The Confessions** Saint Augustine (of Hippo), 1990 **A Compendious Syriac Dictionary** Jessie Payne Smith, 1999-02-23 In this major reference tool Jessie Payne Smith has abridged the great two volume work Thesaurus Syriacus by her late father But her task was not to simply edit down the earlier massive tomes She also provided English translations for each entry and additional notations Her father s dictionary had translated each Syriac word into Latin The Latin translations made it more internationally accessible but with the decline of the use of Latin it decreased in usefulness Her labors have insured that it continues to benefit scholars and students of Syriac **Transactions** ,1879 **A Compendious Syriac Dictionary** Robert Payne Smith, 1979 Published in 1903 this volume is a Syriac dictionary including abbreviations and explanations **A Compendious Syriac Dictionary** Robert Payne Smith, 1998 This standard lexicon of Syriac has long been the choice of students of Syriac both for its comprehensiveness and also because of its handy size It originated as an abridgement of Payne Smith s Thesaurus Syriacus a substantially larger work that also tends to be less accessible for the student Here the meanings of the Syriac words are given in English and the order of the Syriac is alphabetical to avoid requiring the student to know the root of the word being looked up An essential tool for anyone studying or researching Syriac texts or literature and for students of the Semitic languages The Compendious Syriac Dictionary was first published by Oxford University Press in 1903 and has been out of print for a number of years A quality Eisenbrauns reprint based on the 1976 printing **Treatise On Laughter** Laurent Joubert, 1980-06-30 Laurent Joubert b 1529 was an important figure in the medical world of the French Renaissance His monumental Treatise on Laughter provides categories and examples of the laughable The work describes laughter its causes and effects its types and differences His subdivisions and categories along with their examples furnish today s critic and reader with a Renaissance vision of comic commonplaces It is this vision that may prove to be of great value in analyzing comic literature of the Renaissance **The God of all comfort, and the secret of His comforting** Hannah Whitall Smith, 1906 **A Hebrew and English Lexicon of the Old Testament** Wilhelm Gesenius, 1844 **The Congregationalist** ,1924 **Littell's Living Age** ,1860 Baptist Church Perpetuity W. examines in detail many of the fundamentals of the Christian faith and challenges doctrines and actions held by some professing Christians today It reproduces many non Hebrews scriptures that are quoted so that readers do not have to look them up this is a time saver It has many additional questions at the end of a section to aid stimulate and guide the minds of Christians in their pursuit of the truth It includes the names and dates of many historical figures from theology hymnology philosophy and science It has a set of appendices at the back on various topics They are mainly from the Hebrews commentary so one does not have to search through the book for them *Baptist Church History Jarrel, W. Notwithstanding that many of the ablest Biblical expositors and theologians rightly regard the Romish church as the apocalyptic Babylon the great the mother of harlots and abominations of the earth the woman drunken with the blood of the saints and the blood of the martyrs of Jesus some church historians and some professors in Theo logical Seminaries treat her as the Christian church and the true witnessing church as heretics and heresies Surely it is high time this was re versed Baptist churches being regarded as but one among the Reformation sects no wonder there is so little interest in Baptist history that several of the best publications on Baptist history by the American Baptist Publication Society have hardly returned the financial outlay in publishing them Regarding Baptists but one of modern sects thinking and conscientious people naturally reject their exclusive claims and practices Seeing this Baptist opponents leave unturned no stone to teach the people that Baptist churches are in origin but of yesterday In this Baptist opponents are wiser than Baptists who are content that Baptist Church Perpetuity be presented as a trifle Seeing that one man has as much right to originate a church as has another ambitious and designing men by originating new sects are continuously adding to the babel of sectarianism Thus the answer to Christ s prayer that they may all be one that the world may believe that thou hast sent me is hindered and infidelity is perpetuated Calling on God to witness his sincerity the author of this book gladly expresses his Christian affection for every blood washed soul whatever may be his or her creed He begs that this book be taken not as an assault on any dear child of God but as a Biblical and historical exposition and demonstration of very important practical truth truth sorely needed for this falsely liberal and sectarian age The book has been worded and the proof read by time snatched in revival meetings from needed rest For any little oversights which possibly may appear in it let this be the explanation Nearly all quotations within this volume having been made in person by its author excepting a very few and they from reliable sources the reader can use them with the greatest assurance The author thanking the public for the generous reception given his other books which has encouraged him to send this one out with profound gratitude to God for the opportunity and the grace to publish this one signs himself A SINNER SAVED BY GRACE DALLAS TEXAS *Kierkegaard's Writings, XXIV, Volume 24 Søren Kierkegaard, 2009-09-21* Kierkegaard was driven to write The Book on Adler after news spread that a Danish pastor Adolph P Adler claimed to have experienced a revelation in which Christ dictated a new doctrine Like many others Kierkegaard was intrigued by Adler but for different reasons than most Over the eight years during which

Kierkegaard worked on the manuscript the phenomenon of Adler became a concern secondary to the larger question of authority Kierkegaard revised the manuscript many times and published a segment of it as The Difference between a Genius and an Apostle in Two Ethical Religious Essays but did not publish the work as a whole before his death The latest integral version of The Book on Adler is included here along with excerpts from the earlier drafts and a sampling of writing by Adler himself English-Cheyenne Dictionary Rodolphe Charles Petter,1915 **Publications of the Jesup North Pacific Expedition** Franz Boas,1900 The purpose of the Jesup North Pacific Expedition 1897 1902 to Siberia Alaska and the north west coast of Canada was to investigate relationships between the peoples on either side of the Bering Strait It was sponsored by Morris Jesup president of the American Museum of Natural History and planned and directed by Franz Boas Facial Paintings of the Indians of Northern British Columbia Franz Boas,1900
