Sadie's Secret Barbara D. Hall,Jon C. Hall,2007-12-26 This book is the fictional story of one mans journey from agnostic concerning unusual phenomena into the realm of belief in the existence of the Big Foot in the swamps of West Florida Inspired by the natural beauty of present day Myakka River State Park not far from Sarasota Florida the story deals with human vulnerability to belief and how our natural propensity to adopt beliefs without scientific proof of their validity can be manipulated and used by others for their own purposes The story is mostly seen through the eyes of Mike Byrne a member of the local Palmetto County Historical Society as he volunteers to interview the oldest known citizen of the county Sadie Sutton He gradually becomes convinced there is more to her distant past than what she is willing to disclose for the society records He becomes open to the ideas of the speaker at a presentation sponsored by the local Almas Association where his suspicions quickly evolve into the belief that Sadie carries the blood of the DeBosi in her veins As he struggles with his desire to prove his belief is true Mike is drawn into the carefully structured snare of those who seek to use his belief for their own purposes In this story the end justifies the means in the name of a

noble cause and the swamp where Sadie has lived all her life is preserved However there is concern that belief once encouraged and nurtured may put in motion forces that will destroy the objectives of those who seek to take advantage of others Jon C Hall **Little Dorrit is a novel by Charles Dickens.ILLUSTRATED** Charles Dickens,2019-01-31 Ten year old Sadie Meadows is reading in bed on New Year s Eve when she notices an unopened present beneath her window She finds it contains a book called The World from Your Bedroom There and Back Again but when she opens it up and begins to read she is disappointed to see it is nothing more than a travel book packed with pages detailing hundreds of places across the world She reads the first page then puts the book down just as sleep claims her at the instant that the New Year arrives She awakes to find that instead of being in her bedroom at home in Skipton somehow she has been transported to Ireland the location that she had just read about in the book There follow a series of adventures each set in a different location as Sadie finds herself travelling across the globe as she attempts to get back home again This month sees her continuing her journeys across the continent of Africa **Love's Encore** Kathleen Ann Gallagher,2022-09-12 Sadie Layne a creative and motivated high school drama teacher is grateful for second chances After surviving breast cancer she embarks on a celebratory trip to LA with her two best friends Sadie never expected to run into the handsome and charming Vince De Carlo in the hotel lobby She hasn t seen Vince much since they worked together in a theater company years ago Their meeting interrupts her plans and reminds her of the life she left behind Vince a struggling actor and cover model is in LA to promote a television pilot His old attraction to Sadie is stronger than ever He never forgot her even though a trusted friendship and a scripted kiss was all they d shared The reunited pair give in to temptation but reality soon collides with lust as strong doubts about their blossoming romance get in the way Sadie dreads facing her defeat as an actress and Vince doesn t think a struggling actor like himself is capable of providing the accomplished teacher with what she deserves Will the couple find a way to keep their sizzling romance alive and build a future together Or will their uncertainty win the lead role and smother the flames
