Pre Exilic Prophecy

Pre Exilic Prophecy:

The Conscience of Israel Bruce Vawter, 1961 **Pre-exilic Prophecy** Richard J. Sklba, 1990-01-01 *In Search of Pre-exilic Israel* John Day, 2004 In recent years certain revisionist scholars have claimed that little can be known about pre exilic Israel because the Old Testament was compiled only after the exile This book argues that this is an extreme and untenable position and that though the Old Testament was indeed edited in the exilic and post exilic periods many of the underlying sources go back to pre exilic Israel and when critically analysed can shed much light on that period This volume surveys not only historiography but also various aspects of what can be known of pre exilic prophecy law wisdom and psalmody The light shed by archaeology and ancient Near Eastern texts is also evaluated This important work is the product of an impressive international team of seventeen noted scholars All the contributions previously unpublished arise from papers delivered to the Oxford Old Testament seminar Prophets, Prophecy, and Prophetic Texts in Second Temple Judaism Michael Floyd, Robert D. Haak, 2006-02-28 Essays examine the work of prophets in Second Temple Judaism **The Old Testament Writings**, 1982-01-01 A simple and direct introduction to the Old Testament The Old Testament Writings emphasizes the faith dimension of the Old Testament The literary critical and historical problems of the Old Testament are discussed but only to provide help in understanding the faith of the Bible This very enjoyable and readable book offers a step by step approach to comprehending the Old Testament and is designed for the lay reader the Bible student seminary introductory courses and church schools This is a complementary text to The New Testament Writings Both volumes offer a comprehensive understanding of the Bible making them valuable resources for education growth and faith **God's Word to Israel** Joseph Jensen, 1990 An entirely new revision of a popular college textbook Jensen has not only updated all the helpful reading lists throughout the book but he has also allocated the speculative discussion of inspiration and interpretation to the end of the volume Only after actively studying and explaining the text of the Old Testament is anyone ready to reflect back upon the process This volume puts each book of the Old Testament into a wide historical religious frame and points out the relationship and contrast of various schools or traditions **The Holy City** Leslie J. Hoppe, 2000 The Holy City begins with a review of the place of Jerusalem in the three Abrahamic religions Judaism Christianity and Islam Each of these is in some way an heir and reinterpreted of the religion of ancient Israel This book proves the place of Jerusalem according to the religious traditions of ancient Israel as preserved in the Old Testament and some early Jewish texts *The Religion of the Post-exilic Prophets* William Henry Bennett, 1907 The prophetic achievement Charles Francis Whitley, 1963 **Prophecy and Covenant** Ronald Ernest Clements, 2009-09-01 Explore biblical theology with monographs from a diversity of experts The Studies in Biblical Theology series includes a wealth of resources to help you understand the development of various doctrines concepts and terminology across the Old and New Testaments Investigate the characteristics of worship in the early church with studies on its liturgy and sacraments Fine tune your understanding of Jesus ministry by exploring his

wilderness experience and the nature of his mission Delve into detailed word studies investigate Christological titles used by Paul and come to a new appreciation of the Ten Commandments These in depth treatments will give you a better grip on key theological themes found throughout the Bible The Messages of the Later Prophets Frank Knight Sanders,1899

Jeremiah in Prophetic Tradition Hetty Lalleman-de Winkel,2000 In this study it is argued that the book of Jeremiah was influenced by the books of Amos and Hosea All three books show a similar pattern of development There is a correspondence between the reactions of those addressed and the prophetic message which changes from the preaching of repentance to a message of irreversible judgment Finally these prophets testified that only God could bring about a new future This study which originally took the form of a dissertation examines several topics common to Hosea Amos and Jeremiah Dr Lalleman demonstrates important correspondences which point to a prophetic tradition received and developed by Jeremiah in his own way The research concentrates on the themes of repentance and hope covenant and the role of the prophet in intercession as well as his personal involvement in his message The differences between these prophetic books however show that the individual characteristics of each prophet must not be neglected The assumption of one monolithic Deuteronomistic redaction responsible for the editing of all the books is therefore unlikely The prophets are best interpreted in their own historical contexts although they are connected by a common spiritual heritage a prophetic tradition *Dictionary of Biblical Prophecy and End Times* J. Daniel Hays,J. Scott Duvall,C. Marvin Pate,2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again

The Prophecy of Isaiah J. Alec Motyer,2015-11-11 Presenting a wealth of comment and perspective on the book of Isaiah J Alec Motyer pays particular attention to three recurring themes the messianic hope the motif of the city and the theology of the Holy One of Israel This rich accessible commentary is a wise winsome and welcome guide to Isaiah for Christians today Cultic Prophecy in the Psalms John W. Hilber,2012-02-13 Doubts about the contribution of cult prophetic speech to psalmody remain in debate Psalms containing first person divine speech exhibit numerous features and suggest life settings that conform to actual prophetic speech Alternative explanations lack comparable examples external to psalms On the other hand Assyrian cultic prophecies parallel the characteristics of prophetic speech found in psalms The Assyrian

sources support possible composition and performance scenarios that overcome objections raised against the compatibility of genuine prophecy with psalmody A model of cultic prophecy remains the best explanation for the origin of psalms containing first person divine speech

Isaiah Among The Ancient Near Eastern Prophets Matthijs J. De Jong,2007 Offering a comparison between the earliest parts of the book of Isaiah and the Assyrian prophecies this book maintains that ancient Israelite prophecy of which Isaiah was an exponent was much in conformity with ancient Near Eastern prophecy in general

The Newer Criticism and the Analogy of the Faith Robert Watts,1882 **The Salvation of the Remnant in Isaiah 11** Gerald Emem Umoren,2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which proposes the salvation of the remnant

The New Criticism and the Analogy of the Faith. A Reply to Lectures by W. Robertson Smith on the Old Testament in the Jewish Church Robert Watts,2024-04-08 Reprint of the original first published in 1882 **The Newer Criticism and the Analogy of the Faith** Robert Watts,2024-05-30 Reprint of the original first published in 1882
