Ouspensky,2023-01-29 In A New Model of the Universe written in 1914 and now published for the first time in French P D Ouspensky describes his own quest for a form of truth concerning questions as fundamental as the place of man in the universe the unknown the invisible world starting from the idea always that true civilization only exists in esotericism and that modern Western civilization suffers from a profound barbarism due to the absence of esoteric thought Calling on Christianity Judaism Eastern philosophies the symbolism of the Tarot experimental mysticism the study of dreams hypnotism yoga but also the sciences and in particular ancient physics and modern the author attempts to answer the following questions what form does the world have Is the world a chaos or a system Does the universe exist by accident or was it created according to a plan A new model of the Universe responds to a growing need in late 20th century man to question his origins and the meaning of his existence by having recourse to ancient beliefs and traditions      **Superman's Not Coming** Erin Brockovich,2021-04-20 From the environmental activist consumer advocate and renowned crusader comes a riveting book that is part memoir part non fiction report and part call to action a plea to readers to engage with the water crisis in America because no one else is going to do the work for you InStyle Magazine Clean water is as basic to life on planet Earth as hydrogen or oxygen In her long awaited book her first to reckon with the condition of water on our planet Erin Brockovich shows us what s at stake She writes powerfully of the fraudulent science disguising our national water crisis Cancer clusters are not being reported People in Detroit and the state of New Jersey don t have clean water The drinking water for more than six million Americans contains unsafe levels of industrial chemicals

linked to cancer and other health issues The saga of PG E continues to this day Yet communities and people around the country are fighting to make an impact and Brockovich tells us their stories In Poughkeepsie New York a water operator responded to his customers concerns and changed his system to create some of the safest water in the country Local moms in Hannibal Missouri became the first citizens in the nation to file an ordinance prohibiting the use of ammonia in their public drinking water Like them we can each protect our right to clean water by fighting for better enforcement of laws new legislation and stronger regulations

*Six Dramatists in Search of a Language* Andrew K. Kennedy, 1975-01-23 In this penetrating study Andrew Kennedy sets out to analyse the modern movement in drama through the theatrical language of six key figures writing in English Shaw Eliot Beckett Pinter Osborne and Arden Dr Kennedy argues that a study of theatrical language should be an exercise in practical criticism and not merely narrowly linguistic The whole range of theatrical expressiveness must be examined in detail from play text and performance alike and the conclusions correlated with the author's known intentions if a full evaluative judgement is to be attempted Dr Kennedy shows how the modern movement in drama reveals a growing difficulty in creating any type of fully expressive dramatic language He has written a work with an unusual breadth of reference which should prove of value to all students of modern drama modern English and European literature and to the theatre going public

**George Gently Omnibus (Books 1-4)** Alan Hunter, 2012-05-17 Discover the first four titles in the George Gently series at an unmissable price \_\_\_\_\_ GENTLY DOES IT The last thing you need when you're on holiday is to become involved in a murder For George Gently it is a case of business as usual The Chief Inspector's quiet Easter break in Norchester is rudely interrupted when a local timber merchant is found dead His son with whom he had been seen arguing immediately becomes the prime suspect although Gently is far from convinced of his guilt Norchester City Police gratefully accept Gently's offer to help investigate the murder but he soon clashes with Inspector Hansom the officer in charge of the case Locking horns with the local law is a distraction Gently can do without when he's on the trail of a killer

\_\_\_\_\_ GENTLY BY THE SHORE In a British seaside holiday resort at the height of the season you would expect to find a promenade and a pier maybe some donkeys You would not expect to find a naked corpse punctured with stab wounds lying on the sand Chief Inspector George Gently is called in to investigate the disturbing murder The case has to be wrapped

up quickly to calm the nerves of concerned holidaymakers No one wants to think that there is a maniac on the loose in the town but with no clothes or identifying marks on the body Gently has a tough time establishing who the victim is let alone finding the killer In the meantime who knows where or when the murderer might strike again \_\_\_\_\_ GENTLY DOWN THE STREAM Time spent messing about on the river isn't supposed to end with a brutal murder The staff at Stoley's Boatyard were used to holidaymakers returning their pleasure cruisers a little late after a week or so exploring the network of waterways around Norchester They were not used to finding their yachts burned almost beyond recognition with the charred remains of a client still aboard Taking on the murder investigation Chief Inspector George Gently faces an enquiry like no other Somewhere beneath the lies of the victim's wife somewhere obscured by the brittle edge of her daughter's fear somewhere hidden by her son's hysteria lies the truth Gently's only hope is to sweep aside the litter of chaos and confusion to uncover the identity of the killer \_\_\_\_\_ LANDED GENTLY Having been invited to spend Christmas in the country fishing for pike Gently finds himself hunting a completely different predator when a guest at Merely Hall a nearby stately home is found dead at the foot of the grand staircase on Christmas morning At first the tragedy is assumed to be a simple accident but Gently is not one to jump to conclusions and is soon in no doubt whatsoever that this was murder Merely produces the finest tapestries in England but the threads that Gently must unravel in his investigation are more complex than any weaver's design with everyone from the lord of the manor to his most lowly servant falling under suspicion Find out why readers LOVE the George Gently series Very descriptive great fun to read Witty well plotted and thoroughly enjoyable Charming whodunnit
