Hatzimihail,2021-07-22 To better appreciate present day private

international law and its future prospects and challenges we should consider the history and historiography of the field This book offers an original approach to the study of conflict of laws and legal history that exposes doctrinal lawyers to historical context and legal historians to the intricacies of legal doctrine The analysis is based on an in depth examination of Medieval and Early Modern conflict of laws focusing on the classic texts of Bartolus and Huber Combining theoretical insights textual analysis and historical perspectives the author presents the preclassical conflict of laws as a rich world of doctrines and policies theory and practice context and continuity This book challenges preconceptions and serves as an advanced introduction which illustrates the relevance of history in commanding private international law while aspiring to make private international law relevant for history Society and Law Karen E. Hayden,2019-08-27 Society and Law addresses the social context of law the legal structure and the relationships between society and law The goal of this text is to help

undergraduate students gain an understanding of the significant role law plays in our everyday lives and in larger society It covers emerging theories and ideas from innovative fields such as critical legal studies feminist jurisprudence critical race theories and intersectionality Society Law summarizes the material as succinctly as possible incorporating examples of new laws changes in laws and legal cases that interest college students and help them connect the material to their own lives The law can be fascinating frustrating and even funny Society Law presents these various aspects of the law in readable understandable and interesting ways Features Student oriented pedagogy includes key terms and a complete glossary chapter summaries critical thinking questions and movie suggestions Case in Point boxes provide extended examples that illustrate key points Legalese boxes define legal terminology Sidebar boxes provide additional information about select concepts

Blood, Land, and Sex Lyda Favali, Roy Pateman, 2003-06-18 In Eritrea state traditional and religious laws equally prevail but any of these legal systems may be put into play depending upon the individual or individuals involved in a legal dispute Because of conflicting laws it has been difficult for Eritreans to come to a consensus on what constitutes their legal system In Blood Land and Sex Lyda Favali and Roy Pateman examine the roles of the state ethnic groups religious groups and the international community in several key areas of Eritrean law blood feud or murder land tenure gender relations marriage prostitution rape and female genital surgery Favali and Pateman explore the intersections of the various laws and discuss how change can be brought to communities where legal ambiguity prevails often to the grave harm of women and other powerless individuals This significant book focuses on how Eritrea and other newly emerging democracies might build pluralist legal systems that will be acceptable to an ethnically and religiously diverse population

The European Court of Justice Gráinne De Búrca, Joseph Weiler, 2001 This collection of essays aims to look afresh at an institution which although already the subject of numerous academic analyses and extensive legal research remains of central importance to all who are interested in the development of European Union law and policy Various contributions seek to develop particular avenues of analysis which despite the significant increase in the range and volume of literature on the Court of Justice have not yet been very fully explored They include a legal philosophical account of the ECJ's reasoning a sociological analysis of patterns of litigation before the Court and an investigation of the impact and presence of gender in the Court's work and on its institutional position Other contributions look anew at the more topical and sometimes controversial subject of the relationship between national courts and the Court of Justice both under the preliminary reference procedure and in other contexts and a final essay considers the likely effect on the Court of Justice and the Court of First Instance of the reforms to the judicial structure proposed during the Nice Intergovernmental Conference
