## **Lord Do You Love Me With Cassette:**

Daddy Do You Love Me? Ariel Allison, Shelby Rawson, 2006-08-01 The United States is the world's leader in fatherless families. Marginalized by society into a distant and unemotional role as the family's bread winner, we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters' health and well-being and for some even on their spirituality. Millions of women have suffered physical and emotional scars due to absent fathers and have experienced the painful void not having this vital connection. This has created both authors' personal experience overcoming emotionally distant fathers, offering practical solutions and hope for healing this emotional and spiritual rift. From how to forgive an abusive father, coping with loneliness to nurturing healthy relationships and much more, this book is a tremendously empowering and enriching journey for women out of sadness and pain, breaking a legacy of loneliness and regret to a renewed hope for their lives. Included are chapter questions, pages for journaling, and a list of counseling resources.

*The Laws of Attraction* Michael Ross, 2013-05 If I asked you to create a list of everything in life that you love, where would you place your soul? Is it at the top, bottom, somewhere in the middle, or no entry at all? Do you know who you really are or how to properly use your gifts and talents? Are you going to give your soul what it craves or just choose to satisfy your natural appetite? Deep inside of you resides a person that hungers for something more than this life can ever give. Every day we make choices, and today I want to extend this invitation to all of you that are currently seeking a new direction in your life. Join me as we discover the path to your purpose because your destiny isn't lost; it's just waiting for you to unlock the door. Make this manual your choice and allow its pages to inspire you. My book works from the premise: What the eyes see, the mind considers; What the mind considers, the heart accepts; What the heart accepts, the body does. **Catalog of Copyright**

It was Michael's wish to bare his soul and unburden himself to a public that he knew was deeply suspicious of him. The resulting thirty hours

are the basis of The Michael Jackson Tapes There has never been and never will be anything like them In these searingly honest conversations Michael exposes his emotional pain and profound loneliness his longing to be loved and the emptiness of his fame You discover why he was suspicious of women and how only children provided the innocence for which he so desperately longed In his own words he takes us into the jarring moments of his childhood and speaks of the measures he took to try and heal He divulges how he came to be alienated from his strong religious anchor and describes his views on the nature of faith Michael brings us into his tortured yet loving relationship with his siblings He opens up about his father and his yearning for a time when they might finally reconcile He talks about his most personal friendships and shares with us his terror of growing old Despite his unprecedented fame and recent death there remain unanswered questions about his life The answers presented here in The Michael Jackson Tapes will both intrigue and move you You will be surprised riveted and troubled as you peer into the soul of a tragic icon whose life is an American morality tale and whose flame was extinguished much too early
