Lord High Executioner Howard Engel, 2016-03-01 A grisly tour of hangings electrocutions beheadings and other state sanctioned deaths that are part of the long history of the death penalty In Lord High Executioner award winning writer Howard Engel traces the traditions of capital punishment from medieval England and early Canada to the present day United States Throughout civilized history executioners employed on behalf of the kingdom republic or dictatorship have beheaded chopped stabbed choked gassed electrocuted or beaten criminals to death and Engel doesn t shy away from the gritty details of the executioner's lifestyle focusing on the paragons buffoons and sadists of the dark profession Packed with all too true stories from hapless hangings to butchered beheadings this historically accurate look at the executioner's gruesome work makes for a thoroughly gripping read Hangman Michael Slade, 2024-10-08 A harrowing tale of revenge Hangman is a hardboiled police procedural Readers come away not only entertained and terrified but also enlightened Cemetery Dance A woman is killed on Halloween night in Seattle Death by hanging as cruel and vicious as it was back in the days when it was employed as a means of justice Only there is no justice in this murder And it isn t the last one Suddenly the police on both sides of the US Canadian border are tracking a killer with a taste for the drama of the gallows And just when the investigation zeroes in on a suspect another corpse is discovered. The string of bizarre and brutal killings leaves a complex trail of clues and a terror that only escalates with each killing Master of the Northern Giallo There are more than a few reasons to take the stand and scream the glories of literary demon Michael Slade Rue Morgue Hangman's escalating suspense is sustained not only by readers wondering whodunit but who will be the next to die Every character is both a suspect and a potential victim Quill Quire Murder with gore galore and a killer who enjoys his hobby There s plenty of legerdemain before the trick ending The Globe and Mail Toronto Fascinating The research on real life hangmen is deftly larded into the fast paced story The Vancouver Sun First hand knowledge of the judicial system gives Slade's thrillers their authenticity North Shore News The Essential Mystery Lists Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction The Last to Die Robert J.
