description This river of expletives however Hank agreed to dam a little out of respect for his old hunting boss Dr Cathcart whom of course he addressed after the fashion of the country as Doc and also because he understood that young Simpson was already a bit of a parson He had however one objection to Doc and one only which was that the French Canadian sometimes exhibited what Hank described as the output of a cursed and dismal mind meaning apparently that he sometimes was true to type Latin type and suffered fits of a kind of silent moroseness when nothing could induce him to utter speech Doc that is to say was imaginative and melancholy And as a rule it was too long a spell of civilization that induced the attacks for a few days of the wilderness invariably cured them This then was the party of four that found themselves in camp the last week in October of that shy moose year way up in the wilderness north of Rat Portage a forsaken and desolate country There was also Punk an Indian who had accompanied Dr Cathcart and Hank on their hunting trips in previous years and who acted as cook His duty was merely to stay in camp catch fish and prepare venison steaks and coffee at a few minutes notice He dressed in the worn out clothes bequeathed to him by former patrons and except for his coarse black hair and dark skin he looked in these city garments no more like a real redskin than a stage Negro looks like a real African For all that however Punk had in him still the instincts of his dying race his taciturn silence and his endurance survived also his superstition **Wendigo**

Vaughn C.
