Italian Americana ,1993 **A Safe Place** Lorenzo Carcaterra,1994-04-02 Dramatic graphic and wrenching The reader is left to wonder at the devastation of Carcaterra s youth at his survival to adulthood and at the grace that allowed him to craft this piercing memoir THE WASHINGTON POST Lorenza Carcaterra grew up in Hell s Kitchen New York in the 1950s and 60s in a confusing world of love and fear of his paradoxically violent and affectionate father Then Lorenzo learned that his father had murdered his first wife And he wondered how he could love his father again Did he possess the same murderous fury would he someday suddenly lash out at those he loved As his father s physical abuse escalated Lorenzo sought frantically for a safe place a place where he could find hope and reconciliation and peace where his father s terrible shadow no longer lingered Now decades later Lorenzo has finally come to terms with the awful truth about his father A SAFE PLACE is the brilliant result **True Crime Narratives** Ben Harrison,1997 Takes the reader on an exploration of this genre from the mid nineteenth century through 1993 **The New York Times Book Review** ,1993 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The Publishers Weekly** ,1899 The Library Journal ,1993 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Newsmakers 1996 Sub Part 4 Cum** Newsmakers,1997

found embedded in other sources such as the works of orators and historians Greek literature from the epics of Homer to the classical dramas provides a valuable source of information However since literary sources are fictional portrayals and often reflect the times and biases of the authors other more concrete evidence from archaeology has been used throughout the volume to confirm and contextualize the literary evidence about women crime and punishment in ancient Greece The volume is divided into three parts I Mykenean and Archaic Greece II Classical Greece and III the Hellenistic Period The book includes illustrations maps lists of Hellenistic dynasties and Indices of Persons Place and Subjects Crime and punishment criminal law and its administration are areas of ancient history that have been explored less than many other aspects of ancient civilizations Throughout history women have been affected by crime both as victims and as offenders In the ancient world customary laws were created by men formal laws were written by men and both were interpreted and enforced by men This two volume work explores the role of gender in the formation and administration of ancient law and examines the many gender categories and relationships established in ancient law including legal personhood access to courts citizenship political office religious office professions marriage inheritance and property ownership Thus it focuses on women and crime within the context of women in the society
