Campion,2015-03-12 Eleven papers extend discussion of the role and importance of the landscape and the wider environment to past societies and to the understanding and interpretation of their material remains into consideration of the significance of the celestial environment the skyscape The role of the sky for past societies has been relegated to the fringes of archaeological discourse Nevertheless archaeoastronomy has developed a new rigour in the last few decades and the evidence suggests that it can provide insights into the beliefs practices and cosmologies of past societies Skyscapes explores the current role of archaeoastronomical knowledge in archaeological discourse and how to integrate the two It shows how it is not only possible but even desirable to look at the skyscape to shed further light on human societies This is achieved by first exploring the historical relationship between archaeoastronomy and academia in general and with archaeology in particular The volume continues by presenting case studies that either demonstrate how archaeoastronomical methodologies can add to our current understanding of past societies their structures and beliefs or how integrated approaches can raise new questions and even revolutionise current views of the past Twelve Doorways of Light: a Portal to Your God-Self

Press Forward in Christ: Finding Greater Access to the Savior's Grace in Troubled Times Christopher R. Greenwood, Mark D. Mason,2023-03-04 What does it mean to be truly converted to Jesus Christ To endure to the end Mortal life is full of trials and temptations that can challenge our faith and impede our progress to return to our Heavenly Father s presence It s easy to become discouraged frustrated or unmotivated when faced with what can feel like an impossible journey

But it's important to remember that the Lord does not demand or expect perfection in this life. All He asks is that we press forward in His name and find the strength to take the next step. Drawing from the teachings of the Savior, revelation from modern prophets and personal anecdotes, authors Christopher R. Greenwood and Mark D. Mason guide you through gospel resources to strengthen your resolve and empower your understanding of Christ's Atonement. In *Press Forward in Christ*, you will find the strength to continue the struggle toward God even when faced with adversity, overcome mortal failings and continue forward with your faith intact, become truly converted in the Lord and willingly accept His guidance. The way may be strait and narrow, but through trust in our Savior's glory and the determination to press forward, we can endure life's challenges faithfully and find lasting eternal joy. **Kaandossiwin, 2nd Edition** Kathleen E. Absolon

(Minogizhigokwe), 2022-05-31T00:00:00Z. Indigenous methodologies have been silenced and obscured by the Western scientific means of knowledge production. In a challenge to this colonialist rejection of Indigenous knowledge, Anishinaabe researcher Kathleen Absolon describes how Indigenous researchers re-theorize and re-create methodologies. Indigenous knowledge resurgence is being informed by taking a second look at how research is grounded. Absolon consciously adds an emphasis on *re* with a hyphen as a process of recovery of Kaandossiwin and Indigenous research. Understanding Indigenous methodologies as guided by Indigenous paradigms, worldviews, principles, processes and contexts, Absolon argues that they are wholistic, relational, inter-relational and interdependent with Indigenous philosophies, beliefs and ways of life. In exploring the ways Indigenous researchers use Indigenous methodologies within mainstream academia, Kaandossiwin renders these methods visible and helps to guard other ways of knowing from colonial repression. This second edition features the author's reflections on her decade of research and teaching experience since the last edition, celebrating the most common student questions, concerns and revelations. **Chakras for Beginners** Athena Perrakis, 2024-06-18
