Longarm is in for a cauldron of trouble with these ladies Lawman Custis Long is in town on the trail of some no good owlhoots An easy enough chase he reckons but after a visit with the town's most infamous lady of the night Longarm realizes there are other things he'd rather be doing than tracking small time crooks But the job turns interesting According to local rancheros the hooligans Longarm's after have been hiding out in a valley haunted by witches women posing by day as the pretty Crawfords And no God fearing man has been known to come out of there alive So if Longarm wants to make it through the valley unscathed he must first play nice with the bewitching Crawfords *Old Times' Sake* James Reasoner, 2007-11

S. Jennsen, 2023-01-05 The explosive conclusion to the epic *Riven Worlds* series Humanity was granted their time to prepare Now that it has come to an end all Miriam Solovy wants is one more day The Rasu civil war engineered by Alex Solovy and Nika Kirumase has provided Concord the time it desperately needed Every weapon every technology every tactic will be brought to bear in a bid to defend thousands of worlds and trillions of people from annihilation The enemy that emerges from the civil war victorious is like nothing Concord has ever faced A boundless legion of Rasu now interlinked and of one collective mind due to their integration of kyoseil prepares to sweep across Concord space in a devastating tidal wave But there might be a way to stop them It will mean two individuals must take upon themselves the burden of committing genocide so the innocent beings they protect need never know how such an act comes with a price There has never been a timeline like this one before A war has been waged for endless aeons Our greatest champions fight it again and again across millions of years in a tireless endeavor to save not merely innumerable lives but existence itself With Mesme's secret revealed the enormity of the stakes is clear to

strive tirelessly to improve upon and create new weapons that can kill Rasu even as Nika Kirumase draws tantalizingly close to unlocking the true power of kyoseil Yet for every strategic move Commandant Miriam Solovy makes to thwart the Rasu s advances the enemy swiftly counters in a deadly battle of escalation We don t need to fear death for it cannot hold us Regenesi long the exclusive domain of Anadens begins to take root in human society But the possibility of immortality for all does not sit well with those who would rather keep it for themselves When a conspiracy to sabotage the future of regenesi is uncovered an unlikely advocate decides to risk his one and only life to bring the perpetrators to justice And amidst all the conflict the enigmatic Katasketousya have been playing a secret long game with the fate of the universe Now events race toward a rendezvous with their unfolding machinations and the resulting collision is going to change everything

Unlocking the Idioms: An LDS Perspective on Understanding Scriptural Idioms George M. Peacock,2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to
