Sagebrush Heritage:

A Sagebrush Heritage Lorena Edwards Meadows,1972 History of Nevada Russell R. Elliott,1987-01-01 Maintaining the same high standards of the first edition published in 1973 this new revised edition is still the most comprehensive one volume history of a state that was once thought of as a bridge to somewhere else In revising Elliott summarizes the state s economic political and social history since 1973 and strengthens a major point he made then that Nevada s acceptance of liberal marriage and divorce laws and of legalized gambling brought economic stability to a state singularly devoid of stable economic resources from Book Jacket **Recreation Area Management Final Plan for the Steens Mountain**

Recreation Lands, Oregon ,1985 **Oregon wilderness** ,1985 **Blazing Heritage** Hal K. Rothman,2007-04-12 National parks played a unique role in the development of wildfire management on American public lands With a different mission and powerful meaning to the public the national parks were a psychic battleground for the contests between fire suppression and its use as a management tool Blazing Heritage tells how the national parks shaped federal fire management

Ordinary Women, Extraordinary Lives Kriste Lindenmeyer,2000-06 This collection of seventeen minibiographies sheds light on the often neglected herstory of U S history from the revolutionary era through the late twentieth century In addition this volume suggests the complexity of studying the past when gender race class region age and ethnicity are included in the analysis This book is unique in that it focuses on the lives of ordinary women The names of the vast majority of those whose stories are included here will likely be unfamiliar even to serious students of American women s history The varied experiences of such women help to create a more complete picture of the past by revealing the influence general historical trends have had on the lives of ordinary individuals But ordinary does not mean lesser nor does it denote class race ethnicity or age The individual women s stories that are told in the following pages show that even people who are not featured in mainstream history texts led lives that deserve the attention of those interested in understanding the past The authors of these chapters have found support for generalizations commonly held by American women s historians Nonetheless their research has also led to unexpected findings that ask students of women s history to examine assumptions about the past more closely *Sagebrush Heritage* Robert J. Boise District Office,1989 [You Are My Sunshine](#) Robert Mann,2025-02-12 In *You Are My Sunshine* Robert Mann weaves together the birth of country music Louisiana political history World War II and the American civil rights movement to produce a compelling biography of one of the world s most popular musical compositions This is the story of a song that despite its simple sweet melody and lyrics holds the weight of history within its chords The song s journey to global fame began in 1939 when two obscure hillbilly groups recorded it By the century s end it was a cultural phenomenon covered by hundreds of artists spanning every genre It entered the Grammy Hall of Fame in 1999 and the Library of Congress National Recording Registry in 2012 At the center of this story is Jimmie Davis who capitalized on his country music stardom to win two terms as Louisiana s governor In 1940 Davis became the third artist to record *Sunshine* after he bought it and claimed it as his composition The song became his anthem and a staple of his political rallies radiating warmth and wholesomeness Its sunny tune encouraged listeners to forget Davis s earlier recording career marked by risqu blues recordings that clashed with the upright gospel singing image he later cultivated As *You Are My Sunshine* grew in popularity so did its link to Louisiana s singing governor In 1977 the Louisiana Legislature made it a state song In this biography equal parts the story of Davis and the odyssey of his song we discover that *Sunshine* shaped the early rise of country music but became tangled in Davis s pro segregation policies briefly overshadowing its legacy *You Are My Sunshine* explores the song s contested origins its rise to legendary status and its ongoing resonance with millions This is more than the story of a simple song it s a biography of a cultural icon enduring and ubiquitous as sunshine itself **Star Lake, Bisti Regional Coal Right-of-way** ,1979 *Utah Museum of Natural History New Museum Facility* ,2006 *American Heritage* ,1998
