BMGT 364 Assignment 2: Mini-Management Plan

Assignment 2: Mini-Management Plan

Purpose:

In the second assignment, students will complete a mini-management plan that demonstrates how an organization operates on a day-to-day basis as well as over the long run. This assignment helps students develop the skills necessary to assess a management situation and to write a report based on the findings.

A management plan is a report that includes numerous sections that cover various aspects of the business.

Outcome Met by Completing This Assignment:

- integrate management theories and principles into management practices
- employ effective planning processes to develop strategies, goals, and objectives in order to enhance performance and sustainability
- organize human, physical, and financial resources for the effective and efficient attainment of organizational goals
- identify the essential characteristics of decision making and indicate the range and types of decisions a manager makes
