Lorado In Paris The Letters Of Lorado Taft 1880 1885:

Lorado in Paris Allen Stuart Weller, Lorado Taft, 1985 Lorado Taft Allen Stuart Weller, 2014-10-15 Sculptor Lorado Taft helped build Chicago's worldwide reputation as the epicenter of the City Beautiful Movement In this new biography art historian Allen Stuart Weller picks up where his earlier book *Lorado in Paris* left off drawing on the sculptor's papers to generate a fascinating account of the most productive and influential years of Taft's long career Returning to Chicago from France Taft established a bustling studio and began a twenty one year career as an instructor at the Art Institute succeeded by three decades as head of the Midway Studios at the University of Chicago This triumphant era included ephemeral sculpture for the 1893 World's Columbian Exposition a prolific turn of the century period marked by the gold medal winning *The Solitude of the Soul* the 1913 *Fountain of the Great Lakes* the 1929 *Alma Mater* at the University of Illinois and large scale projects such as his ambitious program for Chicago's Midway with the monumental *Fountain of Time* In addition the book charts Taft's mentoring of women artists including the so called *White Rabbits* at the World's Fair many of whom went on to achieve artistic success Lavishly illustrated with color images of Taft's most celebrated works *Lorado Taft The Chicago Years* completes the first major study of a great American artist **Public Sculptor** Timothy Joseph Garvey, 1988 **Art and Beauty in the Heartland** Jan Stilson, 2006 In 1919 eight Chicago White Sox ballplayers teamed up with gamblers to throw the World Series to the Cincinnati Reds The eight players were banned for life from organized baseball for their involvement in or knowledge of the fix and because of the scandal the players came to be known as the *Black Sox* One of the *Black Sox* was Charles Swede Risberg Swede Risberg came to Minnesota in 1922 with a team called the *Mesaba Range Black Sox* and he went on to play for Rochester Minnesota in 1923 1924 and 1926 Swede also played for Scobey Montana in 1925 Watertown South Dakota in 1926 and 1927 Virden Manitoba Canada in 1929 Jamestown North Dakota in 1929 and 1930 and Sioux Falls South Dakota in 1931 and 1932 This book documents the career of Swede Risberg in semi professional baseball from June 1922 through the 1932 season with the *Sioux Falls Canaries* Although this book presents detailed statistical information on Swede's post *White Sox* career in semi professional baseball the book goes beyond a dry accounting of innings pitched at bats and hits Swede played against many different teams and many different individuals Some of these teams and individuals are themselves interesting stories Swede would never have played in games against teams with only African American players or against integrated teams if he had remained in professional baseball and Swede would not have played on integrated teams if he had remained in the major leagues Unfortunately some of the detail about Swede's career in semi professional baseball is lost forever as newspaper summaries were sometimes not complete negatives of pictures have been destroyed and the people that played the games are gone Even with these limitations I hope that you enjoy the story of Swede Risberg's life in semi professional baseball **Museum Education at the Art Institute of Chicago** Art Institute of Chicago, 2003 This special issue of *Museum Studies* explores the broad history and practice of art education at the Art

Institute charting the museum's past, present, and future vision of what museum education can be and do. Drawing from a rich trove of archival, oral, and photographic resources, authors offer a lively account of museum education as an evolving profession, an outlet for aesthetic and political programs, and a crucial element of the Art Institute's public mission from the moment of its founding in 1879. The project, sponsored by the Woman's Board of The Art Institute of Chicago to commemorate its fiftieth anniversary, also explores that group's signal commitment to education and volunteerism at the museum, which has ranged from creating suburban community associations to sponsoring a corps of volunteer docents, from establishing a pioneering children's museum to planning celebrations that open the Art Institute's doors to the widest possible public. A pathbreaking effort, this publication constitutes an important, unique contribution to the history of education in American cultural institutions.

Eanger Irving Couse Virginia Couse Leavitt, 2019-01-24 Eanger Irving Couse 1866-1936 showed remarkable promise as a young art student. His lifelong interest in Native American cultures also started at an early age, inspired by encounters with Chippewa Indians living near his hometown, Saginaw, Michigan. After studying in Europe, Couse began spending summers in New Mexico, where in 1915 he helped found the famous Taos Society of Artists, serving as its first president and playing a major role in its success. This richly illustrated volume, featuring full-color reproductions of his artwork, is the first scholarly exploration of Couse's noteworthy life and artistic achievements. Drawing on extensive research, Virginia Couse Leavitt gives an intimate account of Couse's experiences, including his early struggles as an art student in the United States and abroad, his study of Native Americans, his winter home and studio in New York City, and his life in New Mexico after he relocated to Taos. In examining Couse's role as one of the original six founders of the Taos Society of Artists, the author provides new information about the art colony's early meetings, original members, and first exhibitions. As a scholar of art history, Leavitt has spent decades researching her subject, who also happens to be her grandfather. Her unique access to the Couse family archives has allowed her to mine correspondence, photographs, sketchbooks, and memorabilia, all of which add fresh insight into the American art scene in the early 1900s. Of particular interest is the correspondence of Couse's wife, Virginia Walker, an art student in Paris, when the couple first met. Her letters home to her family in Washington State offer a vivid picture of her husband's student life in Paris, where Couse studied under the famous painter William Bouguereau at the Académie Julian. Whereas many artists of the early twentieth century pursued a radically modern style, Couse held true to his formal academic training throughout his career. He gained renown for his paintings of southwestern landscapes and his respectful portraits of Native peoples. Through his depictions of the domestic and spiritual lives of Pueblo Indians, Couse helped mitigate the prejudices toward Native Americans that persisted during this era.

The Sculpture at the 1893 Chicago World's Columbian Exposition Pamela Potter-Hennessey, 1995 *Bessie Potter Vonnob* Julie Aronson, Janis C. Although most modern art historians viewed the figure as regressive early 20th century American sculptors embraced the human form Curator of American Art at the Los Angeles County Museum of Art Fort presents a wide selection of works from this period not as a movement from the naturalistic to the abstract but as a reflection of a rapidly changing American society While she sees much modern American sculpture as rooted in the works of Auguste Rodin 1840 1917 she shows how the figure whether represented in genre primitive folk archaic or classical styles allowed artists to criticize or praise modern society Fort s selection of minority and female artists for the work is especially refreshing and the biographies at the end of the book are useful because several are not well known Unfortunately the mostly black and white plates are small and cannot properly represent the lines and textures of the pieces Regardless of the quality of the photographs this highly original work complements Donald Martin Reynold s Masters of American Sculpture LJ 4 1 94 and is recommended for fine arts collections and academic libraries b Review by Julie C Boehning from Library Journal [The French Review](#) James Frederick Mason, Hélène Harvitt, *Publications of the State of Illinois* Illinois.
