

LORD ACTON

HISTORIAN OF LIBERTY

ROBERT SCHUETTINGER

Lord Acton Historian Of Liberty

K. Sewell

Lord Acton Historian Of Liberty:

Power Tends To Corrupt Christopher Lazarski, 2012-11-15 Lord Acton 1834 1902 is often called a historian of liberty A great historian and political thinker he had a rare talent to reach beneath the surface and reveal the hidden springs that move the world While endeavoring to understand the components of a truly free society Acton attempted to see how the principles of self determination and freedom worked in practice from antiquity to his own time But though he penned hundreds of papers essays reviews letters and ephemera the ultimate book of his findings and views on the history of liberty remained unwritten Reading a book a day for years he still could not keep pace with the output of his time and finally dejected he gave up Today Acton is mainly known for a single maxim power tends to corrupt and absolute power corrupts absolutely In Power Tends to Corrupt Christopher Lazarski presents the first in depth consideration of Acton s thought in more than fifty years Lazarski brings Acton s work to light in accessible language with a focus on his understanding of liberty and its development in Western history A work akin to Acton s overall account of the history of liberty with a secondary look at his political theory this book is an outstanding exegesis of the theories and findings of one of the nineteenth century s keenest minds

Lord Acton's History of Liberty George Watson, 1994 This is the first full length study of Lord Acton s History of Liberty It is the first edited text of Lord Acton s notes made towards one of the great unwritten books of the nineteenth century Herbert Butterfield once described Acton as by far the greatest historical thinker that England has ever had A friend of Gladstone and a member first of the House of Commons and then of the Lords he accumulated a vast library most of which is now in the University Library at Cambridge It represents a man of cosmopolitan interests both as a campaigner against Papal Infallibility and then after 1870 for liberal causes George Watson s text is a full account of the surviving books and papers Acton s projected masterpiece however the history of liberty on which he worked intensively mainly in the years 1877 to 1883 never emerged beyond a series of notes In this book George Watson presents a text of those notes They offer many examples of Acton s liberal philosophy and epigrammatic style

Selected Writings of Lord Acton: Essays in the history of liberty John Emerich Edward Dalberg Acton Baron Acton, 1985 Selected writings of Lord Acton by John Emerich Edward Dalberg Acton First Baron Acton edited by J Rufus Fears

The History of Freedom and Other Essays Johnny Acton, 2005-01-01 Known as Lord Acton John E E Dalberg Acton was one of the great historians of the Victorian period and one of the greatest classical historians of all time His life s work was advancing the history of liberty though he was never a Additionally Acton s works include Lectures on Modern History 1906 and Historical Essays and Studies 1907 which were brought to light after his death JOHN E E DALBERG ACTON 1834 1902 English scholar and historian was denied entrance into Cambridge University because of his Roman Catholicism he traveled to Munich where he studied with Fr Johann Joseph Ignaz von Dvllinger In 1895 Acton was His impressive personal library consisting of more than 59 000 volumes was acquired by financier Andrew Carnegie and donated to Cambridge

Encyclopedia of Historians and Historical

Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies The Study of History ,2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided

An Intellectual History of Liberal Catholicism in Western Europe, 1789-1870 Aude Attuel-Hallade,2024-01-25 This volume probes and deciphers the tensions and contradictions that underlie modern European Liberal Catholicism Beginning with the French revolution and looking at dialogues between European public moralists the book discusses the ways in which liberal Catholics loosened their bonds with religion all the while relying on it It reflects on how and why they promoted a post revolutionary state and society based on religious dogma and morality and what new liberal order and socio political and religious models they proposed Beyond the analysis of the work of these Catholic intellectuals the question of their conceiving a specific liberal approach through Catholicism is also investigated More generally it prompts a vital reappraisal of the political ideological and philosophical pressures that the religious question caused in the redefinition of Western European post revolutionary liberalism Lord Acton's Philosophy of History Crane Brinton,1919 **The History of Freedom, and Other Essays** John Emerich Edward Dalberg Acton Baron Acton,2021-04-25 In The History of Freedom and Other Essays John Emerich Edward Dalberg Acton a noted historian and moralist delves into the complex interplay between liberty and authority throughout history Acton s essays articulate a profound analysis of the historical trajectories that have shaped the concept of freedom contextualizing it within the frameworks of political philosophy and ethical governance His meticulous scholarship often juxtaposes varying interpretations of liberty employing a clear and incisive prose style that reflects both his intellectual rigor and a keen understanding of the socio political forces at work This collection rooted in the liberal tradition draws upon both classical and contemporary sources illustrating how freedom has evolved across different epochs and cultures Baron Acton known for his famous adage that power tends to corrupt and

absolute power corrupts absolutely was profoundly influenced by the intellectual currents of the 19th century as well as his own experiences with political power in Britain and Europe His advocacy for civil liberties and skepticism towards authoritarianism reflect his deep commitment to historical truth and ethical integrity Drawing from his extensive education and active participation in public life Acton's writings encapsulate a unique blend of idealism and realism that challenges readers to reconsider the fundamental principles of governance and individual rights For readers interested in the philosophical underpinnings of freedom and its historical context Acton's *The History of Freedom and Other Essays* serves as an essential text This collection not only enriches one's understanding of historical liberty but also encourages critical reflections on modern governance and the enduring relevance of freedom in contemporary society Acton's insights make this book a must read for anyone who seeks to grasp the nuances of political philosophy and the moral obligations that accompany freedom In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes

A Brief History of Liberty David Schmidtz, Jason Brennan, 2011-09-19 Through a fusion of philosophical social scientific and historical methods *A Brief History of Liberty* provides a comprehensive philosophically informed portrait of the elusive nature of one of our most cherished ideals Offers a succinct yet thorough survey of personal freedom Explores the true meaning of liberty drawing philosophical lessons about liberty from history Considers the writings of key historical figures from Socrates and Erasmus to Hobbes Locke Marx and Adam Smith Combines philosophical rigor with social scientific analysis Argues that liberty refers to a range of related but specific ideas rather than limiting the concept to one definition

Herbert Butterfield and the Interpretation of History K. Sewell, 2005-01-13 This book examines successive stages in the development of the thought of Sir Herbert Butterfield in relation to fundamental issues in the science of history In a carefully nuanced way it lays bare the unspoken motivations and hidden tensions in Butterfield's debate with himself and with a host of contemporary historians in the period between 1924-79

The Encyclopedia of Libertarianism Ronald Hamowy, 2008-08-15 As a continuation of the older tradition of classical liberalism libertarian thinking draws on a rich body of thought and scholarship Contemporary libertarian scholars are continuing that

tradition by making substantial contributions to such fields as philosophy jurisprudence economics evolutionary psychology political theory and history in both academia and politics With more than 300 A to Z signed entries written by top scholars The Encyclopedia of Libertarianism is purposed to be a useful compilation of and introduction to libertarian scholarship The Encyclopedia starts with an introductory essay offering an extensive historical and thematic overview of key thinkers events and publications in the development of libertarian thought The Reader's Guide groups content for researchers and students alike allowing them to study libertarianism topically biographically and by public policy issues Key Features Entries conclude with bibliographies and references for further reading and cross references to related entries Each entry provides an introduction to a topic or policy question relevant to libertarianism or a biography of a person who has had an impact on libertarianism Editors take special care to ensure entries clearly explain libertarian approaches to issues do not take sides on disputed matters or engage in polemics and represent the views of all sides fairly and accurately

Reassessing the Presidency John V. Denson, 2001

The Fortunes of Liberalism F. A. Hayek, 2022-12-22 From a Nobel Laureate economist essays on classical liberalism as illustrated by the Austrian school of political economy The Reagan and Thatcher revolutions The collapse of Eastern Europe dramatically captured in the tearing down of the Berlin Wall F. A. Hayek grand old man of capitalism and founder of the classical liberal free market revival which ignited and inspired these world events forcefully predicted their occurrence in writings such as *The Road to Serfdom* first published in 1944 Hayek's well known social and political philosophy in particular his long held pessimistic view of the prospects of socialism irrefutably vindicated by the collapse of the Eastern bloc is fully grounded in the Austrian approach to economics In this collection Hayek traces his intellectual roots to the Austrian school the century old tradition founded at the University of Vienna by Carl Menger and links it to the modern rebirth of classical liberal or libertarian thought As Hayek reminds us the cornerstone of modern economics the theory of value and price represents a consistent continuation of the fundamental principles handed down by the Vienna school Here in this first modern collection of essays on the Austrian school by one of its preeminent figures is the genesis of this tradition and its place in intellectual history Two hitherto unavailable memoirs *The Economics of the 1920s as Seen from Vienna* published here for the first time and *The Rediscovery of Freedom Personal Recollections* available for the first time in English make this collection invaluable for Hayek scholars

A Sober Desire for History Sean R. Busick, 2005

Widely regarded as the antebellum South's foremost man of letters William Gilmore Simms 1806-1870 wrote novels and poetry that recently have enjoyed a remarkable resurgence of interest While scholars have previously considered Simms as primarily a poet editor and writer of fiction Sean R. Busick contends that the author is more fully understood as a historian In this fresh look at Simms and his contributions Busick brings to light the lasting impact of the South Carolinian's efforts to comprehend American history and to preserve important pieces of the historical record In *A Sober Desire for History* Busick argues that Simms made five significant contributions to American historiography Simms's achievements include his work as

an archivist preserving a wealth of primary source materials that probably would not exist today if not for his efforts as a champion of accessible and well wrought historical writing and as an advocate for what he considered democratic history history that recognizes individuals rather than impersonal forces as the impetus for historical events Loyalists and women traditionally neglected in the telling of American history Finally although Busick shows that Simms published historical romances biographies and a state history he also made an important lasting contribution to the writing of American history through his support and encouragement of other historians Busick addresses among other topics Simms s ideas on the relationship between history and fiction his work as a biographer his writing of the text that would be used to teach history to generations of South Carolina schoolchildren and his controversial 1856 Northern lecture series on South Carolina s role in the American Revolution

The Costs of War John Denson, 2017-07-05 The greatest accomplishment of Western civilization is arguably the achievement of individual liberty through limits on the power of the state In the war torn twentieth century we rarely hear that one of the main costs of armed conflict is long term loss of liberty to winners and losers alike Beyond the obvious and direct costs of dead and wounded soldiers there is the lifetime struggle of veterans to live with their nightmares and their injuries the hidden economic costs of inflation debts and taxes and more generally the damages caused to our culture our morality and to civilization at large The new edition is now available in paperback with a number of new essays It represents a large scale collective effort to pierce the veils of myth and propaganda to reveal the true costs of war above all the cost to liberty Central to this volume are the views of Ludwig von Mises on war and foreign policy Mises argued that war along with colonialism and imperialism is the greatest enemy of freedom and prosperity and that peace throughout the world cannot be achieved until the central governments of the major nations become limited in scope and power In the spirit of these theorems by Mises the contributors to this volume consider the costs of war generally and assess specific corrosive effects of major American wars since the Revolution The first section includes chapters on the theoretical and institutional dimensions of the relationship between war and society including conscription infringements on freedom the military as an engine of social change war and literature and the right of citizens to bear arms The second group includes reconsiderations of Lincoln and Churchill an analysis of the anti interventionist idea in American politics a discussion of the meaning of the just war an assessment of how World War I changed the course of Western civilization and finally two eyewitness accounts of the true horrors of actual combat by

At Power's Elbow Andrew Blick, 2013-08-15 Discreet inconspicuous prudent The perfect prime ministerial aide is always in the background a low profile figure unknown outside the Westminster bubble Unfortunately reality often falls short of the ideal for as long as the office of Prime Minister has existed its occupants have been supported by a range of colourful individuals who have garnered public interest controversy and criticism At Power s Elbow tells their story for the first time uncovering the truth behind three centuries worth of prime ministers and their aides Its subjects range from the early media managers and election fixers of Sir Robert Walpole to the

teams supporting the wartime premierships of David Lloyd George and Winston Churchill to the semi official Department of the Prime Minister established under Tony Blair Along the way Andrew Blick and George Jones demonstrate how these essential advisers can be a source of both solace and strife to their chiefs solving and causing problems in almost equal measure Above all they reveal how a Prime Minister s approach to his staff can define his premiership for better or for worse

Lectures on Modern History Lord Acton,2015-07-23 About this Title These are the lectures given by the great English classical liberal historian Lord Acton in the academic years 1899 1901 at Cambridge University It is a survey of modern history from the rise of the modern nation state to the American Revolution The book also contains his Inaugural Lecture of 1895 *Encyclopedia of the Age of Imperialism, 1800-1914* Carl C. Hodge,2007-11-30 In 1800 Europeans governed about one third of the world s land surface by the start of World War I in 1914 Europeans had imposed some form of political or economic ascendancy on over 80 percent of the globe The basic structure of global and European politics in the twentieth century was fashioned in the previous century out of the clash of competing imperial interests and the effects both beneficial and harmful of the imperial powers on the societies they dominated This encyclopedia offers current detailed information on the major world powers and their global empires as well as on the people events ideas and movements both European and non European that shaped the Age of Imperialism **Encyclopedia of Modern Political Thought (set)** Gregory Claey's,2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism Encyclopedia of Modern Political Thought is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western

and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft
