Forever Is Still a Long, Long Time Jean Summit-Riker, 2012-09-19 While the circumstances of our lives may not be the same we are much more alike than different Most of us are not celebrities living the lifestyle of the rich and famous instead we go to work each day seek to have loving relationships raise families and ask to be blessed with health happiness and the fulfillment of our dreams Often one day passes into what seems like just another ordinary day December 16 1996 began like any other day for me I kissed my husband goodbye and left for work It ended in hearing the unthinkable later that evening when two detectives spoke the words Mrs Summit we are sorry to inform you that your husband has been killed in a plane crash There must be some mistake was all I could scream but my mind whirled It can't be true Kenny my husband of thirty one years my childhood sweetheart since I was thirteen the father of my two children can't be dead They have made a mistake I know they've made a mistake We're sorry Mrs Summit but there is no mistake My knees went weak and my world imploded landing like shards of glass at my feet Kenny's death left me grief stricken and devastated It left me helpless hopeless and terrified in an unknown new world One filled with tears pain and panic with no job no income and no idea of how I would support myself my children and my home A place that I wasn't sure I wanted to go on living in But it also left me in a world where I would experience the extra ordinary and intimately come to know and trust a divine guidance that illuminated my path and shared a knowledge with me beyond that which we can see taste or touch a knowledge that love lasts forever that joy and happiness are a choice and that I would be the one to choose This inspirational non fiction memoir will take you with me on a journey from loss to self discovery into a world where you will find situations that are similar in your life and learn to view them through a new empowering perspective Along the way you will laugh cry cheer and be shown the resilience of the human experience It will restore your hope and renew your faith in a Higher Power by whatever name you choose to give it a Source Energy that guides and teaches us life's lessons along the way You will experience love and the eternal ties that bind us as a Universal Family and come to understand that synchronicity and coincidence are all part of a bigger picture Throughout the journey you will be reminded that your dreams are just waiting for you to believe they can come true But most of all you will realize that life goes on and Forever Is Still a Long Long Time Author Bio Jean Summit Riker is a consulting hypnotist life coach motivational speaker Reiki Master and a Certified Laughter Leader She has a private practice in Patchogue New York where she works with business owners professional people and individuals helping them eliminate the false illusions and defeating beliefs they have of themselves She teaches them how to tap into the genius potential and become conscious creators of the joy happiness business and personal success that is within them waiting to be set free She works with issues of grief weight management stress reduction smoking cessation as well as increasing self esteem and empowerment She does teleseminar workshops and seminars along with individual private and telephone sessions keywords Inspirational Non Fiction Memoir Celebrity Love Happiness Death Grief Loss Self Discovery **The Role**

You Can't Go Home Again Thomas Wolfe, 2011-10-11 Now available from Thomas Wolfe's original publisher the final novel by the literary legend that will stand apart from everything else that he wrote The New York Times Book Review first published in 1940 and long considered a classic of twentieth century literature A twentieth century classic Thomas Wolfe's magnificent novel is both the story of a young writer longing to make his mark upon the world and a sweeping portrait of America and Europe from the Great Depression through the years leading up to World War II Driven by dreams of literary success George Webber has left his provincial hometown to make his name as a writer in New York City When his first novel is published it brings him the fame he has sought but it also brings the censure of his neighbors back home who are outraged by his depiction of them Unsettled by their reaction and unsure of himself and his future Webber begins a search for a greater understanding of his artistic identity that takes him deep into New York's hectic social whirl to London with an uninhibited group of expatriates and to Berlin lying cold and sinister under Hitler's shadow He discovers a world plagued by political uncertainty and on the brink of transformation yet he finds within himself the capacity to meet it with optimism and a renewed love for his birthplace He is a changed man yet a hopeful one awake to the knowledge that one can never fully go back home to your family back home to your childhood away from all the strife and conflict of the world back home to the old forms and systems of things which once seemed everlasting but which are changing all the time
