The 2nd Brigade LRRP's made history. **Long-range Reconnaissance Patrol Company** United States. Department of the Army, 1968. **Long Range Reconnaissance Patrols** Floyd J. Walters (Jr.), 1969. Problem To determine whether the infantry division should have an organic long range reconnaissance patrol company. Infantry Division Long Range Reconnaissance Patrol John W. Walden, 1968. Problem To determine the organization and missions that would be appropriate for a long range reconnaissance patrol LRRP unit at infantry division level. *Professional Journal of the United States Army*, 1984. Long-range Patrol Operations James Warren England, 1987-01-01. **Soul Patrol** Ed Emanuel, 2007-12-18. LRRPs had to be the best. Anything less meant certain death. When Ed Emanuel was handpicked for the first African American special operations LRRP team in Vietnam he knew his six man team couldn't have asked for a tougher proving ground than Cu Chi in the summer of 1968. Home to the largest Viet Cong tunnel complex in Vietnam Cu Chi was the deadly heart of the enemy's stronghold in Tay Ninh Province. Team 2-6 of Company F 51st Infantry was quickly dubbed the Soul Patrol, a gimmicky label that belied the true depth of their courage. Stark and compelling Emanuel's account provides an unforgettable look at the horror and the heroism that became the daily fare of LRRPs in Vietnam. Every mission was a tightrope walk between life and death as Emanuel's team penetrated NVA bases, sidestepped lethal booby traps or found themselves ambushed and forced to fight their way back to the LZ to survive. Emanuel's gripping memoir is an enduring testament to the valor of all American LRRPs who courageously risked their lives so that others might be free. **Shadow Warriors** Mir Bahmanyar, 2011-09-20. No American military unit can claim as colorful and volatile a history as the Rangers who have led the way in America's wars for well over 300 years. This book traces the Rangers from the time of Robert Rogers during the French Indian War of the 18th century to the most recent combat operations in Iraq. With a focus on today's Army Rangers who combine the rugged individualism of American frontiersmen with the finely honed ability to operate as a close knit team wreaking havoc behind enemy lines, this fascinating volume incorporates many first hand accounts of dramatic Ranger actions by the combatants themselves. Combat Training of the Individual Soldier and Patrolling United States. Department of the Army, 1962. Military Review, 1987. Lrrp James Borman, Jay Borman, 2013-04-01. **Rifle Company, Infantry and Airborne Battle Groups** United States. Department of the Army, 1962. **Army Lineage Series** Military History Office, 1972. **Bonding of Warriors** (Compiled by) Bob Hernandez, 2014-08-18. They were men who were just the best at what they did. They had to have patience and a good instinct for survival in the type of covert warfare we were involved in. They also had to have the ability to accept danger and hardship without succumbing to the stress that went along with it. They were good at what they did and they liked it. Surprise Attack Larry Hancock, 2016-09-13. Surprise Attack explores sixty plus years of military and terror threats against the United States. It examines the intelligence tools and practices that provided warnings of those

attacks and evaluates the United States responses both in preparedness and most importantly the effectiveness of our military and national command authority Contrary to common claims the historical record now shows that warnings often very solid warnings have preceded almost all such attacks both domestic and international Intelligence practices developed early in the Cold War along with intelligence collection techniques have consistently produced accurate warnings for our national security decision makers Surprise Attack traces the evolution and application of those practices and explores why such warnings have often failed to either interdict or intercept actual attacks Going beyond warnings Surprise Attack explores the real world performance of the nation s military and civilian command and control history exposing disconnects in the chain of command failures of command and control and fundamental performance issues with national command authority America has faced an ongoing series of threats from the attacks on Hawaii and the Philippines in 1941 through the crises and confrontations of the Cold War global attacks on American personnel and facilities to the contemporary violence of jihadi terrorism With a detailed study of those threats the attacks related to them and America s response a picture of what works and what doesn t emerges The attacks have been tragic and we see the defensive preparations and response often ineffective Yet lessons can be learned from the experience Surprise Attack represents a comprehensive effort to identify and document those lessons

**Marine Rifle Company/platoon** United States. Marine Corps,1965 *Reflections Revisited* Reuben H. Siverling,2017-01-09 As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised
