is often an unhealthy church existent with little or no Gospel influence These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd Jesus Christ We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding We suggest that every church leader needs a Gospel Coach to come alongside with words of truth wisdom and experience to encourage admonish comfort and help words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader
