Muḥammad ibn ‘Umar Tūnīsī, 2018-05-08 In Volume One al Tunisi relates the history of his much traveled family his journey from Egypt to Darfur and the reign of the noted sultan Abd al Rahman al Rashid In Volume Two al Tunisi describes the geography of the region the customs of Darfur s petty kings court life and the clothing of its rulers marriage customs eunuchs illnesses food hunting animals currencies plants magic divination and dances In Darfur combines literature history ethnography linguistics and travel adventure and most unusually for its time includes fifty two illustrations all drawn by the author Fighting the Slave Trade Sylviane Anna Diouf, 2003-10-24 Annotation Explores in a systematic manner the strategies Africans used to protect and defend themselves and their communities from the onslaught of the Atlantic slave trade and how they assaulted it *In Darfur* Muḥammad al-Tūnīsī, 2020-09-01 A merchant s remarkable travel account of an African kingdom Mu ammad al T nis d 1274 1857 belonged to a family of Tunisian merchants trading with Egypt and what is now Sudan Al T nis was raised in Cairo and a graduate of al Azhar In 1803 at the age of fourteen al T nis set off for the Sultanate of Darfur where his father had decamped ten years earlier He followed the Forty Days Road was reunited with his father and eventually took over the management of the considerable estates granted to his father by the sultan of Darfur In Darfur is al T nis s remarkable account of his ten year sojourn in this independent state featuring descriptions of the geography of the region the customs of Darfur s petty kings court life and the clothing of its rulers marriage customs eunuchs illnesses food hunting animals currencies plants magic divination and dances In Darfur combines literature history ethnography linguistics and travel adventure and most unusually for its time includes fifty two illustrations all drawn by the author In Darfur is a rare example of an Arab description of an African society on the eve of Western colonization and vividly evokes a world in which travel was untrammelled by bureaucracy borders were fluid and startling coincidences appear almost mundane An English only edition **Historical Dictionary of the Central African Republic** Juan Fandos-Rius, Richard Bradshaw, 2025-02-16 The Central African Republic CAR joined the international community when it attained autonomy within the Communaut French Community on 1 December 1958 Under this arrangement France retained control over defense foreign affairs currency and home security Through history Central Africans comprising a quite large number of different ethnic groups and subgroups engaged in internal and external conflicts leading to significant migrations that showcased the nation s current cultural diversity In the twilight of the 19 century Western influence arrived on the heels of French colonists marking the end of slave trade from neighboring states to Central Africans but introducing new forms of servitude such as concessionary companies portage taxes and compulsory labor Central Africans saw their cultural systems and languages gradually erode replaced by European educational models and Christianization In less than 70 years Central Africans experienced profound changes without a cohesive plan As an independent nation the CAR found itself grappling with

Western nations contesting its natural resources yielding little profit and trapped in neocolonialism The nation's limited income weakened its authority leading to its disappearance in rural areas Tensions over land resources escalated into a civil war disguised and polarized under the guise of interreligious conflict Today Central Africans stand at a pivotal moment seeking change for peace and recovery

Historical Dictionary of the Central African Republic Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 200 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Central African Republic CAR

Historical Dictionary of the Central African Republic Richard Bradshaw, Juan Fandos-Rius, 2016-05-27

The Central African Republic CAR came into existence on 1 December 1958 as a semi autonomous member state of the Communaut French Community meaning that France still controlled its currency defense foreign affairs and national security The history of the CAR can be interpreted in radically different ways One the one hand the people of Central Africa have suffered enormously at the hands of slave traders concessionary companies French colonialists and African rulers and their country remains largely undeveloped On the other most Central Africans have retained free use of land on which they grow crops and from which they extract numerous valuable resources Their way of life is in the long run perhaps more sustainable than those of the experts who come to assist them The theme of essential continuity in the history of the CAR is as important if not more important in the long run than the themes of violent change exploitation and enduring dependence Deep roots of continuity provide a surprising stability in the face of dramatic and often very painful change on the surface The Historical Dictionary of the Central African Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Central African Republic

In God's Empire Owen White, J.P. Daughton, 2012-09-27 A collection of thirteen essays by leading scholars in the field In God's Empire examines the complex ways in which the spread of Christianity by French men and women shaped local communities French national prowess and global politics in the two centuries following the French Revolution More than a story of religious proselytism missionary activity was an essential feature of French contact and interaction with local populations In many parts of the world missionaries were the first French men and women to work and live among indigenous societies For all the celebration of France's secular civilizing mission it was more often than not religious workers who actually fulfilled the daily tasks of running schools hospitals and orphanages While their work was often tied to small villages missionaries interactions had geopolitical implications Focusing on many regions from the Ottoman Empire and the United States to Indochina and the Pacific Ocean this book explores how France used missionaries long connections with local communities as a means of political influence and justification for colonial expansion In God's

Empire offers readers both an overview of the major historical dimensions of the French evangelical enterprise as well as an introduction to the theoretical and methodological challenges of placing French missionary work within the context of European colonial and religious history **Paideuma Bd.52 / Jahrgang 2006 , Ethnoarchaeology of Shuwa-Arab Settlements** Augustin Holl,2003-01-01 Ethnoarchaeology of Shuwa Arab Settlements demonstrates the imperative need for ethnoarchaeology to include a deep sense of the history of the specific social group under analysis for its findings to truly impact archaeological thinking Based on research from a long term archaeological and ethnoarchaeological project conducted in the northernmost part of Cameroon Augustin Holl s new work probes the ethnic survival of the Shuwa Arab descendants of generations of pastoralists who migrated from Arabia to the Chad basin The book robustly engages macro issues connected to processes of sedentarization ethnic interaction in a multi ethnic setting and relations of power and dominion On the micro level the work deciphers clues for the cultural survival and later prosperity of the Shuwa Arab hidden in the material record of their daily settlement life This book will be of great interest to students of African history African studies archaeology ethnoarchaeology and ethnic and cultural studies seeking to understand how to successfully integrate history into the interpretation of the archaeological record *Trade, Merchants and the State in Borno* Yakubu Mukhtar,2000 Cattle Plague Clive A.
