Piercing The Heartland A History Tour

Mark Hoffman

Piercing The Heartland A History Tour:

Piercing the Heartland Jim Miles, 1999-10-01 Piercing The Heart and A History and Tour Guide of the Fort Donelson Shiloh and Perryville Campaigns by Jim Miles traces the history of the Civil War from the attack on Logan s Crossroads through the battle of Shiloh and the running war through Tennessee and Kentucky during the Perryville campaign Includes driving tours *American Military History* Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South "My Brave Mechanics" Mark Hoffman, 2007 An important and little known chapter of Michigan s Civil War history drawn from the letters diaries and regimental records of the First Michigan Engineers and Mechanics regiment As volunteer engineers for the Union army the First Michigan

Engineers and Mechanics regiment was made up of skilled artisans craftsmen railroad men and engineers whose behind the scenes work was crucial to the Union victory Charged with maintaining the Union supply line in the western theater the engineers constructed and repaired a staggering number of bridges blockhouses fortifications railroads and telegraph lines to keep the Union army functioning in the aftermath of battle My Brave Mechanics traces the history of this little known unit revealing their substantial engineering accomplishments as well as their combat experience Although they were charged primarily with engineering work the regiment also saw substantial direct combat action Confederate guerillas and bushwackers bent on disrupting vital communication and supply lines routinely disregarded the usual rules of warfare to target the engineers They struck quickly and sometimes at night exploiting the isolation and vulnerability of the workmen who unlike regular infantrymen were almost never dug in and ready for an attack Yet despite the odds against them the Michigan engineers are recognized for several key accomplishments including their work in keeping the railroad open south from Union supply depots in Louisville the relief of the Union forces in Chattanooga and destruction of rebel railroads during Sherman s march through Georgia and the Carolinas The regiment s senior officers also held important posts within the Union military organization in the west and were instrumental in developing a coherent policy for the use of captured rebel railroads and infrastructure Historian Mark Hoffman offers readers a detailed account of the Michigan engineers from a wealth of sources including letters diaries regimental papers communications and orders from the military establishment period newspapers and postwar accounts As little has been written about Union volunteer engineers in the western theater their unique history will undoubtedly be fascinating reading for Civil War buffs local historians and those interested in the history of American military engineering

Forging a New South Maury Nicely, 2023-05-19 On the morning of August 21 1861 John T Wilder a brash young colonel of a Union mounted infantry unit nicknamed the Lightning Brigade ordered his men to open fire on the city of Chattanooga Tennessee damaging buildings sinking steamboats along the riverfront and injuring men women and children In the midst of Reconstruction and an emerging new South a mere eight years later Wilder was elected mayor of Chattanooga While Wilder is most closely associated with the Lightning Brigade which helped to pioneer the use of both mounted infantry and repeating firearms during the American Civil War his military accomplishments occupied only five years of his eighty seven year life His immense postwar success however left a permanent mark on the industrial development of the war torn South in the second half of the nineteenth century It is the comprehensive picture of Wilder s nearly nine decades that Maury Nicely seeks to capture in Forging a New South The Life of General John T Wilder For many war heroes there was not much beyond the war worth telling Nicely writes Such was not the case with Wilder A successful entrepreneur and industrialist after the war Wilder relocated to East Tennessee where he created dozens of businesses factories mines hotels and towns was elected mayor of the city he had shelled during the war and cultivated close personal and business relationships with Federal and Confederate veterans alike helping to create a new South in the wake

of a devastating conflict Presented in two parts and accompanied by more than sixty detailed photographs and maps Nicely's balanced study fills a significant void the first complete biography of General John T Wilder *Staff Ride Handbook for the Battle of Perryville, 8 October 1862* ,2005 The US Army has used Civil War and other battlefields as outdoor classrooms to educate and train its officers Since 1983 the Combat Studies Institute has produced a series of staff ride guides to assist units and classes in this training The Confederate counteroffensive defeated Union hopes to end the war in 1862 However by mid October hard on the heels of the broad Confederate advance the Union forces had regained the strategic and operational advantage Union victories at Antietam in the east and Perryville in the west carried significant weight in determining the final outcome of the conflict While vast literature surrounds the former battle Perryville has been somewhat neglected This work seeks to alleviate that lacuna This Staff Ride Handbook for the Battle of Perryville 8 October 1862 is a valuable study that examines the key considerations in planning and executing the September-October campaign and battle Modern tacticians and operational planners will find themes that still resonate Cameron demonstrates that Civil War leaders met their challenging responsibilities with planning discipline ingenuity leadership and persistence themes that are well worth continued reflection by today's officers *Air University Library Index to Military Periodicals* ,1998 *Master of War* Benson Bobrick,2009-02-10 In this revelatory dynamic biography one of our finest historians Benson Bobrick profiles George H Thomas arguing that he was the greatest and most successful general of the Civil War Because Thomas didn't live to write his memoirs his reputation has been largely shaped by others most notably Ulysses S Grant and William Tecumseh Sherman two generals with whom Thomas served and who Bobrick says diminished his successes in their favor in their own memoirs Born in Virginia Thomas survived Nat Turner's rebellion as a boy then studied at West Point where Sherman was a classmate Thomas distinguished himself in the Mexican War and then returned to West Point as an instructor When the Civil War broke out Thomas remained loyal to the Union unlike fellow Virginia born officer Robert E Lee among others He compiled an outstanding record as an officer in battles at Mill Springs Perryville and Stones River At the Battle of Chickamauga Thomas at the time a corps commander held the center of the Union line under a ferocious assault then rallied the troops on Horseshoe Ridge to prevent a Confederate rout of the Union army His extraordinary performance there earned him the nickname The Rock of Chickamauga Promoted to command of the Army of the Cumberland he led his army in a stunning Union victory at the Battle of Chattanooga Thomas supported Sherman on his march through Georgia in the spring of 1864 winning an important victory at the Battle of Peachtree Creek As Sherman continued on his March to the Sea Thomas returned to Tennessee and in the battle of Nashville destroyed the army of Confederate General John Bell Hood It was one of the most decisive victories of the war and Thomas won it even as Grant was on his way to remove Thomas from his command When Grant discovered the magnitude of Thomas's victory he quickly changed his mind Thomas died of a stroke in 1870 while still on active duty In the entire Civil War he never lost a battle or a movement Throughout his career Thomas was

methodical and careful and always prepared Unlike Grant at Shiloh he was never surprised by an enemy Unlike Sherman he never panicked in battle but always remained calm and focused He was derided by both men as Slow Trot Thomas but as Bobrick shows in this brilliant biography he was quick to analyze every situation and always knew what to do and when to do it He was not colorful like Grant and Sherman but he was widely admired by his peers and some such as Grant's favorite cavalry commander General James H Wilson thought Thomas the peer of any general in either army He was the only Union commander to destroy two Confederate armies in the field Although historians of the Civil War have always regarded Thomas highly he has never captured the public imagination perhaps because he has lacked an outstanding biographer until now This informed judicious and lucid biography at last gives Thomas his due *Piercing the Heartland* Jim Miles,1991 Includes driving tours and a history of the Civil War campaigns in Kentucky and Tennessee **Testament** Benson

Bobrick,2008-06-30 The story of the author's great grandfather's Civil War experience based on a remarkable set of newly discovered letters a powerful moving addition to the firsthand soldiers accounts of the Civil War Dear Mother I was very glad to hear from home this morning It is the first time since I left Otterville We marched from Sedalia 120 miles I almost feel anxious to be in a battle but their wry intelligence fortitude and patriotic fervor also set them apart with a singular and still undying voice In the end that voice blends with the author's own as the book becomes a poignant tribute to his great grandfather's life and to all the common soldiers of the nation's bloodiest war **Morning to Midnight in the Saddle**

Otho James McManus,2012-01-01 Seven days before Lee's surrender Lieutenant Otho McManus was killed leading a battle charge in Alabama During the previous thirty months the young Midwestern schoolteacher wrote more than a hundred letters His polished writing reflects his hopes ambitions fears war experience and domestic concerns The letters describe his capture while rescuing a wounded cousin a deadly case of friendly fire opinions of officers and war prospects and strong feelings about anti war dissent McManus served in the 123rd Illinois Mounted Infantry This regiment was an integral component of the elite Wilder's Lightning Brigade Wilder's Brigade played pivotal roles in battles and campaigns in Tennessee Georgia and Alabama McManus letters include extended accounts of the battles of Chickamauga Hoover's Gap and Perryville and the Atlanta Campaign among other campaigns battles and skirmishes The editors have supplemented the letters with a detailed chronology of the regiment's movements with an account of explosive political developments in McManus home country and with post war sketches of people mentioned in the letters The editors have also included statistical analyses of the regiment's demographics mortality and desertion rates The commentary is based on hundreds of commanders reports from the Official Records of the War of the Rebellion from dozens of pension and compiles service records from more than a dozen court martial transcripts and from other soldiers diaries and letters *Hell's Broke Loose in Georgia* Scott Walker,2007-07-01 Darling I never wanted to go home as bad in my life as I do now and if they don't give me a furlow I am going any how Written in December 1862 by Private Wright Vinson in Tennessee to his wife Christiana in

Georgia these lines go to the heart of why Scott Walker wrote this history of the Fifty seventh Georgia Infantry a unit of the famed Mercer s Brigade All but a few members of the Fifty seventh lived within a close radius of eighty miles from each other More than just an account of their military engagements this is a collective biography of a close knit group Relatives and neighbors served and died side by side in the Fifty seventh and Walker excels at showing how family ties friendships and other intimate dynamics played out in wartime settings Humane but not sentimental the history abounds in episodes of real feeling a starving soldier s theft of a pie another s open confession in a letter to his wife that he may desert a slave s travails as a camp orderly Drawing on memoirs and a trove of unpublished letters and diaries Walker follows the soldiers of the Fifty seventh as they push far into Unionist Kentucky starve at the siege of Vicksburg guard Union prisoners at the Andersonville stockade defend Atlanta from Sherman and more Hardened fighters who would wish hell on an incompetent superior but break down at the sight of a dying Yankee these are real people as rarely seen in other Civil War histories **Infantry** ,1994

A River Unvexed Jim Miles,1994 When the Civil War began control of the Mississippi River was the Confederacy s most important asset For more than two years 200 000 soldiers fought over a 500 mile stretch of the waterway the longest battlefield in American history Here is the first comprehensive account of the campaign for the entire Mississippi River Illustrated **Annals of Iowa** ,2009 **AB Bookman's Weekly** ,1999 **Civil War Books** Tom Broadfoot,1996 **The Publishers Weekly** ,1995 Tennessee Librarian ,1992 **Civil War Times Illustrated** ,1992

Piercing The Heartland A History Tour Introduction

In the digital age, access to information has become easier than ever before. The ability to download Piercing The Heartland A History Tour has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Piercing The Heartland A History Tour has opened up a world of possibilities. Downloading Piercing The Heartland A History Tour provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Piercing The Heartland A History Tour has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Piercing The Heartland A History Tour. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Piercing The Heartland A History Tour. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Piercing The Heartland A History Tour, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Piercing The Heartland A History Tour has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical

downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Piercing The Heartland A History Tour Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Piercing The Heartland A History Tour is one of the best book in our library for free trial. We provide copy of Piercing The Heartland A History Tour in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Piercing The Heartland A History Tour. Where to download Piercing The Heartland A History Tour online for free? Are you looking for Piercing The Heartland A History Tour PDF? This is definitely going to save you time and cash in something you should think about.
