Into the Past William Beard,2010-05-29 Guy Maddin started making films in his back yard and on his kitchen table Now his unique work which relies heavily on such archaic means as black and white small format cinematography and silent film storytelling premieres at major film festivals around the world and is avidly discussed in the critical press Into the Past provides a complete and systematic critical commentary on each of Maddin s feature films and shorts from his 1986 debut film The Dead Father through to his highly successful 2008 full length docu fantasia My Winnipeg William Beard s extensive analysis of Maddin s narrative and aesthetic strategies themes influences and underlying issues also examines the origins and production history of each film Each of Maddin s projects and collaborations showcase

The Road Narrows As You Go Lee Henderson, 2014-09-16 All Wendy Ashbubble has ever wanted is to draw comics as well as Charles Schultz's Peanuts and to one day see her creations grace the pages of a major daily newspaper Growing up in Victoria in the 1970s Wendy dreams of getting out getting away and getting recognition for her talent And there's another never whispered motivation that prompts her to seek her fortune a deeply buried memory and unshakeable belief that her unknown father is Ronald Reagan the fortieth president of the United States A chance meeting in Victoria with an attractive but mysterious travelling artist inspires Wendy to take the plunge and she runs away to live in a dilapidated artists commune in San Francisco There amid the haze of top quality weed unbridled creativity and unfettered sex her dream begins to take tangible shape With the aid of Frank Fleecen an up and coming bonds trader and agent Wendy's Strays are soon competing for newsprint space against the likes of Berkeley Breathed Jim Davis and Bill Watterston even against Wendy's beloved Charles Schultz himself But there are darker shades on the pencilled horizon the spectre of AIDS unexplained disappearances bad therapy junk bonds demonology and SEC agents investigating Frank's business protocols The Road Narrows As You Go is simultaneously the portrait of a young woman struggling to find her place and a bright rollicking unflinching depiction of the 1980s It embodies all the brash optimism and ruthless amorality of the decade as well as its preoccupation with repressed memories and fully captures the flavour of an uncertain but deeply vibrant era

Animated Personalities David McGowan, 2019-02-26 Mickey Mouse Betty Boop Donald Duck Bugs Bunny Felix the Cat and other beloved cartoon characters have entertained media audiences for almost a century outliving the human stars who were once their contemporaries in studio era Hollywood In Animated Personalities David McGowan asserts that iconic American theatrical short cartoon characters should be legitimately regarded as stars equal to their live action counterparts not only because they have enjoyed long careers but also because their star personas have been created and marketed in ways also used for cinematic celebrities Drawing on detailed archival research McGowan analyzes how Hollywood studios constructed and manipulated the star personas of the animated characters they owned He shows how cartoon actors frequently kept pace with their human counterparts granting interviews allowing candid photographs endorsing products and generally behaving as actual actors did for example Donald Duck served his country during World War II and Mickey Mouse was even embroiled in scandal Challenging the notion that studios needed actors with physical bodies and real off screen lives to create stars McGowan demonstrates that media texts have successfully articulated an off screen existence for animated characters Following cartoon stars from silent movies to

contemporary film and television this groundbreaking book broadens the scope of star studies to include animation concluding with provocative questions about the nature of stardom in an age of digitally enhanced filmmaking technologies
