Smelser,2009-03-05 This bold and innovative book traces the phenomenon of the odyssey experience as it shapes informs and defines our lives Drawing on an astonishing range of examples Neil J Smelser focuses on how such experiences enhance our lives and provide us with meaning and dignity The odyssey experience as Smelser advances it is generic widespread and recurring It is a finite period of disengagement from the routines of life and immersion into a simpler transitory often collective usually intense period of involvement that culminates in some kind of regeneration By examining a variety of topics as part of a larger overarching phenomenon Smelser transforms their study from the particular to the comparative The Odyssey Experience thus reaches beyond a simple description of where and how transformations occur in daily life to offer a profound explanation for why they are there Archive, Slow Ideology and Egodocuments as Microhistorical Autobiography Sigurður Gylfi Magnússon,2021-08-29 This book aims to demonstrate how scholars in recent times have been utilizing egodocuments from various angles and providing an opening for the multivocality of the sources to be fully appreciated The first part of the book is concerned with the significance of egodocuments both for the individual him herself who creates such documents and also for the other who receives them The author approaches the subject on the basis of his own personal experience and goes on to discuss the importance of such documents for the academic world emphasizing more general

questions and issues within the fields of historiography philosophy of history microhistory and memory studies The second part of the book is based upon a photographic collection an archive that belonged to the author s grandfather who over decades accumulated photographs of vagabonds and outsiders This part seeks to explore what kind of knowledge can be applied when a single source an archive document letter illustration etc is examined and whether the knowledge derived may not be quite as good in its own context as in the broader perspective The saga Uncharted Nicolas Deneschau, Bruno Provezza, 2024-07-31 In movies defining a classic means judging the quality of a director the acting of the actors or the value of a script But when it comes to video games which are inextricably linked to technological evolution it is not so easy to predict which games will age well and stand the test of time Uncharted has the feel of a classic grand adventure with thrilling action and great dialogue One thing is certain few video game series have earned that label Mixing a form inherited from the Hollywood pulp classics with great writing made the saga instantly enjoyable thrilling and exciting In addition to discovering the secrets of the creation of each title in the saga you ll also be able to immerse yourself in its universe and discover its historical inspirations A way to create your own adventure **Contemporary Society: xvii, 325 p.
