Three Years in the Federal Cavalry (Civil War Memoir) Thomas Coleman Younger, 2019-12-18 This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices Excerpt I have for a long time intended the publication of this book for I thought that such a work would not only be found interesting to the public but would do justice to the brave men with whom it was my fortune to be associated during the dark hours of the rebellion My descriptions of battles and skirmishes in some cases may seem too brief and unsatisfactory to which I can only say that scores of engagements which to the participants appear to be of vast importance have very little general interest On the other hand however it is to be regretted that where our gallant horsemen have done the most brilliant things it has been impossible for me in many instances to secure reliable and detailed accounts with which to do them full justice
