherlock Holmes Ethel King and scores of other sleuths swept the Russian reading market in successive waves between 1907 and 1917 and famously experienced a red resurgence in the 1920s under the aegis of Nikolai Bukharin The book presents the first holistic view of Pinkertonovshchina as a phenomenon and produces a working model of

cross cultural appropriation and reception The red Pinkerton emerges as a vital missing link between pre and post Revolutionary popular literature and marks the fitful start of a decades long negotiation between the regime the author and the reading masses

Other Russias B. Baer, 2009-04-13 This book examines the unprecedented explosion of homosexual discourse in post Soviet Russia and details how homosexuality has come to signify a surprising and often contradictory array of uniquely post Soviet concerns

Overkill Eliot Borenstein, 2011-05-02 Perestroika and the end of the Soviet Union transformed every aspect of life in Russia and as hope began to give way to pessimism popular culture came to reflect the anxiety and despair felt by more and more Russians Free from censorship for the first time in Russia's history the popular culture industry publishing film and television began to disseminate works that featured increasingly explicit images and descriptions of sex and violence In *Overkill* Eliot Borenstein explores this lurid and often disturbing cultural landscape in close imaginative readings of such works as *You're Just a Slut My Dear Ty prosto shliukha dorogaia* a novel about sexual slavery and illegal organ harvesting the *Nympho* trilogy of books featuring a Chechen fighting sex addict and the *Mad Dog* and *Antikiller* series of books and films recounting respectively the exploits of the Russian Rambo and an assassin killing in the cause of justice Borenstein argues that the popular cultural products consumed in the post perestroika era were more than just diversions they allowed Russians to indulge their despair over economic woes and everyday threats At the same time they built a notion of nationalism or heroism that could be maintained even under the most miserable of social conditions when consumers felt most powerless For Borenstein the myriad depictions of deviance in pornographic and also detective fiction with their patently excessive and appalling details of social and moral decay represented the popular culture industry's response to the otherwise unimaginable scale of Russia's national collapse The full sense of collapse he writes required a panoptic view that only the media and culture industry were eager to provide amalgamating national collapse into one master narrative that would then be readily available to most individuals as a framework for understanding their own suffering and their own fears

State Building in Putin's Russia Brian D. Taylor, 2011-02-21 This book argues that Putin's strategy for rebuilding the state was fundamentally flawed Taylor demonstrates that a disregard for the way state officials behave toward citizens state quality had a negative impact on what the state could do state capacity Focusing on those organizations that control state coercion what Russians call the power ministries Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin Drawing on extensive field research and interviews as well as a wide range of comparative data the book reveals the practices and norms that guide the behavior of Russian power ministry officials the so called siloviki especially law enforcement personnel By examining siloviki behavior from the Kremlin down to the street level *State Building in Putin's Russia* uncovers the who where and how of Russian state building after communism

The Oxford Handbook of the Russian Novel Julie A. Buckler, Justin Weir, 2025 The Oxford Handbook of the Russian Novel brings together top specialists in Russian literature to treat the Russian novel from the late

18th to the 21st century using a range of interpretive perspectives The Russian novel is a distinctive tradition by virtue of its formal eccentricities as well as the boldness with which these works approached the most complex philosophical political and moral questions This Handbook treats well known works and authors but also explores the much broader tradition of the Russian novel up to the present The essays in the Handbook provide cultural and historical perspectives on the Russian novel as well as showcasing emergent modes of analysis including postcolonialism ecocriticism and posthumanism

American Crime Fiction Peter Swirski, 2016-07-15 Peter Swirski looks at American crime fiction as an artform that expresses and reflects the social and aesthetic values of its authors and readers As such he documents the manifold ways in which such authorship and readership are a matter of informed literary choice and not of cultural brainwashing or declining literary standards Asking in effect a series of questions about the nature of genre fiction as art successive chapters look at American crime writers whose careers throw light on the hazards and rewards of nobrow traffic between popular forms and highbrow aesthetics Dashiell Hammett John Grisham William Faulkner Ernest Hemingway Raymond Chandler Ed McBain Nelson DeMille and F Scott Fitzgerald

The Cambridge Introduction to Russian Literature Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature

Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each

chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

Russian Literature, 1995-2002 N. N. Shneidman, 2004-01-01 Despite the many challenges besetting it Shneidman argues convincingly that literary activity in Russia continues to be dynamic and vibrant

Magic, Magicians and Detective Fiction Rebecca Josephy, 2025-01-13 Magic and especially performance magic has been a part of crime fiction since its inception both art forms surged in popularity in Western Europe in the second half of the nineteenth century and influenced each other in profound ways This collection of essays provides an in depth look at this phenomenon and covers a variety of writers across multiple languages cultures and traditions as well as multiple subgenres Victorian autobiography classic detective tales pulp fiction fantasy mystery etc From historical studies examining the rise in popularity of magician narratives in mystery and detective fiction to essays documenting the number of professional magicians who double as crime fiction writers to theoretical studies analyzing the narrative and functional overlap between illusion prestidigitation and literary criminals and detectives this collection of essays provides readers with a range of perspectives and approaches from a variety of scholarly backgrounds

All Roads Lead to the American City Peter Swirski, 2007-04-01 All Roads Lead to the American City provides an original view of the urban culture in America seen through its irrevocable ties with the cities and roads Examining the history cinema literature cultural myths and social geography of the United States the book puts some of the greatest as well as the baddest American cities under the microscope Taking the role of the roads that crisscross and connect the cities as their shared point of reference these essays explore ways to understand the people who live commute work create govern commit crime and conduct business in them Cities for the most part are America Their values and problems define not only what the United States is but what other nations perceive the United States to be Roads and transportation on the other hand and their impact on the American culture and lifestyle form not only the integral part of the historical rise and shine of the modern city but a physical release from and a cultural antidote to its pressure cooker stresses Tracing the boundless variety and complexity of these twin themes All Roads Lead to the American City is built around an interlinked series of essays on the urban culture in America Juxtaposing the city and the road it looks alternatively at cities as historical geographical social and cultural centres of life in the land and at roads as physical as well as metaphorical arteries that lead in and out of the city

The New Russian Book Birgitte Beck Pristed, 2017-08-01 This book takes up the obtrusive problem of visual representation of fiction in contemporary Russian book design By analyzing a broad variety of book covers the study offers an absolutely unique material that illustrates a radically changing notion of literature in the transformation of Soviet print culture to a post Soviet book market It delivers a profound and critical exploration of Russian visual imaginary of classic popular and contemporary prose Among all the carelessly bungled covers of mass published post Soviet series the study identifies gems from experimental designers By taking a comparative approach to the clash of two formerly separate book cultures the Western and the Soviet that results both in a mixture of highbrow and

lowbrow forms and in ideological re interpretations of the literary works this book contributes to opening an East West dialogue between the fields of Russian studies contemporary book and media history art design and visual studies

Russian Television Today David MacFadyen, 2007-08-07 Examining the role of dramatized narratives in Russian television this book stresses the ways in which the Russian government under Putin uses primetime television to express a new understanding of what it means to be Russian It relates the critical issues in contemporary Russian television to broader social and political developments in Russian society

The Patriotism of Despair Serguei Alex. Oushakine, 2011-02-23 The sudden dissolution of the Soviet Union altered the routines norms celebrations and shared understandings that had shaped the lives of Russians for generations It also meant an end to the state sponsored nonmonetary support that most residents had lived with all their lives How did Russians make sense of these historic transformations Serguei Alex Oushakine offers a compelling look at postsocialist life in Russia In Barnaul a major industrial city in southwestern Siberia that has lost 25 percent of its population since 1991 many Russians are finding that what binds them together is loss and despair The Patriotism of Despair examines the aftermath of the collapse of the Soviet Union graphically described in spray paint by a graffiti artist in Barnaul We have no Motherland Once socialism disappeared as a way of understanding the world what replaced it in people s minds Once socialism stopped orienting politics and economics how did capitalism insinuate itself into routine practices Oushakine offers a compelling look at postsocialist life in noncosmopolitan Russia He introduces readers to the neocoms people who mourn the loss of the Soviet economy and the remonetization of transactions that had not involved the exchange of cash during the Soviet era Moving from economics into military conflict and personal loss Oushakine also describes the ways in which veterans of the Chechen war and mothers of soldiers who died there have connected their immediate experiences with the country s historical disruptions The country the nation and traumatized individuals Oushakine finds are united by their vocabulary of shared pain

Russian Literature since 1991 Evgeny Dobrenko, Mark Lipovetsky, 2015-11-12 An international team of leading experts provide the first comprehensive account of post Soviet Russian literature
