

PARISH COUNSELING SERVICES (PCS)

WHAT?

PCS is short term professional counseling through Catholic Charities or independent licensed Catholic counselors available to help parishioners, through difficult issues such as marital problems, raising children, eldercare, bereavement or the stress of job loss that can be successfully addressed with brief counseling support, which is defined as six (6) sessions. Please note: Short term counseling is not an appropriate treatment for severe or persistent mental illness.

WHERE?

At locations throughout the Diocese of Trenton either at offices of Catholic Charities or at the private offices of independent Catholic Counselors working with PCS.

HOW?

You can access PCS through your pastor or a parish priest, who can help you complete and will send in a short referral form to get it started. *So, reach out to your pastor.*

A PCS coordinator will contact you to arrange for counseling after clarifying more about what you are looking to get.

Parish Counseling:

Understanding Pastoral Counseling Elizabeth A. Maynard, PhD, Jill L. Snodgrass, PhD, 2015-06-09 Print CourseSmart
Introduction to Pastoral Counseling Loren Townsend, 2009-06-01 Grounded in empirical research and richly illustrated with case studies this introduction continues the theoretical practical and theological expansion of Pastoral Care and Counseling Because of increasing cultural diversity and the fact that more training is done outside of seminaries in non seminary related colleges and universities there is fragmentation in the discipline This makes a coherent orientation to pastoral care and counseling as a ministry increasingly difficult To address this confusion author Loren Townsend calls us to readdress basic understandings He also makes the case that pastoral identity can function as a unifying concept **Clinical Handbook of Pastoral Counseling** Robert J. Wicks, Richard D. Parsons, Donald Capps, 1993 Building on the groundbreaking original work with the same title these articles focus on current issues such as certain life stages special populations the devalued and abused the addicted and special issues of the 1990 s Brief Pastoral Counseling Howard W. Stone, Most pastoral counselors clergy and psychotherapists assume that truly effective counseling requires months or even years Studies have proven otherwise showing that most people come for four or fewer sessions and that the majority of any counseling s effectiveness occurs in the opening few sessions Parish Counseling Edgar Newman Jackson, 1975 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *Pastoral Counseling for Orphans and Vulnerable Children* Tuntufye Anangisye Mwenisongole, Elia Shabani Mligo, 2018-04-27 The existence of orphans is as inevitable to most African cities and the world as it is death These orphans are caused by the death of one or both parents due to various reasons including the scourge of HIV and AIDS Being orphans most of them are vulnerable to difficult lives because they have nobody to fend for them and take care of their lives They lack adequate food living expenses school fees and care since their current guardians are also in adverse economic situations In such situations orphans end up living a life of hopelessness and trauma which makes them deeply remember their dead parents and the care they received from them before death Following the vulnerable situation of most orphans this book through a study done in the Tanzanian context challenges churches to extend their counseling and caring ministries to Orphans and Vulnerable Children OVC It purports that the use of narrative approach is the most effective way to enter into the world of vulnerable children in order to provide pastoral counseling to them This approach helps pastoral counselors to use life stories proverbs biblical narratives plays arts songs riddles poems symbols and images as healing and coping mechanisms for OVC Therefore this book is helpful not only to churches and their ministry to orphans and vulnerable children but also to those who care for orphans in their homes Moreover it will be helpful to children who live in adverse conditions worldwide to find ways to cope with their situations through the stories of children used inside this book **Solution-focused Pastoral Counseling** Charles Allen Kollar, 1997 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits

pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God s activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required

Strategies for Brief Pastoral Counseling Howard W. Stone, Written by a new generation of recognized experts in pastoral care these brief foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling

Pastoral Counseling in Africa Ibidun B. Daramola, 2016-07-05 This is the first time an author has listened to pastors in Africa This book presents a practical record of pastoral counseling in Africa It accounts for the wide difference between pastoral counseling in Africa and the West considering that the pastoral counselors in Africa received Western theological training It also presents a theological perspective of the pastoral counseling ministry in Africa and the West As concerns their counseling role if we may borrow an expression from the children of Israel in Egypt our pastors are being asked to make bricks without straw This is because they receive practically no training for this aspect of their work Evidently the grace of God is very much involved otherwise a lot of tragedy would be the normal result of what is sometimes the blind leading the blind Counseling in the context of the church was the field of research for Dr Ibidun Daramola Her scholarly study has resulted in valuable contribution to knowledge in the highest degree She has documented for us some things we suspected but did not know for sure some things we thought we knew but actually did not know and some things we did not even know we need to know Emmanuel Oladipo

[A History of Pastoral Care in America](#) E. Brooks Holifield, 2005-11-01 Here for the first time the development of pastoral care as a discipline has been documented Dr Holifield details the shift in emphasis from saving souls to supporting individuals in self realization and in the process raises thought provoking questions about the preoccupation with psychological methodology evident in modern society and clergy Every pastor wittingly or unwittingly adopts some

theory of pastoral counseling whether it be derived from the seventeenth century or from the twentieth says Dr Holifield From colonial America s intellectual approach to today s therapeutic self culture he explores those theories Theological social economic and psychological threads are interwoven with fascinating conversational examples to show how Protestantism helped to form and was influenced by changing social orders Broad in scope scholarly in detail yet immensely readable this is an important book for clinical pastoral educators students professionals everyone interested in church and social history

Pastoral Counseling James E. Dittes,1999-01-01 In this invaluable resource for pastors and seminarians James Dittes offers answers to some of a minister s basic counseling questions how do I guide counseling conversations yet empower those who feel helpless How do I negotiate relationships with people who I may counsel on one day and from whom I must seek a housing allowance on the next Can I be psychologically adept while remaining theologically faithful Dittes offers a wealth of insight into these and other fundamental issues **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1991 **The Reform of the Church** Donald G. Bloesch,1998-10-13 In his book Donald Bloesch points the way towards much needed reforms within Protestantism showing how Catholic thinking in this area can be of aid to Protestants He sounds the call for sacramental and spiritual renewal within the church today and gives a fresh interpretation of the sacraments of baptism and the Lord s Supper He also discusses such rites as confession and confirmation as well as spiritual healing and other charismatic gifts The book concludes with a call to Christian unity based upon the Gospel of free grace declared in Holy Scripture The Reform of the Church is both evangelical and ecumenical and can be recommended to anyone who is earnestly seeking the renewal of the church in our time **Scholar, Priest, and Pastor** John Henry Morgan,1998 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,1997 *Pastoral Care in Context* John Patton,2005-01-01 An expert in the field of pastoral care John Patton demonstrates that pastoral care is a ministry of the church He focuses on the community of faith as an authorizer and source of care and upon the relationship between the pastor and a caring community Patton identifies and compares three paradigms of pastoral care the classical the clinical pastoral and the communal contextual This third paradigm emphasizes the caring community and the various contexts for care rather than focusing on pastoral care as the work of the ordained pastor

If you ally infatuation such a referred **Parish Counseling** book that will have enough money you worth, acquire the very best seller from us currently from several preferred authors. Parish Counseling Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parish Counseling has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parish Counseling has opened up a world of possibilities. Downloading Parish Counseling provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parish Counseling has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parish Counseling. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parish Counseling. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parish Counseling, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parish Counseling has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Parish Counseling Books

1. Where can I buy Parish Counseling books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
