It is time for him to be betrothed to a young woman whom his father approves of. And he longs for a wife he can love forever. There is no shortage of candidates who would like to have him as their husband. His father is one of the wealthiest men in the village of Eastwatch by the Rising of the Little Dan, and Gidon is considered not only strong but handsome as well. Except for a gap of three hundred years, Gidon's family has a long history in the village. The forefathers of Gidon had traditionally been foresters, and he wished for nothing else for himself. His dream was of a loving wife and a life spent enjoying the forests, which would also provide his living. But this was not to be. An event that happened the year before our story begins would change his life. It would draw the attention of the chief of the Long Knives, and he would promise Gidon nothing more than an interesting life, provided he lived long enough. What would follow would be a series of events that proved the value of the education he had received from Bishop Elisha during the snowed-in winters of his brief childhood. He would encounter the leviathan and the sabretooth, the giant and the witch, all the while increasingly seeing the superiority of the Invisible God over the pagan beliefs that once ruled Aleman, his native land. Gidon's deeds will affect the lives of many people, but always his unfulfilled desire is to get back to Getrudis, the girl whose protector he had become when they met. *Library of Congress Subject Headings* Library of Congress, 2011. *Library of Congress Subject Headings* Library of Congress. School is

back in session in Penns River which means it's football season in Western Pennsylvania. The Penns River team is loaded after a few substandard campaigns and the town is so revved up a new gambling ring opens to allow PR supporters to put their money where their hearts are. The entrepreneur responsible has no idea how to set point spreads and nowhere to look for help. It's not like Vegas handles small town high school football games. The vast majority of money put down is on the locals who bet against their own kid or the one next door and the team covers all the spreads. The cash paid to winners far exceeds what the operation takes in. Only organized crime offers loans to cover the shortfall which opens the door to a whole new world of problems including murder. If only this was the only problem facing detective Ben Doc Dougherty and his fellow police officers but a motorcycle gang is solidifying its position in town. A civilian ride along sparks controversy and an official complaint that reopens an old wound for the department. A baby shower turns violent. A routine investigation leads to signs of possible police corruption. Doc's cousin Chicago based private investigator Nick Forte, a man not prone to leaving things as he found them, comes to town to visit his parents. Welcome to Penns River where incomes rarely increase and crime rarely decreases. This would be bad enough if it were the same old crimes but the changing criminal landscape constantly demands more from a police department in transition.

Critical Acclaim for *The Spread* Dana King writes in a gritty crime noir style with a modern flair all his own. His books grab you from the first page and don't let you go. Terrence McCauley award winning author of thrillers, crime and westerns. Readers who like police procedurals will love Dana King's *The Spread* the latest in his Penns River Crime series and they will have to know page after page what happens next. G. Miki Hayden Writers Digest mystery and thriller writing instructor and author of *How to Write the Mystery*. If Joseph Wambaugh and Ed McBain adopted a child and raised him in the 87th Precinct that kid would grow up to be Dana King. *The Spread* is a joy for people who love to watch police work and hear cops talk. Tim O'Mara author of the Raymond Donne series and creator of *Murder in Halifax*. Dana King is an attentive student of the crime novel who knows the formula how to end a chapter with a cliff hanger how to write snappy wise cracking dialogue when to introduce intriguing and quirky characters and to surprise the reader with a plot twist. If you enjoy crime fiction but want something a bit more challenging and in my opinion much more inventive and artful this is the novel for you. *The Spread* will broaden your notion of what a crime novel can do. Ron Cooper author of *All My Sins Remembered*. Bad things are happening in Penns River PA. A dedicated patrolman is charged with sexual assault and the mob has a bookie taking bets on local high school football games. Within days the high school football coach has been beaten nearly to death and the bookie has been murdered. Dedicated Detective Sergeant Doc Dougherty of the Penns River Police Force is tasked with straightening out this monumental mess. Will he choose to do the right thing? Dana King's new police procedural *The Spread* answers this pressing question.
