**Radical Visions** Vicente F. Gotera, 1994 Although poets have written about warfare since at least the time of Homer the Vietnam war has struck many observers as being immune to the interpretations of poetry and myth Lyric poetry of a traditional kind writes one critic has proved inappropriate to communicate the character of the Vietnam war its remoteness its jargonized recapitulations its seeming imperviousness to aesthetics Nonetheless the past two decades have seen an unprecedented outpouring of poetry that seeks to describe and come to terms with that bitterly divisive conflict In *Radical Visions* Vince Gotera argues that poetry written by Vietnam veterans underlines the failure of traditional American myths to help Americans understand the war and its aftermath The book blends sociohistorical commentary with close readings of individual works by such poets as Michael Casey Walter McDonald and W D Ehrhart In the book s first section *The Nam* Gotera examines several key mythic structures the Wild West a violent extension of the mythic virgin land the machine in the garden the city on the hill regeneration through violence all of which helped delude Americans about Vietnam and the war being fought there In the second part *The World* Gotera shows how another myth the American Adam as an exemplar of ahistorical innocence proved unusable for returning veterans attempting to readjust to American life In addition to exposing these failed myths Gotera argues the poetry by Vietnam veterans reflects an effort to construct new myths most notably that of the warrior against war an oxymoronic structure arising from the difficulties faced by returning veterans In the book s final chapters Gotera examines the work of Bruce Weigl

and Yusef Komunyakaa two poets whom the author considers most successful at portraying the moral absurdity of the Vietnam war without sacrificing lyrical aesthetics The first comprehensive study devoted exclusively to poetry by Vietnam veterans *Radical Visions* argues that this body of writing registers an important advance in the aesthetics and poetics of war literature and offers a cogent antiwar statement rooted in personal experience **Critical Survey of Poetry** Philip K. Ho Chi Minh's Blueprint for Revolution Virginia Morris, Clive A. Hills, 2018-09-10 When Saigon fell to North Vietnamese forces on April 30 1975 the communist victory sent shockwaves around the world Using ingenious strategy and tactics H Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power The same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe Drawing on recently declassified documents and rare interviews with H Chi Minh s strategists and operatives this book offers fresh perspective on his blueprint and the reasons behind both the French 1945 1954 and the American 1959 1975 failures in Vietnam concluding with an analysis of the threat this model poses today

**An American Brothel** Amanda Boczar, 2022-02-15 In *An American Brothel* Amanda Boczar considers sexual encounters between American servicemen and civilians throughout the Vietnam War and she places those fraught and sometimes violent meetings in the context of the US military and diplomatic campaigns In 1966 US Senator J William Fulbright declared that Saigon has become an American

brothel Concerned that as US military involvement in Vietnam increased so too had prostitution black market economies and a drug trade fueled by American dollars Fulbright decried an arrogance of power on the part of Americans and the corrosive effects unchecked immorality could have on Vietnam as well as on the war effort The symbol at home and abroad of the sweeping social and cultural changes was often the so called South Vietnamese bar girl As the war progressed peaking in 1968 with more than half a million troops engaged the behavior of soldiers off the battlefield started to impact affect the conflict more broadly Beyond the brothel shocking revelations of rapes and the increase in marriage applications complicated how the South Vietnamese and American allies cooperated and managed social behavior Strictures on how soldiers conducted themselves during rest and relaxation time away from battle further eroded morale of disaffected servicemen The South Vietnamese were loath to loosen moral restrictions and feared deleterious influence of a permissive wWestern culture on their society From the consensual to the coerced sexual encounters shaped the Vietnam War Boczar shows that these encounters sometimes facilitated and sometimes banned by the US military command restructured the South Vietnamese economy captivated international attention dictated military policies and hung over diplomatic relations during and after the war

*Long Time Passing* Myra MacPherson, 2009-04-20 This new edition of a classic book on the impact of the Vietnam War on Americans reintroduces the haunted voices of the Vietnam

era to a new generation of readers Based on more than 500 interviews Long Time Passing is journalist Myra MacPherson's acclaimed exploration of the wounds pride and guilt of those who fought and those who refused to fight the war that continues to envelop the psyche of this nation In a new introduction Myra MacPherson reflects on what has changed and what hasn't in the years since these interviews were conducted explains the key points of reference from the 1980s that feature prominently in them and brings the stories of her principal characters up to date A haunting chorus of voices a moving deeply disturbing evocation of an era San Francisco Chronicle A brilliant and necessary book this stunning depiction of Vietnam's bitter fruit is calculated to agitate even the most complacent American Philadelphia Inquirer There have been many books on the Vietnam War but few have captured its second life as memory better than Long Time Passing Washington Post Book World Enthralling reading full of deep and strong emotions New York Times

Museum Mediations Barbara K. Fisher, 2006-01-24 This interdisciplinary study participates in the ongoing critical conversation about postwar American poetry and visual culture while advancing that field into the arena of the museum Turning to contemporary poems about the visual arts that foreground and interrogate a museum setting the book demonstrates the particular importance of the museum as a cultural site that is both inspiration and provocation for poets The study uniquely bridges the dual canon in contemporary poetry and calls the lyric avant-garde distinction into question by analyzing museum-sponsored anthologies as well as poems by John Ashbery Richard Howard Kenneth Koch Kathleen Fraser Cole Swensen Anne Carson and others Through these case studies of poets with diverse affiliations the author shows that the boom in ekphrasis in the past 20 years is not only an aesthetic but a critical phenomenon a way that poets have come to terms with the critical dilemmas of our moment Highlighting the importance of poets' peripheral vision awareness of the institutional conditions that frame encounters with art the author contends that a museum visit becomes a forum for questioning oppositions that have preoccupied literary criticism for the past 50 years: homage and innovation, modernism and postmodernism, subjectivity and collectivity The study shows that ekphrasis becomes a strategy for negotiating these impasses: a mode of political inquiry, a meditation on canonization, a venue for comic appraisal of institutionalization and a means of site-specific feminist revision in a vital synthesis of critique, perspicacity and pleasure

Memories of a Lost War Subarno Chattarji, 2001 In this unique and significant addition to Vietnam studies Memories of a Lost War analyzes the poems written by American veterans, protest poets and Vietnamese within political, aesthetic and cultural contexts Drawing on a wealth of material often published in small presses and journals the book highlights the horrors of war and the continuing traumas of veterans in post-Vietnam America In its inclusion of Vietnamese perspectives the book marks a departure from earlier works that have largely concentrated on Vietnam as a war rather than a country
