Okkupatsiia Pravda I Mify

Yaacov Falkov

Okkupatsiia Pravda I Mify:

Between Hitler and Churchill Yaacov Falkov, 2025-02-11 *Between Hitler and Churchill* exposes an unknown facet in the World War II history the attempt of a senior official in the Polish government in exile to collude with the Third Reich and a successful British intelligence operation which thwarted this move in its infancy This surprising and fascinating event is described through the personal stories of its two main protagonists Polish Jews One of them mediated the said Polish German contacts while the other assisted the British in capturing the mediator in the Middle East and murdering him there without trial Although it reads like a historical thriller the book is based on British Polish German and Russian diplomatic and intelligence reports many of which are revealed and analyzed here for the first time

Stalin's Commandos Alexander Gogun, 2015-11-12 At the height of World War II a large number of Soviet partisans fought on the Eastern Front against the Axis occupation In this book Alexander Gogun looks at the forces operating in Ukraine The Nazi atrocities were often matched by partisan brutality The author examines the indiscriminate use of scorched earth tactics by the partisans the destruction of their own villages partisan generated Nazi reprisals against civilians and the daily incidents of robbery drunkenness rape and bloody internal conflicts that were reported to be widespread amongst the red partisans Gogun also analyses allegations of the use of bacteriological weapons and even instances of cannibalism He shows that all these practices were not a product of the culture of warfare nor a spontaneous people's response to the unremitting brutality of Nazi rule but a specific feature of Stalin's total war strategy

Soviet Russians under Nazi Occupation Johannes Due Enstad, 2018-07-12 In this compelling account of life and death in a Russian province under Nazi occupation Johannes Due Enstad challenges received wisdom about Russian patriotism during World War II With the benefit of hindsight we know how hopelessly destructive Germany's war against the Soviet Union was Yet ordinary Russians witnessing the advancing German forces saw things differently For many of them having lived through collectivization and Stalinist terror in the 1930s the invasion created hopes of a better life without the Bolsheviks German policies on land and church helped sustain those hopes for parts of the population Drawing on Soviet and German archival sources as well as eyewitness accounts memoirs and diaries Enstad demonstrates the impact of Nazi rule on the mostly peasant population of northwest Russia and offers a reconsideration of the relationship between the Soviet regime and its core Russian population at this crucial moment in their history

Cinepaternity Helena Goscilo, Yana Hashamova, 2010-03-30 This wide ranging collection investigates the father son dynamic in post Stalinist Soviet cinema and its Russian successor Contributors analyze complex patterns of identification disavowal and displacement in films by such diverse directors as Khutsiev Motyl Tarkovsky Balabanov Sokurov Todorovskii Mashkov and Bekmambetov Several chapters focus on the difficulties of fulfilling the paternal function while others show how vertical and horizontal male bonds are repeatedly strained by the pressure of redefining an embattled masculinity in a shifting political landscape

The War Behind the Eastern Front Alexander Hill, 2005 A study based on Soviet and

German archival sources of Soviet partisan activities in the rear of the German Army Group North 1941-44 **Late Stalinist Russia** Juliane Fürst, 2006-09-27 With cutting edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics
