gown Lexi's client claims to have observed strange changes in her friend's behavior but Lexi can't find anything to suggest any serious problem despite sharing the same hunch that something isn't quite right. The deeper Lexi looks into it, the more concerned she gets and the more likely it appears that her client's friend could be in serious danger. Proving it, however, seems nearly impossible. Just to complicate things a little further, two men from Lexi's past approach her with a desperate plea for her help after a priceless item is stolen. Certified top secret discretion is required lest a national incident be inadvertently triggered. Solving her cases before her wedding day arrives is a challenge by itself, of course, but if Lexi fails, the fallout could be far greater than she ever imagined.
