Old French Romances William Morris, 2015-06-27 Excerpt from *Old French Romances Done Into English* Introduction have been eagerly snapped up by the lovers of good books It seemed a pity that these cameos of romance should suffer the same fate as Mr Lang's version of Aucassin et Nicolette which has been swept off the face of the earth by the Charge of the Six Hundred who were lucky enough to obtain copies of the only edition of that little masterpiece of translation Mr Morris has therefore consented to allow his versions of the Romances to be combined into one volume in a form not unworthy of their excellence but more accessible to those lovers of books whose purses have a habit of varying in inverse proportion to the amount of their love He has honoured me by asking me to introduce them to that wider public to which they now make their appeal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving
