Looking West Photographing The Canadian Prairies 18581957:

Picturing the Land Marilyn Jean McKay, 2011 The vast Canadian landscape has captured the imagination of visual artists since the first European contact Although artistic engagement with the landscape has a long history some periods have drawn considerable critical attention while others have been left almost unexamined *Picturing the Land* surveys work from coast to coast from the earliest maps to postwar painting in English and French Canada To provide a comprehensive view of Canadian landscape art Emphasizing the ways in which social economic and political conditions determine representation Marilyn McKay moves beyond canonical images and traditional nationalistic interpretations by analyzing Canadian landscape art in relation to different concepts of territory Taking an expansive and inclusive perspective on Canadian landscape art McKay depicts this tradition in all its diversity and draws it into the larger body of Western landscape art broadening the horizon of future study appreciation and criticism Richly illustrated and filled with sophisticated and innovative commentary *Picturing the Land* provides new and distinct histories of the landscape art of French and English Canada

The Fitzhenry and Whiteside Book of Canadian Facts and Dates Jay Myers, James Musson, Elizabeth Ballantyne, Richard Dionne, 2005 More than 14 000 individual date by date entries in this single volume chronology of Canadian history This single volume chronology of Canada from its prehistoric beginnings to the social cultural business and political happenings of the present age is the most comprehensive and up to date book of its kind in the market today With more than 14 000 individual date by date entries and featuring both a detailed general index as well as a separate index of names the book is an invaluable resource and reference work for students teachers and researchers Equally important it is a valuable treasure trove of Canadiana a volume like a dictionary atlas or encyclopedia that should find its way onto the shelves of every home office media public university and school library Under the general editorship of Richard Pound more than 25 researchers editors and contributors were assigned to research and validate important events and dates in the areas of women s issues human rights science and technology transportation medicine communications art and literature education sports agriculture music and at least a dozen other areas of national interest

Looking West Brock Silversides, 1999 The first photographers to capture the Canadian prairies on film defined the region for the rest of the world Their images of rolling plains early settlements and architecture railways and surveyors colored by their own expectations and the instructions of their employers had an enormous impact on the settlement and the development of the West In *Looking West* author and archivist Brock Silversides provides a lasting and valuable record of the changes that transfigured the Canadian prairies during a century of development Archival photographs and an accompanying essay offer a fascinating and powerful look at a land that has been depicted as everything from a desert to a fertile region of incomparable diversity and beauty The men and women who chronicled the region s development through their lenses faced countless obstacles from prairie climate and conditions but found in the land and its people a constantly renewing source of inspiration *The*
