**The Long Walk to Freedom** Devon W. Carbado, 2012-08-21 In this groundbreaking compilation of first person accounts of the runaway slave phenomenon editors Devon W Carbado and Donald Weise have recovered twelve narratives spanning eight decades more than half of which have been long out of print Told in the voices of the runaway slaves themselves these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives providing a brief yet comprehensive history of slavery as well as a look into the daily life of a slave Divided into four categories running away for family running inspired by religion running by any means necessary and running to be free these stories are a testament to the indelible spirit of these remarkable survivors The Long Walk to Freedom presents excerpts from the narratives of well known runaway slaves like Frederick Douglass and Harriet Jacobs as well as from the narratives of lesser known and virtually unknown people Several of these excerpts have not been published for more than a hundred years But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power often challenging many of the common

assumptions about slaves lack of agency Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown who with a white abolitionist s help shipped himself in a box over a twenty seven hour train ride part of which he spent standing on his head to freedom in Philadelphia And there s the story of William and Ellen Craft who fled across thousands of miles with Ellen who was light skinned disguised as a white male slave owner so she and her husband could achieve their dream of raising their children as free people Gripping inspiring and captivating *The Long Walk to Freedom* is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights Long Walk to Freedom Nelson Mandela,1994 *The Illustrated Long Walk to Freedom* Nelson Mandela,1996-11 *Long Walk to Freedom* Nelson Mandela,Chris Van Wyk,2010 About the Book The official picture book edition of Nelson Mandela s internationally bestselling autobiography Nelson Mandela is a true hero of our times loved and admired across the globe This book tells the story of his life from his carefree days as an ordinary village boy to his unflinching leadership of the ANC the long years in prison and his eventual freedom and extraordinary elevation to President of South Africa Nelson Mandela born into South Africa s Thembu tribe to a chief who taught him bravery and a wise mother who taught him kindness learned at an early age that white people ruled the country and controlled virtually all the wealth Named Rolihlahla or troublemaker Mandela grew up in an extended family that believed in the power of education and he ultimately completed a bachelor s degree and studied law True to his moniker Mandela did stir up plenty of trouble in his decades long struggle to end South Africa s oppressive system of racial apartheid Angry that the country s institutionalized form of discrimination left most black people living in poverty while whites enjoyed a comfortable standard of living Mandela and his collaborators formed the African National Congress ANC Youth League and they organized numerous non violent protests When the government responded with violence in 1960 the ANC s strategy became more drastic leading just a few years later to the arrest of several ANC leaders including Mandela Mandela spent 27 years in prison more than half of which he served at Robben Island under very basic conditions that involved hard labor and virtually no contact with the outside world Following growing international pressure the South African government finally released Mandela from prison in 1990 He was awarded the Nobel Peace Prize in 1993 and a year later became South Africa s President in the country s first multiracial election As an abridged version of Mandela s autobiography *Long Walk to Freedom* makes these incredible events accessible to younger readers in an engaging and interesting way The book s publication coincides nicely with the United Nation s announcement of Mandela Day and the movie industry s release of a major motion picture about Mandela About the Authors Nelson Mandela was born in Transkei South Africa on 18 July 1918 He joined the African National Congress in 1944 and was engaged in resistance against the ruling national Party s apartheid Policies after 1948 from 1964 to 1982 he was incarcerated at Robben Island prison and then later moved to polismoor prison during which his reputation as a potent symbol of resistance to the anti apartheid movement grew steadily Released for prison in 1990 Mandela won the Nobel Peace

**A Rainbow in the Night** Dominique Lapierre, 2009-11-03 In 1652 a small group of Dutch farmers landed on the southernmost tip of Africa Sent by the powerful Dutch India Company their mission was simply to grow vegetables and supply ships rounding the cape The colonists however were convinced by their strict Calvinist faith that they were among God's Elect chosen to rule over the continent Their saga bloody ferocious and fervent would culminate three centuries later in one of the greatest tragedies of history the establishment of a racist regime in which a white minority would subjugate and victimize millions of blacks Called apartheid it was a poisonous system that would only end with the liberation from prison of one of the moral giants of our time Nelson Mandela A Rainbow in the Night is Dominique Lapierre's epic account of South Africa's tragic history and the heroic men and women famous and obscure white and black European and African who have with their blood and tears brought to life the country that is today known as the Rainbow Nation

*Autobiography and Decolonization* Philip Holden, 2008 Philip Holden reveals deeply gendered connections between the writing of individual lives and of the narratives of nations emerging from colonialism Autobiography and Decolonization is the first book to give serious academic attention to autobiographies of nationalist leaders in the process of decolonization attending to them not simply as partial historical documents but as texts involved in remaking the world views of their readers Holden examines Mohandas K Gandhi's An Autobiography The Story of My Experiments with Truth Marcus Garvey's fragmentary Autobiography Joseph Ephraim Casely Hayford's Ethiopia Unbound Lee Kuan Yew's The Singapore Story Nelson Mandela's Long Walk to Freedom Jawaharlal Nehru's An Autobiography and Kwame Nkrumah's Ghana The Autobiography of Kwame Nkrumah Holden argues that these examples of life writing have had significant influence on the formation of new and often profoundly gendered national identities These narratives constitute the nation less as an imagined community than as an imagined individual Moving from the past to the promise of the future they mediate relationships between public and private and between individual and collective stories Ultimately they show how the construction of modern selfhood is inextricably linked to the construction of a postcolonial polity
