

The background of the entire image is a photograph of a sunset. The sun is a bright, glowing orb on the left side, partially obscured by clouds. The sky transitions from a deep orange near the horizon to a pale blue at the top. In the foreground, the dark silhouette of a city skyline is visible, with several prominent industrial smokestacks rising from the horizon line.

Kornfeld, 2000-09 Set in an isolated coal mining town in the Great Smoky Mountains of Tennessee In a Bluebird s Eye is a moving portrayal of the world of a young girl growing up in the 1930s Although America is in the midst of the Depression life in the provincial community of Margate has been unaffected But suddenly the Black Diamond Coal Company announces its plans to close down and the town is thrown into a state of panic Eleven year old Honor Jane Whitfield sees the disintegration of the community as her salvation A lonely rebellious child she hates Margate where her father s drinking and her mother s petty snobbishness have made outcasts of the Whitfield family She finds solace only in the private world of her imagination and in her secret friendship with Lola a black woman who has served time in prison for killing a man When Honor Jane learns that Lola is in danger of being sent back to prison she devises a risky plan to save her not realizing the danger involved **Touch the Bluebird's Song** Louis E. reaching your goal weight Rather happiness is an inside job In brief easy to read chapters Thielen offers ten traits of happy and fulfilled people Using psychological research personal anecdotes and Scripture Thielen begins the path to contentment by showing how life circumstances including income health physical appearance and marital status only account for about 10 percent of a person s overall life satisfaction From there he offers alternatives to the frequent methods we use to make ourselves happy Instead of aiming to make more money Thielen contends that expressing gratitude and cultivating optimism are surer paths to joy Rather than focusing on constant advancement in our careers let s practice our ability to forgive to be generous and to use trials as growth opportunities These lessons and much more help readers who may be dissatisfied in their lives see that authentic contentment is closer than they ever imagined The book features a guide for group or individual study which includes questions for reflection and a challenge for each individual to reflect on during the week
