

So if you care to find me/Look to the western sky/As someone told
me lately/Everyone deserves the chance to fly!/And if I'm flying
solo/At least I'm flying free/Tell those who'd ground me/Take a
message back from me/Tell them how I am defying gravity!/I'm flying
high defying gravity/And soon I'll match them in renown./And nobody
in all of Oz/No Wizard that there is or was/Is ever gonna bring me
down!/

Reborn in Time Tamar George, 2012-02-28 The History of Humanity remembered from Past Life regressions The hierarchy of Atlantis and the teachings that lived on within the history of the Celts Mayans and Egyptians The teachings have returned to be recreated and activated Tamar George **The Bone Fire** György Dragomán, 2021 Finalist for Le prix du Meilleur livre tranger France A Finalist for the Premio von Rezzori Italy Longlisted for the Prix Femina France From an award winning and internationally acclaimed European writer and for fans of *The Tiger's Wife* A chilling and suspenseful novel set in the wake of a violent revolution about a young girl rescued from an orphanage by an otherworldly grandmother she's never met **Walking Taylor Home** Brian Schrauger, 2001-12-06 No one ever said that the honest truth was easy In this raw account of the intense love between a father and his son no emotion goes untouched as Brian watches his son Taylor war against the cancer that rages in his little body The courage will inspire you The joy will surprise you The hope will encourage you And the faith will challenge you This true story is not about a boy who gets sick and dies It's about a boy who gets sick and lives My Comet Tales Nick B. Comande, 2024-10-02 Halley's Comet circles our sun on an average of every 74-79 years with many orbits being closer to 76 years Most people get a once in a lifetime chance to see it while there are the fortunate few who have the opportunity to experience seeing Halley's Comet twice in a lifetime In December of 2023 as Halley's Comet was approaching the far reaches of our solar system and its furthest distance from our sun after it last rounding it in 1986 Nick Comande discovered the notes he kept when tracking Halley's Comet during its 1985-86 visit He decided to share his observations and excitement from the 6 months he followed the comet during the different stages of its journey in what he now calls *My Comet Tales* *In Search of Western Oregon* Ralph Friedman, 1990 Distributed by the University of Nebraska Press for Caxton Press This is the definitive guide for things to see and to do in western Oregon This volume is packed with historical details folklore anecdotes geology fishing flora fauna biography hiking trails and a good deal more These elements are combined with photos of thousands of off the beaten path finds **My Li'l Paradise** D. William Rice, 2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina *The Lost Woods* is a

collection of fifteen short stories most of them set in and around the fictional small town of Sledge South Carolina The events narrated in the stories begin in the 1930s and continue to the present day The stories aren't accounts of hunting methods or legends of trophy kills they are serious stories about hunting that are similar in style to William Faulkner's Go Down Moses The collection traces the evolution of two families the Whites and the Chapmans as well as the changes in hunting and land use of the past eighty years Some of these stories are narrated in third person others are told by a wide range of characters from grown men and women to children but only from one perspective that of the hunter As they walk the woods in search of turkeys deer or raccoons these characters seek something more than food They seek a lost connection to some part of themselves The title the lost woods is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost Thereby we find not only food but who we are Through these stories Rice reminds us that hunting is inextricably entwined with identity As one of the oldest rituals that we as a species know it reflects both our nobility and our depravity Through it we return again and again to find the lost woods inside ourselves [Sun Dancer](#) David London,1998-01-01 Follows a Native American community through the actions of Clement Blue Chest an alcoholic turned spiritual leader his brother Joey Moves Camp medicine man Bear Dreamer Bordeaux and others [A Shining Portal](#) Leonard J. Langton,2006-01-09 After I had published my first book A First Step Understanding Guillain Barré Syndrome it occurred to me that the dream sequences described in that book would make for an interesting read on their

own as a collection of short but impossible stories Thus were sewn the seeds for this publication The postscripts that have been added are included to assist readers who have not read the earlier book and who therefore may not have a full understanding of the circumstances I found myself in During my seven month confinement in Intensive Care on a ventilator for breathing assistance diagnosed with severe acute chronic Guillain Barr Syndrome sometimes referred to in its abbreviated form as GBS I experienced many dreams and hallucinations some of which are described in the book The medications I was taking the inability to distinguish between night and day being thrust into an unfamiliar environment or something inherent in the disease itself may have been the cause Although these dreams are not necessarily in the sequence in which I dreamed them it is possible to connect them to certain events or phases of my illness Initially I was paralysed from my toes up to my eyebrows This did not appear to inhibit my mobility in some of the dreams though One moment I was in a wheelchair the next flying an F16 fighter jet even though I had never flown before other than as a fare paying passenger I found these episodes much more intense than the garden variety dream In fact most seemed so real that sometimes it was difficult if not impossible to separate them from reality Every effort has been made to keep the original story lines It must of course be understood there were a few although very few grey areas and only in those situations have I linked different parts of the story by the logical threads suggested by circumstances For the most part my recall of these dreams was total Except for my relatives the names used to identify characters are fictitious and used to enable the reader to follow the thread of the story In these sequences any similarity to any person living or deceased other than in the case of the exception noted is entirely coincidental and unintended I hope you enjoy your read The Author
