Looking For Love A Novel:

Looking for a Love Story Louise Shaffer, 2010-04-06 In Louise Shaffer's delightfully charming new novel a hopeless romantic and author adrift searches for a happy ending and decides to write her own love story After the success of her first novel *Love Max* an irresistibly funny look at divorce as seen through a dog's eyes Francesca's fictional saga becomes real when her sexy photographer husband bails on her The good news is that Francesca gets custody of their apartment and their dog an adoring scamp who has mastered the art of unconditional love Still a girl and her dog have to eat so a desperate search for income leads Francesca to Chicky a spunky red haired octogenarian who wants Francesca to write the memoirs of her parents Joe and Ellie who toured the vaudeville circuit in the early 1920s Francesca is reluctant to take the job but Chicky's tales soon lure her into a showbiz era as irresistible and unlikely as the love story that unfolds As she re-creates Joe and Ellie's story Francesca reflects with hilarious honesty on her own childhood and marriage and discovers how to put the pieces of her life back together in a way that redefines herself and the true meaning of family and love *Marthe's Search for Love Among Couples of Pine Trees*. Hugo Van Bever, 2015-10-23 Mainly out of loneliness a messed up writer falls in love with Marthe his female main character and decides not to let her die as initially planned but to invite her into his life to help him write his next novel He also welcomes popular characters from other successful novels all experts in love In addition he summons Vivian a prostitute like Vivian from the movie *Pretty Woman* who is an expert in love for sale to spice up the story The characters and their writer embark on an erotic journey of sensuality sex and murder as the writer takes copious notes that turn into an unusual meta novel offering different vistas on life death murder and love The story ends in Vietnam at the lake of Dalat where according to an old legend pine trees formed intimate couples holding each other entwining their roots after a young couple committed suicide The legend renews itself at midnight the day the writer's group arrives Will they find love or will they seek death *Looking for Love in the Legal Discourse of Marriage* Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy **Looking for Other Worlds** Jean-Charles Régine Michelle, 2022-11-10 What would it mean to reorient the study of Haitian literature toward

ethics rather than the themes of politics engagement disaster or catastrophe Looking for Other Worlds engages with this question from a distinct feminist perspective and in the process discovers a revelatory lens through which we can productively read the work of contemporary Haitian writers R gene Michelle Jean Charles explores the ethical imagination of three contemporary Haitian authors Yanick Lahens Kettly Mars and Evelyne Trouillot contending that ethics and aesthetics operate in relation to each other through the writers respective novels and that the turn to ethics has proven essential in the twenty first century Jean Charles presents a useful framework for analyzing contemporary literature that brings together Black feminism literary ethics and Haitian studies in a groundbreaking way *Living Up the Road from Laura Ingalls* Dan L. White, 2015-01-07 Laura Ingalls and Almanzo Wilder lived in the Missouri Ozarks for over a half century They loved the scenery the mild climate their little Rocky Ridge Farm the people They loved their life in the Ozarks So what s it like to live a life like that just up the road from Laura s place Dan L White and family have done that for over a quarter century During that time they wrote a number of books about Laura and her books and her life *Living Up the Road from Laura Ingalls* With Excerpts from Seven Books about Her is a sampler of some of those books along with the story of their personal life in the Ozarks They found out that living up the way from Laura s place led to much the same way of life As she so well stated I believe we would be happier to have a personal revolution in our individual lives and go back to simpler living and more direct thinking It is the simple things of life that make living worthwhile the sweet fundamental things such as love and duty work and rest and living close to nature Writers' Handbook 2025 J. and Read more *The beautiful and the dark side of a love story* Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent togheter [A Very Accidental Love Story](#) Claudia Carroll,2019-01-15 An original funny and poignant story about those things in life that you just can t plan for Eloise Elliot is one of Dublin s youngest newspaper editors Respected and revered by her peers she s at the very top of her game On the eve of her thirtieth birthday Eloise is hit by a long sharp pang of loneliness and realises she craves to be a mother Three years on after a successful trip to the sperm bank Eloise is now the adoring yet fraught single mother to Lily But panic sets in when Lily starts asking about her daddy and Eloise is left with no choice but to try and find him What could possibly go wrong Perfect for the fans of Marian Keyes [Klarissa's Heart and Soul: A Love Story](#) Karen Demers,2012-08-03 It is a love story that takes place in the year of 1893 The background is the town of St Jovite Mont Tremblant in the Laurentian s This was the year that the steam locomotive was extended in Quebec The train station is an important aspect to this story The main character endures many hardships in her struggle to re build her life and becomes a powerful business woman with support and love by her side Can it withstand the obstacles that have to be faced in the first couple of months Will the relationship continue to hold their love commitment loyalty dedication and passion to remain in their hearts and souls *Pearson's Magazine* ,1919 *A Love Story Good Grief* Capt R A Jaycox,2010-08-11 My wife and I were married for 60 years she was my buddy and my pal we were inseperable in the years that I commercial fi shed she was right by my side I met her after I returned from the navy in 1947 we fell in love and married soon after Th is book tries to explain the deep sorrow and pressing questions that follow the death of a close loved one Her unexpected death left our family in shock Virginia was her name and she was loved by all that she met Th is book asks some sensitive questions about life and the here after many of you may relate to this books questions **A New Jersey Love Story 3** Myiesha,2016-01-24 A
