**Sermons and Addresses on Secret Societies, Fourteen Pamphlets in One Volume** Lebbeus Armstrong, 2024-03-20 Reprint of the original first published in 1882 [The Codes and Statutes of the State of California](#) Theodore H. Hittell, 1876 *Men Who Sell Sex* Peter Aggleton, 1999 While much is known about prostitution and sex work from studies of female sex workers and their customers relatively little is known about men who sell sex either to women or other men Particularly poorly understood are their motivations for doing so the circumstances in which the sale of sex occurs the meanings attached to the acts by both sex worker and client and the HIV

related risks involved Each chapter written by a national expert is based on months and even years of interviews with male sex workers including young boys and elderly men in some countries The workers discuss why they do the work what it is like and what their behavior means to them For example those who have regular sex with men often strenuously affirm their heterosexuality though there is considerable variety in their attitudes Each chapter relates the experiences of the male sex workers to the political economy of their neighborhood and assesses the implications of their work for HIV transmission and the AIDS epidemic The researchers and the sex workers discuss the value of different kinds of health promotion interventions

Loose Women, Lecherous Men Linda LeMoncheck,1997 The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women s sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women s sexuality across a broad political spectrum *Listening to Trauma* ,2014-11-25 Interviews and intimate photographic portraits of witnesses to the collective and cultural significance of trauma This new collection from Cathy Caruth features interviews with a diverse group of leaders in the theorization of and response to traumatic experience in the twentieth and twenty first centuries Crossing the boundaries of discipline and profession Caruth s subjects include literary theorists and critics psychoanalysts psychiatrists psychologists political activists filmmakers public intellectuals institutional leaders and researchers Exploring the intertwining of the intellectual and personal dimensions of experience each interview is accompanied by Caruth s intimate photographic portrait of its subject Caruth chose her subjects because of their impact on her thinking as well as their significant role as witnesses to the collective and cultural significance of trauma The individuals profiled here are innovators in the theory of trauma Part I in the clinical activist or testimonial interventions in trauma Part II or in the creation or modification of institutions that provide therapeutic artistic or legal responses to traumatic events Part III Two of the interviews first appeared in Caruth s landmark 1995 work *Trauma Explorations in Memory* The rest were conducted between 2011 and 2013 after the field of trauma studies expanded significantly Representing both the foundation of trauma research and cutting edge approaches to the topic this collection will be useful to practitioners with an interest in post traumatic stress disorder as well as scholars exploring the multiple dimensions of profound human experience A portion of the proceeds from sales of this book will go to the Grady Nia Project for abused suicidal and low income African American women **Sex** Richard Joseph Martin,Dieter Haller,2020-05-27 Focusing on the unacknowledged personal and often unconscious dimension Sex explores the intersection between sex and ethnography Anthropological writing tends to focus on the influence of status markers such as position gender ethnicity and age on fieldwork By contrast far less attention has been paid to how sex sexuality eroticism desire attraction and rejection affect ethnographic research In the book anthropologists reflect on their own encounters with sex during fieldwork revealing how attraction and desire influence the choice of fieldwork subjects field sites and friendships They also examine the resulting impact on fieldwork findings and the generation of knowledge Based on fieldwork in Germany Denmark Greece the

USA Brazil South Africa Singapore Turkey Israel Morocco and India the contributors go beyond the common heterosexuality homosexuality divide to address topics which include celibacy polyamory and sadomasochism This long overdue text provides perspectives from a new generation of anthropologists and brings the debate into the 21st century Examining challenging and controversial issues in contemporary fieldwork this is essential reading for students in anthropology gender and sexuality studies sociology research methods and ethics courses      **Secret Manipulations** Anne Storch, 2011-09-02 **Secret Manipulations** is the first comprehensive study of African register variation polylectality and derived languages It provides a new approach to local language ideologies and concepts of grammar and metalinguistic knowledge
