of Evidence Emmanuel Amurawaiye MD,2013-12-09 Does God exist Man has not been able to give a credible answer to that question despite advances in knowledge As a result the world remains confused about religion and whether to believe claims made by sacred books like the Bible and the Quran Is it true that unbelievers would end up in Hell Did God give Moses the Ten Commandments and the other 600 laws of the Old Testament Did God reveal the Quran to Prophet Muhammad To answer these and other questions In Search of Evidence looks at passages taken from various Scriptures It contends that while we may not be able to conclusively determine whether God exists or not there is enough evidence to determine whether the contents of the sacred books of the world s religions were revealed by an omniscient being God Religion does not need to be taken on faith This book provides a framework for meaningful and objective rather than a faith based search for the truth **The British Messenger** ,1870 The Bible Christian Magazine, for the Year 1872 Anonymous,2025-08-29 Reprint of the original first published in 1872 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Bluffton** Minot Judson Savage,1878
