Seven years earlier, sensing the rising tide against her people, Gisela Wolff and her family flee Germany aboard the passenger ship *St. Louis*, bound for Havana, Cuba. Gisela meets Sam Shapiro, the love of her life, on board, but the ship is eventually denied safe harbor and sent back to Europe. This begins Gisela's perilous journey of exile and survival, made possible only by the kindness and courage of a series of strangers she meets along the way, including one man who will change the course of her life. **The Long Way Home**

Over time, the strong, confident and feminine woman within her begins to emerge, and Ellen finds that she is once again ready to love and be loved. She meets Michael, a handsome, successful investment broker who charms his way into her heart. In Michael, Ellen would experience a once-in-a-lifetime love affair, only to have it taken from her. *The Long Way Home* Rachel Spangler,2011-01-01 They say you can't go home again, but Raine St. James doesn't know why anyone would want to. Rory St. James was disowned after she came out at seventeen. She rebounded by moving to Chicago, changing her name to Raine, and putting down her hometown to audiences around the country. Now ten years later, too old to be considered a gay youth broke, evicted, and fresh off a much-needed break up, Raine St. James is forced to accept a job teaching at Bramble University in Darlington, the town she's been publicly bashing for the last decade. Beth Devoroux was born and raised in Darlington. Despite losing her parents at a young age, she is well-loved by everyone who knows her. She leads a comfortable life with a good job at Bramble University, a long-term but closeted relationship, friends that she can count on, and everything she thinks she wants. So why is she so drawn to a rabble-rouser like Raine St. James? Can Raine and Beth face their pasts and come to terms with their differences in order to have any hope for a future together? *Long Way Home* Cameron Douglas,2019-10-22 A gripping memoir, *Rolling Stone*, of one man's descent into the depths of addiction and self-destruction and his successful renewal of family ties that had become almost irreparably frayed. **The Tiny People's Lighthouse** AQEEL AHMED, 2024-04-14 The Tiny People's Lighthouse Learn how the tiny people help the tall man find his way home using their special lighthouse Summary The Tiny People's Lighthouse a charming story of bravery and friendship takes readers to a world where big and small people meet This interesting book has 14 exciting chapters that tell the story of the little people's amazing journey and their desire to help a lost tall man The story starts in a town far away where the little people live in peace because the tall people can't see them Their society is based around the lighthouse which is more than just a building it's a home that represents guidance and hope The adventure in the story is led by this lighthouse Some foggy night the little people meet a big man who is lost and needs to find his way home This changes their lives The villagers get over their original fear of being found out and their varying levels of compassion To help the stranger they make the brave choice to use their lighthouse in a way that has never been done before Little people get together and share what they know and what they have to make the lighthouse's shine stronger The light was meant to help them find the tall man's way home What follows shows how well kindness and working together can work Together they get past the dangers in their way like dangerous terrain and thick fog In the process they grow closer as friends and learn how important it is to work together The stubbornness and kindness of the little people teach the tall man new things about the world as the trip goes on He discovers beauty in the smallest things and sees the world in a new way At the end of their journey the lighthouse appears out of the darkness shining brighter than before to lead them back to shore It is a moving reflection of how harmony and purpose can bring light The big guy in The Tiny People's Lighthouse says goodbye to the tiny people with a lot of love His promise to himself is that he will always remember how they taught him to be brave kind and friendly The locals go back to their homes knowing that their lighthouse will always be there to guide anyone who gets lost not just them This interesting book teaches kids a very important lesson by being brave and kind everyone no matter how big or small can make a big difference Chapter 1 The Small Town In a corner of a world that is very different from ours there is a secret alcove that can't be seen by people who look down from high places and take very big steps There are people living here but there aren't a lot of big buildings

and loud noises Instead it s a small group of people who are so small that you would miss them even if you were right next to them These small groups of people have made their homes in perfect harmony with nature They sometimes hide from the mushroom caps that look like tiny umbrellas in the landscape either inside the hollows of old tree trunks or under the leaves of big trees They are happy with their lives and the small people who live in their secret world They are a clever and innovative group of people who make their own tools out of things they can find in nature They use sand grains as building blocks branches to make the beams for their homes and flowers to make the comfortable beds they sleep on Firefly lamps give off a soft glow that lights up every home in their world Spun spider silk windows let in warm light that makes a kaleidoscope of natural beauty A lighthouse is the most important thing in their town and a huge source of pride for their small community Compared to the grand lighthouses we re used to seeing this one is just a dot in the middle of their remote cove For the little people though it s a beautiful tower made of pebbles leaves and nut shells that the locals put together with great skill and spider silk When it gets dark the lighthouse always shines brightly showing the way and keeping people safe It gets its magical light from the glowworms that the little people take great care of Not only is this light a beacon but it s also a beautiful sparkling sign of how the little people work together to protect and guide each other The way people live in the small village is set by natural forces The tiny people rise along with the sun as it shines through their leafy canopy making a mosaic of light and shade All day long they can hear soft sounds from nature like streams running nearby the wind whispering and bees buzzing Their days are spent taking care of their gardens which are full of little vegetables and flowers of every color It always smells like sweet baking and sounds like happy kids singing Communities like theirs are very close and are based on trust and respect Each person makes a choice while sitting in the middle of town under the stars and the soft light of their lighthouse Each little person has a job to do and makes the town a better place to live Everyone s work is appreciated from farmers who take care of the land so that it yields lots of crops to workers who make clothes and blankets out of silk The little people are brave even though they are small They often go out into the vast wilderness that surrounds their town They move through streams on the backs of friendly bugs and use sticks as bridges to get across gaps Their world is full of fun things to do but their lighthouse always leads them back to their safe town The soothing light from the tower makes you think of home and safety It talks about shared meals nights of laughter and how nice it is to be close to people you care about It s more than just a building it represents the little people s love determination and connection to the outside world The small town does well in this faraway part of the world showing what can be done when people work together toward a common goal Even though they are small tiny people have big hearts and goals People who see their lighthouse are given hope and it also serves as a warning that even a small light can get you through the darkest night Everything in this world is amazing every moment is loved and the lighthouse s soft glow at night makes every night better

Chapter 2 The Tall Man Who Got Lost One very foggy evening a tall man was walking around and the mist was so thick that it looked like it

covered the whole world in white This wanderer wasn't like most he was taller than all the small houses and trees that made up the hidden village of little people A tall one as the little people called him from the world outside their secret nook where the sky was big and the land was empty With his big steps and long legs the tall guy had pretty much stumbled upon the small people's secret town He was not only nearby but he was also totally lost and didn't know how to find his way home He was walking through the tall wild trees that surrounded the small town when all of a sudden fog came in and caught him off guard The trees were usually friendly and easy to spot but now they looked like huge shadows that were scary and bent in strange ways He felt like he was the only person in a huge never ending cloud of mist Paths that were visible during the day were now hidden He yelled hoping someone would answer but the fog made it impossible for him to speak Even though he was a big guy he felt small at that moment which is something that smaller people bravely deal with every day Instead of being excited about a trip his heart was racing with worry He only wanted the comfort of home even though he had always been an explorer eager to find new ways to do things and share stories He had been able to walk on these feet before but now they seemed shaky with each step they shook as if they were wondering Which way do we go As the evening went on the tall man's situation got worse It was hard to tell the difference between the sky and the ground because of the thick steady fog It looked like all directions were equal He had no sun or stars to help him find his way He had never been so lost before He wasn't only lost but he also felt cut off from everything he knew and held dear including his family and friends To see through the fog he lit a small lamp that was in his pocket But it looked like the light was hidden by the fog so it didn't offer much comfort or direction He thought about his home the people he loved the safety of his bed and the fire in the fireplace He thought about them wondering where he was and was getting more worried by the minute These thoughts didn't make him feel better instead they made him realize how far away he was from his own home Even though he was getting more and more down the tall guy kept going He chose to keep moving because he thought he would eventually find his way He told himself words of hope and encouragement with each step pleading with the world to lead him back to a place he knew He thought back to stories he had read about travelers who got through the hardest terrain by following the smallest clues and wonders People who got lost in those stories always found their way back because they believed in the strange and impossible
